Red Men Install New Group Of Officers

Officers for a six-months term were installed at Monday night's meeting of Chowan Tribe of Red Men. The installation ceremony was performed by Albert Cullipher, tribal deputy Great Sachem. The four elective officers installed were: Prophet, Hurley Ward; sachem, Caswell Edmundson; senior sagamore, Leroy Harrell and junior sagamore, Clyde Hollowell.

The new sachem named the following appointments, who were also installed:

Sannaps, Guy Williams and Earl Goodwin; warriors, Robert Brooks, Kenneth Worrall, Thomas Perry and Graham Farless; braves, W. T. Elliott, Leslie Kirby, Leroy Henninger and Mack Rogerson; guard of the wigwam, Thomas Jackson, and guard of the forest, Alton Shaw.

Each of the new officers made brief remarks for the good of the order.

TOP TEE TOT—Little Jackie Debs (left) from St. Petersburg, Fla., won first place in the three to five-year-old class in the National Pee Wee Golf contest played in Orlando, smashing a 6-4 on the two-hole course. Here the pint-sized pro gives a bit of iron-shot advice to his sister Virginia, who played in the girls' end of the tourney.

Parcel Post Weight Limitations Raised

Postmaster General Arthur E. Summerfield has announced that size and weight limitations on air parcels to overseas military post offices will be greatly liberalized effective July 1, 1958.

Air parcels have been limited to two pounds and a combined length and girth of 30 inches.

Parcels for most overseas military post offices may weigh up to 70 pounds and have combined length and girth up to 100 inches.

However, parcels destined for military post offices located in certain countries will be limited to 50 pounds and 72 inches length and girth combined because of internal regulations in these countries which make such limitations necessary.

Questions about mailing conditions for specific military post offices can be answered by local postmasters.

Negro Home Demonstration News

By MRS. ONNIE S. CHARLTON, Negro Home Demonstration Agent

The County Council of Home Demonstration Clubs and Agriculture Advisory Committee held their quarterly meeting Saturday. Plans were made to sponsor a county-wide "Poultry Day" on August 6. This activity is one of our goals to have families "Raise A Square Meal Around Home."

The program will give information on raising poultry and eggs for home use and commercial production. Farm families and home demonstration clubs will have exhibits of graded eggs, egg dishes, poultry dishes and needed equipment for poultry production. A chicken barbecue dinner and planned recreation will climax the day. Make your plans now to enjoy Poultry Day, on August 6.

The group made plans to have HD Achievement Day on December 16. At this event the recreational part of the program will be a Christmas party.

We have completed our neighborhood garden tours. A total of one hundred and eighty gardens were inspected. Plans were made to have the county-wide garden tour on October 31, so as to see fall and winter gardens.

I am sure you are buying peaches to can. Remember we must can or freeze all the foods we can for winter use. Peaches are at their best in flavor when they are mature. The blush of a peach is attractive but not a dependable sign of maturity. Peaches that will continue to ripen have a creaming or yellowish ground color. Peaches picked before they are mature usually have a dark green ground color. Such peaches will not ripen satisfactorily. They lack flavor and often shrivel instead of ripening.

Good quality peaches should be: Fairly firm
Free from blemishes
Have whitish or yellowish background color, depending on variety

mother lived in Edenton as a little girl.

Chowan County's county home virtually went out of business, with only one inmate, and plans made to place this one in a private home under the social security program. George Harrell for 22 years in charge of the home, was offered a proposition to continue to live at the home with permission to utilize the land for his own purposes.

Oscar Brown was installed a president of the Edenton Rotary Club.

Edenton Masons sent one of the old ballast rocks from the Edenton harbor to Waynesville to be placed in the great Masonic marker at the entrance to the Great Smoky Mountains National Park, which was to be made from stones of all size from every Masonic section in the nation.

The Edenton High School Band participated in a big Fourth of July celebration held at Belhaven.

Fire Chief R. K. Hall arranged a street dance on Broad Street in front of the fire stations with a volunteer offering going to the High School Band. Swanner's String Band provided the music for the dance and the band played several selections.

Dr. Bond Installed As Rotary President

At last week's Rotary meeting Robert S. Marsh turned over the gavel to Dr. Ed Bond, who will be president of the club for the ensuing year.

Jimmy Earnhardt is the new vice president and the following will serve as new directors: J. P. Ricks, Sr., Philip McMullan, Jack Habit and Lloyd Bunch. The new president and outgoing president are also members of the board of directors.

Before relinquishing the gavel Mr. Marsh presented a brief resume of the club's activities during the year and complimented officers of the club and various chairmen for their interest and cooperation during the year.

The new president praised Mr. Marsh for his success as president and appealed for the same sort of cooperation on the part of the entire membership during the new Rotary year.
