

State's Tobacco Crop Increased 14.1 Million Lbs

Production of all flue-cured tobacco in North Carolina is forecast at 744,240,000 pounds on the basis of information from growers and warehousemen as of October 1. This latest forecast, published by the North Carolina Crop Reporting Service, is 14.1 million pounds, or 1.9 per cent, above the September 1 forecast. A crop of this size, if realized, would exceed the 1957 flue-cured crop of 650,780,000 pounds by 14 per cent, but would still be 24 per cent below the record high production of 978,775,000 pounds in 1955.

Yield per acre of all flue-cured tobacco, calculated at 1,719 pounds is 250 pounds above the 1,469 average for 1957 and exceeds the previous record high yield of 1,661 pounds in 1956 by 58 pounds. By the end of September burning had been virtually completed in all areas, and marketing was well advanced.

Enterprise Club Has Interesting Meeting

Ten members were present for the Enterprise Home Demonstration Club meeting last week at the home of Mrs. Wallace Goodwin, Jr.

Mrs. Lester Gilley, new president, conducted the meeting. For a devotional, Mrs. Goodwin read Psalms 1 followed by the Lord's Prayer. Mrs. Gilley gave a family life leader report.

Miss Maidred Morris, home agent, gave a very interesting demonstration on "Modern Methods of Dress Making". She stressed the importance of knowing the grain of material and how to cut

it correctly. "If the material is not cut correctly, the garment will be apt to pull at the seams and it will not look very nice," she said.

She further stated that the material should be stitched in a certain direction as follows: Shoulder seams from neckline to sleeve-line; side seams from armhole to waistline; sleeve seam from armhole to wrist and skirt seams from hemline to waistline.

"If you wish to make a neat garment, you should follow cutting and sewing directions carefully," Miss Morris pointed out.

Mrs. Goodwin served a delicious cola drink with home-made candy which was enjoyed by all.

"Aunt Millie" Bond Dies At Age Of 96

Mrs. Millie Bond, affectionately known as "Aunt Millie," aged 96, died at her home on North Oakum Street Friday afternoon at 3 o'clock. She had been in failing health for several years. For many years "Aunt Millie" served as a maternity nurse for many of Edenton's prominent families who regarded her very highly.

Surviving are a son, Thomas Harvey of Chowan County; two brothers, T. C. Roberts and William Roberts. Five grandchildren, three great-grandchildren and five great-great-grandchildren also survive.

Funeral services were held Monday at the Providence Baptist Church with the Rev. J. E. Tillett officiating. Burial was in Vine Oak Cemetery.

Edenton Aces Defeat Tarboro

Continued From Page 1, Section 1

ed his best game of the season, adding yardage almost every time he carried the ball. Wilkins saw limited action during the night, but played a steady game when in the lineup. Hardison was also a consistent ground gainer, as was Leroy Spivey the short time he was in the game.

Charlie Small, Claude Barnett, Marvin Ashley, Clyde Cobb, Fred Britton, Frank Johnson, Wayne Baker, Jimmy White and John Mitchener played their positions well and were a thorn in the side of the Tarboro backs all night. Lloyd Lassiter at quarterback also played a masterly game.

Tarboro had a trio of very good backs in Brady, Owens and Tew, but could not break through the strong defense set up by the Aces. The Aces registered 14 first downs to 10 by the Tigers.

First Quarter
Edenton kicked to start the game and Tarboro fumbled on the first play with the Aces recovering on the Tarboro 42. White and Hardison carried to a first down and in three more plays the Aces were at the Tarbor 8, with Hopkins getting off a neat gain. Hopkins and White each picked up 3 yards and on the next play White crashed through the line for the first touchdown. Lassiter's pass to Jack Bunch was good for the extra point and the Aces took the lead 7-0. The Aces kicked and Tarboro returned to their own 42. After gaining 7 yards on two plays a pass was good for a first down on the Edenton 40. In two more plays Tar-

Chevrolet again offers the popular Bel Air series in 1959. This model maintains its reputation for stylish interiors and appointments, with increased passenger room and additional visibility in new compound-curved windshields and larger rear windows. New grille and lowered

headlamps accent the front end. Both two-door and four-door sedans incorporate the venture-some new design features, plus improved brakes, suspension system and handling advancements. All 1959 Chevrolets feature a new acrylic lacquer finish said to retain brightness for years.

boro made it to the 30 for a first down. Two more plays and the Tigers were on the Edenton 19. After gaining a yard the Tigers were thrown for a 6-yard loss. Owens picked up 8 yards, but on the next play they were thrown for a 3-yard loss and it was the Aces' ball on their own 18. Three plays netted 9 yards and the Aces kicked out on the Tarboro 29. Owens picked up 5 yards as the quarter ended.

Second Quarter

The Tigers made two successive first downs with Brady adding the most yardage, carrying to the Edenton 48. In two plays the Tigers were held to 3 yards and then White broke through to cause a 5-yard loss, after which Tarboro kicked. The ball was brought back due to a penalty, and this time the ball rolled out on the Edenton 4. In three plays

White picked up 6 and Lassiter 3, so that the Aces kicked, with the Tigers returning to the Aces' 42. Brady gained 4 and a pass was good for a first down on the Edenton 30. In two plays the Tigers had another first down on the Edenton 15. Tarboro gained 4 and then Cobb broke through to cause a 5-yard loss. A pass was incomplete. The Tigers were then thrown for a 3-yard loss and it was the Aces' ball on their own 21. Hardison broke loose for a 16-yard jaunt and first down. White gained 4 and Wilkins 5 as the half ended.

Third Quarter

Tarboro kicked and White returned to his own 25. White and Hopkins in three plays netted 6 yards and the Aces kicked, with Tarboro returning to their own 45. Three plays netted 7 yards and Tarboro kicked with White

lacked only inches of a first down. White crashed the line for first down on the Tarboro 41. Wilkins added 3 and White then broke loose to get to the Tarboro 15 before he was brought down. Hardison picked up 5 and Hopkins then bulled his way to the 2-yard line. He tried again but was held to about a foot gain. White then broke through the line for his second touchdown. The pass for the extra point was incomplete and the Aces went ahead 13-0. The Aces kicked and Tarboro returned to their own 31. In two plays Tew and Brady made first down to their own 41. Five yards were gained as the quarter ended.

Fourth Quarter

A pass was broken up, but a second pass was good for first down on the Aces' 45. Owens and Brady were held to 4 yards in three plays and a pass was broken up, so it was the Aces' ball on their own 40. Hardison picked up 2 and White 4, after which Wilkins broke through to the Tarboro 49 for first down. Wilkins gained 4 and Hopkins 5, after which Hopkins got loose to the Tarboro 38 for first down. Wilkins added a yard, after which Hardison broke loose to the Tarboro 8 for first down. Wilkins

bulled his way to the 2, from where Hardison crashed through the line for the third touchdown. Lassiter connected with a pass to Britton for the extra point and the score stood 20-0. Baker kicked and Tarboro returned to their own 45. A pass was good for first down to the Edenton 43. Another pass clicked for 9 yards, but on the next attempt Wilkins intercepted on the Aces' 20. After a 2-yard gain Hopkins broke through to the 35 for a first down. White picked up 3 and on the next play Wilkins made it to the 50 but the Aces were penalized 15. Spivey gained 6 and Hardison then got loose to the Tarboro 38 for first down. On the next play he made it to the 20 and the game was over.
