Edenton Aces In Dime Novel Style Finish Defeat Hertford's Indians In Last 60 Seconds 13-7

Edenton's Aces defeated the Hertford Indians in Hertford Friday night by a score of 13-7 in a game which wound up something like a Horatio Alger story. The game was played before a capacity crowd with Edenton leading three sections of bleachers to help accommodate the crowd and even then there were as many or more spectators obliged to stand along the sidelines.

The Aces scored near the end of the first quarter when they drove from their own 25-yard line for a touchdown. Bubba Hopkins, Robert White and Ted Hardison alternated in carrying the ball to the 11-yard line, from where White wiggled through the line, shook off three tacklers and scored on a very thrilling play. Jack Bunch grabbed Lloyd Lassiter's pass for the extra point.

It was a see-saw battle during the second and third quarters, with both teams afflicted

Officers Named For Chowan's Drive To Fight Cancer Disease

A goodly number of people interested in the fight against cancer gathered at the Penelope Barker house Wednesday night of last week when a very interesting and informative film was shown and comments made by Mrs. Bert Tyson, field consultant of Greenville. "The doctor's office is the cancer detection center," emphasized Mrs. Tyson. Considerable interest has been aroused in the fight against cancer with education taking the leading role in the Chowan County chapter.

Aces Expect Tough Game With Ahsokie

What is calculated to be the toughest Albemarle Conference game for the Edenton Aces will be staged in Ahsokie Friday night when the Aces will lock horns with the Ahsokie Indians.

Both the Aces and Indians will enter the game with a clean conference record and last Friday night Hertford was the first conference team to score against the Aces, who played one of their most erratic games of the season.

Ahsokie has the reputation of being exceptionally strong this year, boasting one of the finest lines, especially the middle, as well as a well-rounded team since Jack Young has been coaching at Ahsokie.

The Aces will put forth every effort to win the game and still fresh in their memory is the close shave last year when the Aces narrowly won by a 27-26 score. The boys came out of the Hertford scrap in good shape and going through strenuous practice sessions this week, should be in top form for what appears to be a battle royal.

with fumbllitis, but on the first play of the final quarter Sullivan cracked through the line from the 2-yard mark and Matthews went over for the extra point, although some players and spectators questioned the decision. At any rate, the Indians were gaining strength, so that the outcome appeared to wind up in at least a 7-7 tie.

However, near the end of the game the Indians recovered a fumble on their own 40. Two plays netted six yards and then Jimmy White broke through to throw the ball carrier for a 5-yard loss, which proved to be the turning point of the game, for the Indians were forced to kick. It was the Aces' ball on the Hertford 42. White and Hopkins carried to the 25 and Lassiter was thrown for a 6-yard loss tryin to spot a pass receiver. Then with about 60 seconds remaining he passed to Fred Britton. Britton juggled

Project To Plant Trees In Edenton Making Headway

Decision Is Made to Plant Crepe Myrtle And Dogwood Trees On North Broad St.

A committee from the Edenton Woman's Club and George Alma Byrum and J. Edwin Bufflap, representing Town Council, together with County Agent C. W. Overman, met at the home of Mrs. Earl Goodwin Monday morning to consider a tree planting project sponsored by the Woman's Club.

An appropriation of \$500 was included in the town's budget for beautification, so that the Woman's Club adopted a project for planting trees to replace many which have been taken down in recent years.

It was the general opinion that the most effective beautification work could be done by planting trees on North Broad Street between the Triangle Service Station to Oakum Street. It was decided to plant in the neighborhood of 125 trees in this area with crepe myrtle and dogwood being the favorite choice. Mr. Overman was instructed to secure prices for these two and it is hoped work can be started on the project within a few weeks.

The group also considered beautifying the boulevard in front of the police station by planting azaleas, as well as a few shade trees along the Court House Green.

Present at the meeting were Mrs. Earl Goodwin, Mrs. John Graham, Mrs. Scott Harrell, Mrs. Jimmy Earnhardt, C. W. Overman, George Alma Byrum and J. Edwin Bufflap.

The two Councilmen will present the recommendation at the next Town Council meeting for official action.
