

60 - SECOND SERMONS

- By - FRED DODGE

TEXT: "There is no little enemy." - French Proverb

An 8-year-old boy stood patiently beside the clock counter. The druggist waited on all the adult customers first. Finally he got to the boy who made his purchase and hurried to where his father was waiting.

An enemy is a doubly destructive luxury. First, so much of hate's bitter acid is needed to keep an enemy alive that it finally eats all the goodness from a man's soul. Second, no matter how insignificant an enemy may be, he can cause disaster.

KNOW YOUR SOCIAL SECURITY

P. E. Bettendorf, representative of the Social Security Administration, is in Edenton every Thursday at the North Carolina Employment Security Commission in Citizens Bank Building.

Another change in the 1958 Amendments to the Social Security Law affects children who became disabled before age 18. Under the old law, they were not eligible for benefits unless proof could be shown that they were receiving at least one-half of their support from the parent upon whose social security record the child's benefit would be based.

July, 1957. One requirement is that the applicant must have been disabled for at least 6 months; no payment can be made in any case before the seventh month of a worker's disability.

Under the 1958 Amendments, disability benefits may now be paid for months as far back as 12 months before application, if all other requirements are met, but in no case for any month before August 1958.

On visiting the field, County Agent C. W. Overman closely estimated the field to run some over 400 bushels per acre.

Changing Method For Sweet Potatoes

Clarence Lupton of Advance community says he is convinced that it is time for him to do a better job of sweet potato growing, on less acres.

On another field the county agent visited, he found nematode infestation which reduced the yield and quality considerably. Potatoes in this field were grown from sprouts.

clear land than it did to produce 100 bushels per acre on the nematode infested area.

Mr. Lupton readily admitted that he was trying to grow entirely too many acres of sweet potatoes. He says that next year he plans to carefully select his seed and thoroughly treat them.

N. C. Egg Production Reaches Record High

The number of layers on North Carolina farms during October, 1958, was placed at 9,899,000, an increase of 59,000 over October, 1957.

Sunday School Lesson

WHY MEN OPPOSE JESUS International Sunday School Lesson for November 23, 1958.

Memory Selection: "Blessed is he who takes no offense at me." - (Matthew 11:6). Lesson Text: Mark 2:1 thru 3:8

This lesson points out some of the reasons for the opposition that Jesus faced in his day and time. It is hoped it will help adults realize the dangers that Christianity faces both from opponents outside the fellowship and from attitudes of compromise that exist within it.

In reading our Scriptures for today we find that two of the many clashes Jesus had with the rigorously orthodox Jews are highlighted. In Mark 2:18-20 we read an accounting of Jesus' apparent flaunting of the accepted tradition of fasting.

In Mark 2:21-22 Jesus answers his critics with the illustration of patching an old garment with a piece of new, unshrunk cloth; he points out that the old will separate from the new; likewise, he

also brings out the point that if one puts new wine into old wine-skins, the old skins will burst and the wine be wasted. New wine, says Jesus, deserves new skins. In effect Jesus was saying that the new concept of Christianity, which he preached, did not fit in with the old concepts.

Jesus furthermore offended many by befriending people regarded as outcasts - as witness his summoning of Levi, the despised tax collector.
