But these difficulties, the Conservatives argue, provide an op-dustry. It is certain that it will portunity for conducting an intensive educational program to ac- sion with virtually all of the hazquaint the American public with ards it faced this year-plus oththe economic and governmental ers now being dreamed up by the facts of life.

If this is done vigorously and government. intelligently, they are convinced of New-Fair Dealers is increased, that public sentiment will shift it still will be possible for a coaaway from radicalism and "San-lition of Conservative Republicans ta Claus Government" and back and Southern Democrats to optoward the basic economic prin- erate effectively in stopping radiciples that placed the United States in the forefront of the world's greatest nations.

The outcome of such a campaign depends in large measure upon the handling of specific tial veto-which kills legislation problems facing industry in the approved by Congress unless months ahead. Here are some as- overridden by a two-thirds vote pects of the situation growing out of both Houses. of the November 4 dections:

1. As a result of the November 4 elections and of voluntary retirements, the power of the New-Fair Dealers in Congress is strengthened and that of the Conservatives diminished.

2. This clearly means that it is going to be more difficult-other things being equal-to obtain enactment of effective labor legislation.
