

SOIL CONSERVATION NEWS

By Rad Bailey, Work Unit Conservativist of Edgecombe County

The Albemarle Soil Conservation District held its first meeting of 1959 at the Carolina Coffee Shoppe in Elizabeth City on the night of January 7, at 7 o'clock. Thirteen of the fifteen members of the board of supervisors were present including two newly-elected members and one appointed member. The two newly-elected members were Fahey Byrum of Chowan County and M. K. Berry of Pasquotank County. Newly-appointed member was A. B. Etheridge of Pasquotank County who was appointed to fill the unexpired term of the late J. E. Morgan.

Grady Stevens of Camden County conducted the election of officers for 1959. The same officers were elected as served in 1958. They are L. C. Bunch of Chowan County, chairman; H. A. Leary of Camden County, vice chairman, and Ralph Powers of Currituck County, secretary and treasurer.

Chairman Bunch then outlined some of the goals for the district in 1959. Some of the goals are to contact district supervisors (farmers) who have not asked for assistance in the last two years. Re-plan old farm plans where they need revision.

Mr. Bunch also asked that each county get operational money in their county treasury to sponsor the poster contest, land judging contest and to assist in other educational work. He asked each county board to work with agricultural agencies in carrying out the soil and water conservation program in their respective counties. To hold at least one meeting with farmers and explain the small watershed act (P.L.566). The county agent should be asked to conduct this meeting.

Work with equipment dealers and award the dealer-district award to them. To cooperate with the ASC committee in carrying out the Agricultural Conservation Program.

It was decided to publish a district news letter in 1959. This will cover the activities of the district supervisors for the month. Chowan County work unit will publish the news letter monthly.

Grady Stevens, chairman of the conservation poster committee, was asked to contact the Elizabeth City Chamber of Commerce about dates to hold the contest. Dates tentatively set for the contest were March 27, 1959 for the county contest and April 3, 1959 for the district contest.

Mr. Bunch showed slides of his trip to Litchfield Park, Arizona, as guest of the Goodyear Tire and Rubber Company. The local district won first place in this contest last year. The contest is nationwide with the winning district in each state sending one district supervisor and the outstanding conservation farmer to Litchfield Park.

The next meeting will be held in Perquimans County on May 6, 1959.

Several Chowan 4-H boys have learned the importance and value of forestry projects through their club work. Leon and Lewis Evans, Joe and Roy Nixon and Billy Lane, all of the Oak Grove community, have a 4-H forestry project each. Leon started his project three years ago, and he is the "veteran" of the group. He has set out approximately 3,000 loblolly pine seedlings and approximately 100 red cedars.

He attended the State 4-H Forestry Camp in 1957. Leon plans to set more loblolly seedlings this year. Joe and Roy Nixon have set out about 1,000 loblollys and plan to set another thousand this year. Joe attended the State 4-H Forestry Camp in 1958.

Lewis Evans, Roy Nixon and Billy Lane are junior 4-H Forestry members, and they are very active. Although their forestry projects are not as extensive as those of Leon Evans and Joe Nixon, their projects are progressing very well. Each of these boys should have a good income from their forestry projects in a few years.

Robert Marsh, assistant county agent, took these 4-H forestry project boys on a tour on Tuesday, December 30. They observed a new tree planter in action on the farm of Houghton Ehringhaus of the Yeopim community. The planter is manufactured by the Darf Corporation of Edenton and it does good work.

Other places visited on the tour were woodlands owned by

Heart Chairman

R. Hunt Parker, Associate Justice of the North Carolina Supreme Court, who has recently returned to work following a heart attack, will head the 1959 Heart Fund drive throughout the state in February.

The N. C. Pulp Company of Plymouth and also Union Bag-Camp Manufacturing Co., of Franklin, Va. Each of these pulp companies owns considerable woodland in Chowan County, which is being developed into productive timber and pulp operations.

The 4-H boys were very interested in the forestry practices which they observed on the tour.

ADVANCE CLUB MEETS

On Monday, January 5, the Advance Local 4-H Club had its monthly meeting at the home of Dick Kay and Nella Lowe. The meeting was called to order by the president, Zackie Harrell, and was opened by praying the Lord's Prayer in unison. The secretary, Doris Jean Cale, then read the minutes of the last meeting.

Old and new business was discussed as follows: The Christmas float. Advance Local Club entered a float in the Christmas parade and won second prize which was \$15. A report was given on the float and the report of the financial status of the club. Other business was cutting wood for the community building. On December 8, the boys cut some wood and the girls fixed refreshments. It was decided to cut more wood January 12.

The meeting was turned over to the program chairman, Gail Hare. She read the devotional from Malachi. Zackie Harrell, Nella Lowe, Gail and Sandra Hare participated on the program which was a talk on the U. S. flag. The talk helped each one present to respect and honor the flag.

After the program given by the program chairman, the meeting was turned over to Miss Aman, who gave an interesting demonstration on the proper way to set the table and table manners.

The meeting was adjourned by repeating the 4-H Club pledge. Mrs. Lowe then served delicious refreshments.

There never was yet a truly great man that was not at the same time truly virtuous.

1958 Tough For Traffic Violators

It was a tough '58 for traffic law violators.

A just-issued report from the State Department of Motor Vehicles showed a grand tally of 30,866 motorists convicted of various traffic offenses. All require the surrender of legal driving privileges for periods ranging from 30 days to permanent.

As expected drunk driving topped the list of offenses with speeding a close second.

Aces And Acelets Down Williamston

Edenton's Aces and Acelets took their first Albemarle Conference victories Friday night as they played hosts to Williamston's Green Wave.

The Aces won 35-31 and the Acelets by a 41-27 score. Williamston's Jayvees handed the Little Aces their sixth straight defeat in a thrilling overtime contest 21-19.

Without sharpshooter Billy Cooke Griffin, who was out nursing an ankle injury, the Aces had to rely on scrape and the jump shots of Billy Wilkins. The score was 33-31 in favor of the Aces with two minutes to go, but Williamston was stymied by a fine block by Jack Bunch and a layup by Wilkins.

The Aces scoring were Wilkins 17, Jerry Tolley 6, Bunch 5, Elton Boss 4, and Johnny Phillips 3. Billy Wynn had 14 for the Green Wave.

An inspired group of Acelets rose to the occasion and stomped the Williamston girls. The Acelets' guards, paced by Norma Blanchard, Beverly Morgan and Ida Campen, put the reins on the visitors. Time and again they stole the ball so that the forwards could produce points. Sara Relfe Smith took honors for the Acelets in this end with 19 tallies. Linda Spencer got 13, Mary Ann Overton 7, and Judy Elliott two points.

Abernathy took the night's honors by dropping 21 points for Williamston.

Edenton's Jayvees came so close to taking their first win and making it a triple victory night, that hairs were pulled everywhere. With 30 seconds left in the final period, Bill Goodwin sank a lay-up for a 19-17 Aces' advantage, but the Greenies tied it up and sent the game into an overtime. The Aces folded and the Green Wave took it 21-19.

Goodwin led the Aces with 10 points. Jimmy Patterson got 7 and Bobby Stokely 2.
