Dr. Ed Bond Wins Jaycees' DSA Honor

ary Club and that other of his activities included the N. C. Heart Association, District and State Medical Societies, Chowan County Cancer Society, TB and Heart Association, the District Mental Clinic, Junior and Senior Chamber of Commerce, vice president of the Chowan Hospital, staff, medical advisor for the Chowan County Draft Board and is associated with the Chowan Medical Center.

Dr. Bond, taken totally by surprise by the honor, said he appreciated the award and pointed out that there are many avenues of service for young men of the community.

The principal speaker for the occasion was Congressman Herbert Bonner, whose topic was "Business, Religious and Civic Service."

At the outset he said it was a distinct pleasure to be among his friends in Edenton and he paid tribute to local Masons and members of the Eastern Star for the beautiful building, saying Masons and Eastern Stars not only serve Masonry but the community as well.

Mr. Bonner said it was pleasant indeed, to offer congratulations to Dr. Bond, for his accomplishments focus attention on the value of service. "His was not a haphazard procedure," said the Congressman. "He knew where he was going. He knew what he was seeking."

Mr. Bonner referred to the success of P. D. Armour, founder of Armour & Company of Chicago, who once said, "a man can't have his head full of odds and ends like a bologna sausage and succeed. He must have his heart and his head full of one idea and that idea must be to do something useful."

As to religion, Mr. Bonner said it always seems a little easier to offer our services to the spiritual life of our county in times of stress. "But," he said, "we are faced today with a godless civilization in the Communist ideology that is dedicated basically to the elimination of our way of life. We must be dedicated to individual Christian service and in that service we shall find an active, aggressive and courageous solution to many of the problems of our age. World leader-

Visiting Sisters
Ike Layden of Norfolk is the guest of his sisters, Mrs. Lloyd Burton and Miss Aurelia Layden. Relationship can come only from a highly moral and highly religious nation."

Referring to civic service Mr. Bonner said "Whenever we give serious thought to serving community—or civic need—that activity results in a real legacy to the community, to the state and to the nation. The amount of time the average good citizen gives to community service is often impressive and astonishing. There is many a business man who donates just about as much time and energy to non-official, unremunerated voluntary activities as he does to his job. And more often than not, this extra-curricular work has a deep influence on the community—and on society as a whole. And only in a society where there exists a very high level of service can there be any approach to a continuous and happy future."

Caswell Edmundson, Jaycee president, was master of ceremonies and the invocation was by Luther Parks. Warren Twiddy, Tenth District vice president, introduced guests and the meeting closed with repeating the Jaycee Creed, led by James Perry.

Education Leaders For Heart Diseases

Continued from Page 1—Section 1
"To bring hopeful facts such as these to public attention will be the job of Mrs. Hardin and Mrs. Thorud, and they will also be responsible for publicizing the activities of our near Heart Committee."

One of the methods to be used in reaching the public will be through a Speakers' Bureau. Physicians and other professional workers will be enlisted to speak on such topics as modern treatment for various forms of heart and blood vessel diseases, the rehabilitation of heart patients and what is known about prevention. They will be available for both professional and lay audiences.

The public education chairmen will also be responsible for making up a list of those in the county who wish to receive American and North Carolina Heart periodicals. Those who would like to be on this mailing list are requested to notify Mrs. Hardin or Mrs. Thorud.

Williamston Victim Of Edenton Aces In Three Games

A total margin of just 5 points was all Edenton's Aces, Acelets and Jayvees needed to take three thrilling Albemarle Conference victories from Williamston's Green Wave Friday night on the latter's court.

The Aces won 37-35, the Acelets 27-25, and the Jayvees by a 29-28 count. The girls' game was a triple overtime affair.

The Edenton Jayvees started the night's activities by taking their fifth straight and handing the Greenies their first conference loss. The lead changed hands several times until Edenton took a five point lead with a minute to go. The Aces, avoiding a foul, gave the Wave four points on a pair of baskets by Bill Goodwin was fouled and given a chance to wrap it up for the Aces. But he missed and the last frantic Greenie shot went wild.

Jimmy Patterson and Richard Hollowell got 7 each and Lloyd Lassiter and Bobby Stokely scored six apiece. Goodwin had 3 Stalls paced William with 10 tallies.

The Aces took the real thriller of the night by taking a triple overtime, sudden-death shocker. The regulation time ended in a 23-23 deadlock after a neck and neck race to the finish.

A jump ball to start the first extra period was controlled by Edenton. Sara Relfe Smith was set up for a two point shot and the Acelets went ahead. The Edenton guards got the ball again but the Green Wave safeties did, too. With seven seconds left Virginia Griffin tied it up and brought on the sudden-death situation.

Williamston kept the ball the entire second overtime, but did not get any shots due to some fine defensive work by the Acelets. Edenton controlled the jump to start the third period, and after three Edenton shots
