

### Edenton Lions Buy Glasses For Needy Families In County

### Assistance Result of Easter Seal Sale and Variety Show Sponsored By Club

In connection with its work with persons who have sight difficulties, the Edenton Lions recently financed the purchase of glasses for 23 needy local people. This work was done in cooperation with the North Carolina State Commission for the Blind and the Chowan County Welfare Department. The three adults and twenty children were from low income families and were unable to pay for their eye care.

Ernest Ward, Jr., chairman of the Easter Seal drive, pointed out that this work is financed by the Easter Seal and other drives, such as the Variety Show. He stressed that persons who donate to the Easter Seal campaign should derive great personal satisfaction from knowing that their contribution had helped some person who is handicapped. Often this assistance enables the child to achieve better grades in school, or the adult to find and hold a job.

### Governor Proclaims May As "See North Carolina Month"

Governor Luther H. Hodges has proclaimed May as "See North Carolina Month."

In his proclamation the Governor states that "See North Carolina Month" is dedicated to the wider use and greater enjoyment by North Carolinians of their own unequalled vacation attractions, both during this month and throughout the year.

Originating at such far flung points as Manteo on the seacoast and Murphy in the mountains, seven different units of caravan will travel across North Carolina today (Thursday). Additional floats, automobile and personnel will join the caravans as they proceed to Raleigh by major highways.

At 9 A. M. Friday all vehicles in the caravans will assemble at Raleigh's municipal auditorium for a parade up Fayetteville Street to Capitol Square.

Mrs. Sara Hurdle Everett, assistant manager of the Carolinian at Nags Head, has been selected to portray Queen Elizabeth in the caravan. She will wear the original costume which is worn each summer by the Queen in the Lost Colony, the symphonic drama shown at Fort Raleigh on Roanoke Island each summer. Mrs. Everett, who is a native of Edenton and the daughter of Mrs. R. W. Hurdle, is also the president of the Manteo Woman's Club, and is active in organizations both on the beach and in Manteo.

"The second point will be a substantiation of the economy of the new Chevies. Recently, in unbiased tests by the National Association for Stock Car Research, Chevrolet was proven to give better mileage than its two leading competitors. The record we make here is expected to show that the certificates of championship issued by NASCAR can be supported by the experience of the average driver."
