# SEE YOUR QUALITY BUICK DEALER...AND Get inside the clean winged beauty of Buick '59

Watch Dale Robertson in Tales of Wells Fargo on NBC-TV Monday Nights

Along with the most talked about style on the road today goes performance new even to owners of previous Buicks... and too great for you to miss.

Buick '59 is livelier yet smoother, more powerful yet thrifter, as any previous Buick owner will tell you. And credit goes to the turbine smoothness of Buick transmissions, plus the new responsiveness of Buick "Wildcat" engines.

At the wheel, too, you'll find new handling ease and finned-brake sureness that owners put high on

their "most liked" list.

But that's far from all these owners tell us. They talk about new operating economy from the most efficient power plant on the road today. About quality of finish and detail, and of quietness that even beats the best of Buick heretofore. They speak of reliability... and they speak of the pure pleasure of owning a Buick '59... in ways that warm the heart.

But the best spokesman for Buick '59—and what it can do for you—is a Buick itself. Why not go to your Buick dealer and get the inside story, today?
