Service to farms is our specialty...

# WITH TEXACO **PRODUCTS**

We'd like to include you in our list of farmers who are satisfied users of Texaco products. They're satisfied for two reasons:

1. They like our dependable, neighborly deliveries. We deliver when you want it.

2. They've found it pays to farm with Texaco products. That goes for farmers in all 48 states, too - not just this area. Highest quality Texaco products protect your farm equipment against costly repair bills due to inferior lubricants and, also, prolong the life of your truck, tractor and other field machinery.

Why not sample our service and Texaco products - you've nothing to lose and lots to gain. Drop in for details, or phone us-we'll be happy to serve you,

H. CONGER

it is heartening to see that the Senate's repudiation of Part III in 1957 has sobered the thinking of the country. Not even the Administration wants old Part III now-a complete reversal of its

It is well to remember that these piece-meal victories, com-ing after long hours of hearings, study, and debate, are not only victories for the South; they are Stabilization and Conservation victories for the preservation of Committee, a favorable vote will reason and Constitutional princiset the support rate at 75 per or 12.3 per cent above the 324,000

committee and later the full com- parity. disclosed by a meticulous course of action based on common sense and reason. As a consequence the bill was shorn of its harsher provisions. One of the leading newspapers of the country said that in talking on the Civil Rights Bill, the Senate has used its ancient privilege to clear up obscure issues. Debate in the Senate can again serve to develop the dangers in the bills now be-

South & Minority

As I have said repeatedly, the South is a minority in the Senate and the House; we do not have the votes to deny the will of Congress. The one thing on abiding conviction of the soundness of our precepts and we take our task seriously in the battle for sound principles. The only way we can reach the ears of our colleagues and the country is by meaningful and meritorious debate to show that we are at-

Favorable Vote Will Set Support Rate at 75% of Parity

referendum of wheat farmers scheduled for July 23 will be the parity level at which the crop will be supported for complying farmers. According to H. D. Godfrey, state administrative officer for the Agricultural

mittee, I hope that reason will The wheat allotment for pects in most areas of the Coasprevail against those who seek to North Carolina for 1960 is 295, tal Plains were very favorable on impose the harsh measures. 879 acres. This compares with While there is not great national our state's wheat allotment for attention focused on so-called this year of 296,346 acres and is civil rights bills at the moment, based on a national allotment interest will develop as time goes of 55 million acres. The same on this summer. I want the peo- 55 million acre allotment preple of North Carolina and Nation vailed this year since that is the to be informed of developments. minimum fixed by law. The It is a good thing that the so-slight decrease in the allotment called civil rights bills evoke long for this year is brought about national debate; the great debate by reduced planting trends in of 1957 vividly disclosed that the this state. The 295,879 acre alpeople of the country, the Presi- lotment to this state compares dent, the press, the majority of with 10,636,275 acre allotment Congress did not know what was for the state of Kansas and a in the bill until its dangers were 30,000 acre allotment for the

In discussing the issues at seven late sprin matted at 1,122,0 Godfrey says that in addition to gainst marketing quotas and over-planting penalties. How-ever, he stressed the fact that acreage allotment will remain come of the referendum, and planting within these allotments will still be a requirement for eligibility under the price sup-port program and the Soil Bank
