

### 4-H Club News

By Catherine Aman, Assistant Home Economics Agent

Have you ever been in the midst of 1,400 4-H'ers, all clad in the traditional green and white uniforms for a week? And have you ever attended an anniversary party which had over 1,400 invited guests? Chowan County delegates to State 4-H Club Week can truthfully answer "yes" to both questions.

State 4-H Club Week was held on the State College Campus July 20-25. Four-H'ers attending from Chowan County included Judy Haste, Johnny Winborne, Joe Nixon, Leon Evans, and Bryant White. C. W. Overman, agricultural agent and Miss Catherine Aman, assistant home economics agent, accompanied the boys and girls to Raleigh last week. A delegation from Chowan County was in attendance for some of the programs on Thursday. Those going for one day included: Mrs. C. W. Overman, Scott Ober, Mrs. Paul Ober, Mrs. W. H. Winborne, Mrs. Everett Haste, Mrs. Percy Nixon, Mrs. Martin Evans, Judy Evans and Mrs. Roland Evans.

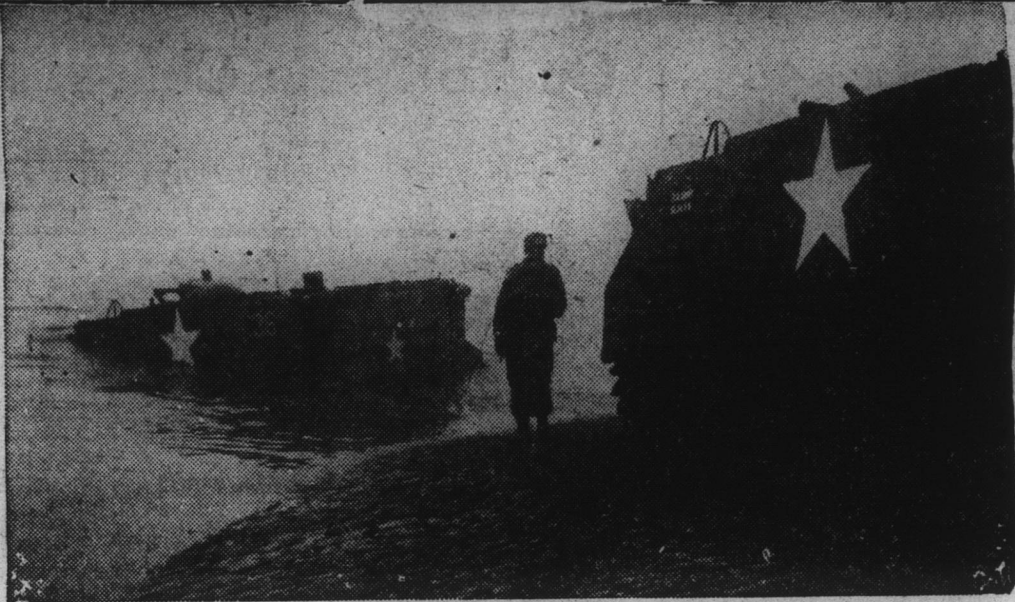

Many interesting programs were held throughout the week. Some of the special morning classes included "Look at Yourself", which was taught by Mrs. Billie Cook, instructor at the Nancy Taylor Charm and Modeling School in Raleigh. Mrs. Cook's instructions began with a film from the Nancy Taylor course. This showed the correct way to sit, stand, walk, enter, and leave a room. Four-H'ers then demonstrated the film. They were also shown the way to make correct introductions and proper table manners. Mrs. Cook also emphasized the part that cleanliness and proper diet play in having an attractive complexion. The lecture was ended with a question and answer period.

Sgt. E. W. Jones, State Highway Patrolman, instructed a highway safety class on "4-H Senses a Need". John H. Harris, horticulture specialist for the North Carolina Agricultural Extension Service, taught a class entitled "Beautifying Your Home Grounds". "Career Opportunities in Agricultural and Home Economics" was taught by Dr. Naomi Albanese, dean of the School of Home Economics at Woman's College of the University of North Carolina.

Aside from these regular classes there were two special interest classes. Miss Bobbie Pritchard of the State Department of Public Instruction instructed a "special group of 4-H'ers in "4-H Song Leadership". And E. H. Regnier, Extension recreation specialist from Michigan State University, directed recreation activities throughout the week and also taught a class on "4-H Recreation Leadership".

On Monday night of last week some 1,400 4-H'ers and their guests took part in a gigantic birthday party in Reynolds Coliseum to top off the first day's activities of Club Week. The celebration marked the 50th year of 4-H Club work in North Carolina. An impressive ceremony was held prior to the birthday party. The program opened with a brief history of club work in the state written by L. R. Harrill, State 4-H Club Leader.

After this brief history the lights were turned out and the spotlight fell upon a beautiful

**AMPHIBIOUS INFANTRY**—Troops of the 8th Infantry Division in Europe aren't particularly bothered by such once-feared obstacles as rivers while on field exercises. They just "button up" in their armored personnel carriers and keep right on going, snug and dry.

five-tier birthday cake symbolizing the foundation of corn and tomato clubs, beginning of 4-H, and the future of club work.

For the first time in the history of Club Week, adult leaders attended the week's activities. Over 25 leaders from over the state received a free trip as a reward for outstanding work with county groups over a long period. Each afternoon various demonstrations were held, with 4-H members from each of the six districts competing for state honors. Four Chowan County boys participated in two demonstrations — Johnny Winborne and Scott Ober in the Wildlife, and Leon Evans and Joe Nixon in Forestry. Although these boys did not copy any of the top state honors, they were certainly winners in the fact that they gave very good demonstrations and that they certainly gained much experience from this activity.

Each evening assembly presented varied programs — from the tapping of new Honor Club members, which is the highest honor that can come to a 4-H member, to the dress revue and health pageant. During each evening program a county 4-H group was in charge of the vespers program. It was during this time that the 4-H'ers as they sat in hushed reverence, had time to evaluate themselves.

I could go on and on about the many experiences gathered during 4-H Club Week, but I urge you to ask the boys and girls who represented Chowan County and you about their trip and about what they learned the past week. Invest in the youth of today and let them know you are interested in their "doings" — for the youth of today is the only hope the world has.

#### IN SUMMER SCHOOL

Rupert Williams, son of Mr. and Mrs. O. J. Williams of Edenton, is now enrolled in summer school at the University of New Mexico in Albuquerque. Nearly 2,000 students are attending classes, workshops, and clinics. Many are teachers returning for in-service training.

Williams is a senior majoring in history. He is a member of the Baptist Student Union.

#### REVIVAL IN PROGRESS

Revival services are in progress this week at the Whiteville Grove Baptist Church at Belvidere and will close Saturday night, August 8. The Rev. Bryan W. Holloman, pastor of the Bethel Baptist Church is the guest evangelist. Services begin each night at 8 o'clock.

#### BOND ORDER AUTHORIZING THE ISSUANCE OF \$60,000 SCHOOL BONDS OF THE COUNTY OF CHOWAN.

Whereas, the County Board of Education of the County of Chowan and the Edenton City Board of Education have determined that it is necessary to provide additional school plant facilities hereinafter described, so that the public schools in the County of Chowan may be maintained, as a part of the system of public schools of the State of North Carolina, for the nine months' school term required by law, and that it will be necessary to expend for such school plant facilities sums amounting in the aggregate to more than \$60,000, in addition to other monies available therefor; now, therefore,

Be it ordered by the Board of Commissioners of the County of Chowan, as follows:

Section 1. The Board of Commissioners of the County of Chowan has ascertained and hereby determines that it is necessary to erect and equip in the Chowan County School Administrative Unit an addition to the existing building used for the White Oak School, and to erect and equip in the Edenton City School Administrative Unit an addition to an existing building used as an elementary school, in order to enable the County of Chowan, as an administrative agency of the public school system of the State of North Carolina, to maintain public schools in the Chowan County School Administrative Unit and in the Edenton City School Administrative Unit for the nine months' school term prescribed by law, and that it will be necessary to expend for such purposes not less than \$60,000, in addition to other monies which have been made available therefor.

Section 2. Bonds of the County of Chowan are hereby authorized and shall be issued pursuant to the County Finance Act of North Carolina to erect and equip such additions to said school buildings. The maximum aggregate amount of said bonds shall be \$60,000. Of the monies raised by the issuance of said bonds, \$40,000 shall be expended for said addition to the existing school building used for the

White Oak School in the Chowan County School Administrative Unit and \$20,000 shall be expended for said addition to the existing building in the Edenton City School Administrative Unit used as an elementary school.

Section 3. A tax sufficient to pay the principal of and interest on said bonds when due shall be annually levied and collected.

Section 4. A statement of the county debt of the County of Chowan has been filed with the Clerk of the Board of Commissioners of said county and is open to public inspection.

Section 5. No debt shall be contracted during any fiscal year by the issuance of bonds pursuant to this bond order if the amount of such debt and of all other debt contracted during such fiscal year shall exceed two-thirds of the amount by which the outstanding indebtedness of said county shall have been reduced during the next preceding fiscal year, unless the incurring of such debt shall be submitted to a vote of the people of said county and shall be approved by a majority of those who vote thereon.

Section 6. This bond order shall take effect thirty days after its first publication after final passage, unless, in the meantime, a petition for its submission to the voters is filed under the County Finance Act, and in such event, it shall take effect when approved by the voters of said county at an election as provided in said Act.

The foregoing bond order has been introduced and a sworn statement has been filed under the County Finance Act, showing the assessed valuation of the county to be \$20,000,000, and the net debt for school purposes, including the proposed bonds, to be \$363,300. A tax will be levied for the payment of the proposed bonds and interest, if the same shall be issued. Any citizen or taxpayer may protest against the issuance of such bonds at a meeting of the Board of Commissioners to be held at the regular meeting place of said Board in the County Court House in Edenton, North Carolina, at 9:00 o'clock A. M., on the 4th day of September, 1959, or an adjournment thereof.

BERTHA B. BUNCH, Clerk of Board of Commissioners of Chowan County. July 23, 30, Aug 6, 13
