PAGE TWO\_SECTION ONE

Washington, D. C .-- Industry's legislative program fared extraordinary well during the first session of the 86th Congress.

This can only be described as amazing, in view of the fact that at the beginning of the session last January union bosses claimed the allegiance of a majority of the members.

What Congress Accomplished Yet this Congress-which Convened after the 1958 New Deal landslide election-did the following:

step in the right direction.

2. Resisted multi-billion-dollar Dealers and produced what priations for federal subsidies for anced budget for the current fis- enacted), for aid to depressed cal year ending next June 30.

3. Failed to pass a number of tion (which were not enacted). anti-business bills strongly urged by New Dealers, including: 1. 11, to destroy the "good faith" defense to price discrimi-

nation charges. S. 442, to require advance notice to federal agencies of corporate mergers.

S. 215, to require corporation:

S. 716, to authorize the United This serves to shorten the dis- fort to learn each student so the school should stop by the ing an automobile wreck. States Attorney General to com- tance to the statute books. pel the production of documentary evidence desired for antitrust investigations.

Reasons For Conservatism

Reasons for the favorable out-While there was no action on come, despite some setbacks, are tax reform legislation during fairly obvious. They include: this year's session, hearings were 1. Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

## THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside-the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design —with so much that's new and different the other ones can only hope to come close. It's the superlative '60 Chev-rolet—with new space in-side, new spirit under the

Out on the road, as Chevy's Full Coil tide will persuade you most gently, there's not of this one. And dding to your se ilence and solidi

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the trans-mission tunnel. Quiet, quick-responding power is provided by a choice of two standard en-trans-the trans-mission tunnel.
