CHOWAN NEWS

By HARRY VENTERS
Assistant County Agent

Officers have been elected at the school 4-H Clubs this month, with the exception of the Edenton Elementary School, which will not meet until after press time this week.

Richard White was elected president of the Chowan Senior 4-H Club. Richard has been an active 4-H'er for several years. Judy Haste was elected vice president of this club. She is also one of the outstanding Chowan County 4-H'ers. Other officers include Joey Asbell, secretary-treasurer; Muriel Bateman, song leader, and Frances Smithson and Jimmy Ward, reporters. The program committee consists of Judy Haste, chairman; Roy Nixon, Emmett Jones, Jr., and Christine White.

The Chowan Intermediate 4-H Club elected Dennis Hare, president; Sarah Elliott, vice president; Sandra Harrell, secretary-treasurer; Elane Hobbs and Lewis Evans, song leaders, and Linda Byrum and Danny Long, reporters. The program committee consists of Sarah Elliott, chairman; Joyce Bass, Arlyn Bunch and Gene Harrell.

The Chowan Junior 4-H Club has also elected their officers. They are Linda Goodwin, president; Robbie Boyce, vice president; Nancy Bass, secretary-treasurer; Glenda Bunch and Donald Bunch, song leaders, and Margaret Tynch and Robert Bulls, reporters. The program committee consists of Robbie Boyce, chairman, Gloria Byrum, Belinda Perry and Al Asbell.

Officers of the John A. Holmes Senior 4-H and the Edenton Junior and Intermediate 4-H Clubs will be announced later.

Officers of the 4-H Clubs are automatically members of the 4-H County Council. It is their duty to attend the monthly County Council meetings and represent their club. This is perhaps the most important responsibility that these boys and girls have assumed. The 4-H

County Council is the group that plans the 4-H program in the County. They are responsible to plan many special activities such as the 4-H Achievement Program which will be coming up soon, 4-H Church Sunday, set 4-H Camp-dates, and many other things. I hope that the parents of these boys and girls will cooperate to the extent of seeing that their children have transportation to all County Council meetings.

The first County Council meeting will be held tonight (Thursday) at the Chowan Community Building. County Council officers will be elected and the 4-H Achievement program must be planned. I hope that all 4-H officers will be present to represent their clubs.

Robert B. Smith, Jr. Has Been Appointed Census Crew Leader

Appointment of Robert B. Smith, Jr., as a crew leader for the 1959 census of agriculture, has been announced by Field Director Joseph R. Norwood of the Census Bureau's regional office in Charlotte.

Mr. Smith will direct a force of census takers who will canvass all farms in Chowan and Gates counties. Before assuming his post, he will go to Williamston, where he will receive five days of training by a member of the Census Bureau's staff. Topics to be covered include procedures or recruiting of census takers, census taker training, canvassing methods, preparation and submission of reports and the supervision of census takers to insure a complete and accurate count.

The crew leader is one of the

key people in the field operations of the Census of Agriculture. It is his responsibility to recruit and train the census takers and supervise their work; plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to conduct

difficult interviews. After completing his training, Mr. Smith will return to his district, where he will spend several

weeks recruiting census takers and training them in preparation for the start of the field canvass on November 18.
