

Edenton Teams Easily Defeat Sunbury On Local Court Friday

By BILL GOODWIN

Beverly Morgan followed with 17, Mary Anne Overton added 1, Frances Swain 8, and Carol Phipps and Nettie Lassiter 2 each. Cuthrell paced Sunbury with 22 markers, which proved to be the high for the night.

The Aces turned ice cold in the opening minutes and fell behind 19-10 after the first quarter. At this point Johnny Phillips and Bryant Griffin teamed up to lead a 23-point second period storm that put the locals out in front 33-27 at intermission.

The Aces made a runaway out of the contest in the third quarter, getting 22 points to the visitors' 7. The Edenton reserves played the whole fourth period.

Fred Britton took honors for the Aces, bagging 15 points. Jerry Tolley and Phillips were close behind with 14 each, and Griffin also hit in double figures with 11. Herbert Adams got 6 and Ray Ward and Bill Goodwin chipped in with 3 each. Hoffer had 14 for Sunbury.

The Aces had little trouble in their contest, moving out in front 16-6 at the first quarter and 35-14 at the half. The third and fourth periods were not much different as the Edenton reserves polished off the victory.

Sara Relfe Smith collected 21 points in leading the Aces.

Frankly Speaking

By Frank Roberts

First thing I want to do is say thanks. Thanks to one Miss Hailey of Edenton for her kind words over the phone regarding our new music policy; thanks to Mrs. W.B. Chesson of Roper for a very wonderful letter. Human nature being what it is, criticism always seems to come quicker than praise. For that reason, we at WCDJ are even more grateful to the many folks who've commented favorably on our new music policy. We've been reviving the big band sound; spotlighting top jazz musicians; quality novelties; featuring the best vocalists; offering the cream of the crop from Broadway and Hollywood. Anyway, glad the large majority of our listeners approve and this is by way of a public thank-you for your acceptance. On the subject of radio, we often receive audition tapes from all over the country from aspiring announcers. We also get many from many of the radio schools. Well, about two weeks ago we received some auditions

from people who are graduates of a Chicago radio school. This school was bragging about how good they were. They were bragging about Tom Bosley being a graduate of their school. Mr. Bosley is Broadway's biggest new star, playing the lead role in the production of "Fiorello." Anyway, about a week after receiving that literature from that particular school, I was reading an interview on Tom Bosley, who mentioned that he went to a radio school in Chicago, but they were just after his money, and taught him nothing. This is true in many cases. Radio schools are a big business nowadays, but if there's an aspiring radio or television man or woman in the crowd, be sure to check and double-check the school you go to. Still on the subject, hope you get to hear "Carolina," our newest teenage jockey. Completely natural behind the microphone. She did her very first radio show with us a couple of weeks ago and sounded like a veteran at the mike with her presentation. And for those who think show-biz is all gravy, the recent Jack Paar, NBC hassle should prove otherwise. Here's a guy who's on top, making a mint, but even

that wasn't enough to compensate for all of the junk you have to put up with from people who know less than you do, but just happen to be in a position of questionable authority. I'm definitely not speaking of my own situation in Edenton, as the reverse is true. At WCDJ I've always been given a chance with my ideas and thoughts, and working for and with Dick Schuman has been one of the most pleasant things that's happened to me in this sometimes weird business.

The sit-down strikes continue. In southern North Carolina a Negro minister chided the Negroes taking part in the demonstrations, while a white minister praised the demonstrators. That leads us, quite naturally, into the closing thought. It's Psalm 133-1: "Behold, how good and how pleasant it is for brethren to dwell together in unity."

CHRISTIAN SCIENCE
Man's God-given ability to think and act rightly will be emphasized Sunday at Christian Science services.

Scriptural readings in the Lesson-Sermon entitled "Mind" will include these verses from Proverbs (16:1, 3): "The preparations of the heart in man, and the answer of the tongue, is from the Lord. . . Commit thy works unto the Lord, and thy thoughts shall be established."

Correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "The human capacities are enlarged and perfected in proportion as humanity gains the true conception of man and God" (258:21).

The Golden Text is from Romans (12:2): "Be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God."

Funeral Held For Mrs. Lula M. Belch
Mrs. Lula Morgan Belch, 84, died Wednesday morning of last week at 6:30 o'clock in Chowan Hospital after an illness of five weeks. A native of Chowan County, she was the widow of the late Z. A. Belch, a prominent farmer.

Surviving are three sons, J. W. Belch of Raleigh, Cecil J. Belch of Mackeys and Albert Belch of Hertford; three daughters, Mrs. Frank Wright of Nor-

folk, Mrs. Charlie Early of Raleigh and Mrs. Willard Pettengill of Portsmouth; a brother, Archie Morgan of Barrellsville; a sister, Mrs. Johnny Miller of Williamston; 36 grandchildren, 26 great grandchildren and one great great grandchild.

She was a member of the Colerain Baptist Church, where funeral services were held Friday afternoon at 2:30 o'clock. The pastor, the Rev. P. T. Worrell, officiated and burial was in Beaver Hill Cemetery in Edenton.
