

## Lives Of Two Hertford Girls Snuffed Out In Auto Accident

The entire Albemarle section was shocked Saturday morning when it was learned that two 17-year-old Hertford girls were killed and two young men miraculously escaped death in an automobile accident just a short distance north of the "Y" on U. S. 17.

The girls who lost their lives were Julie Anne Lane and Joyce Faye Owens, both popular members of the junior class at the Perquimans High School. Miss Lane was the daughter of Mr. and Mrs. John Thomas Lane and Miss Owens was the daughter of Mr. and Mrs. Marshall R. Owens.

Miss Owens was killed almost instantly and Miss Lane died a few hours after being taken to Chowan Hospital.

The two boys who escaped death were Jerry Taylor and Robert White. Taylor, driver of the car, was severely injured, while Robert White escaped with a few cuts and bruises about the head, but was in a bad state of shock for a few days.

The accident occurred when a new Ford driven by Taylor rammed into the rear of a trailer-truck driven by Vernon Burnette of Elizabeth City. The Ford was totally demolished so that it was more or less of a miracle that any of the occupants escaped death. According to some people at the scene of the accident, it was foggy at intervals.

The quartet had attended the Junior-Senior Prom at Perquimans High School, after which they changed clothes to attend a wiener roast at Sandy Point Beach. It was while returning from the beach about 2:30 o'clock when the accident occurred.

Young Taylor is making satisfactory progress at Chowan Hospital, but Robert White was released after treatment for cuts and bruises. He is the son of Mrs. Edith Bufflap and was a very popular athlete at John A. Holmes High School. He graduated with the class of 1958 and was outstanding as a football player.

Double funeral services for the two girls were held in the Hertford Methodist Church Monday afternoon when the church was filled to capacity long before

the service hour. Friends overflowed the church lawn and many stood on the two streets in front of the church. Hertford stores closed their doors during the funeral in tribute to the victims of the wreck. The Rev. J. A. Auman officiated and burial was in a double grave in Cedarwood Cemetery at Hertford.

State Patrolman David O. Williams of Edenton, who investigated the accident, has charged Taylor with manslaughter, exceeding a safe speed and following too closely behind another vehicle.

## ASC Measurements Now Being Planned

Over a million acres of North Carolina cropland planted to tobacco, peanuts, cotton and wheat, will be measured within the next two months, says W. E. Matthews, chairman of the State Agricultural Stabilization and Conservation Committee.

A major part of the acreage allotment and marketing quota program is the measuring of these acres after planting and prior to harvest. These allotment programs are in effect as a result of approval by farmers in referendums held to determine if such allotments would be in effect. This measuring is accomplished in the flue-cured tobacco, peanut and cotton areas by visiting the farm and determining where allotment crops are planted and plotting and measuring the acreage through the use of aerial photographs.

Matthews reminds farmers that the ASC reporter who visits the farm to measure the acreage is out there to perform a service for them. He says that assisting in this measuring and designation of fields planted to allotment crops is definitely the responsibility of the farmer or his agent. He brings out, too, that it is greatly to the farmers' advantage to be here and assist in the measuring. By being present the producer will realize how the acreages are determined and he will be able to assure himself that the reporter has received correct information and has correctly plotted the fields on the aerial photograph.

Double funeral services for the two girls were held in the Hertford Methodist Church Monday afternoon when the church was filled to capacity long before

## Lunch Room Menu

Menus at the John A. Holmes High School lunch room for the week of May 2-6 will be as follows:

Monday: Italian spaghetti with meat balls, buttered corn, hot biscuits, milk, cheese slices, butter, chocolate block cake.

Tuesday: Meat loaf with rice and gravy, green string beans, butter, cookies, hot biscuits and milk.

Wednesday: Fish sticks, buttered potatoes, fruit jello, cole slaw, cornbread, milk and butter.

Thursday: Sliced ham, steamed cabbage, bread, milk, candied yams, gingerbread, butter.

Friday: Fried chicken, garden peas, milk, butter, potato salad, hot rolls, cookies.

## Plymouth Panthers Wallop Aces 11 To 4

By BILL GOODWIN

The Plymouth Panthers exploded for eight unearned runs in the second inning Tuesday afternoon in routing the Edenton Aces 11-4 in an Albemarle Conference baseball game played on Hicks Field. It was the sixth straight defeat for the Aces.

The Panthers used three hits, two wild pitches and five errors in wrapping up the game with nine runs in the second. They added two more in the fifth frame with a double, a single and a throw past third base on a pick-off play.

The Aces scored in the first, third and fourth innings. Dickie Cobb singled to open the first and stole second. He went to third when Shortstop Marion Allen tried unsuccessfully to trap him after picking up Jerry Tolley's grounder. Allen then dropped Zaekie Harrell's hot bouncer and Cobb scored.

Edenton got two in the third when Wayne Baker forced Harrell at second, stole second himself and raced home on Ray Ward's double to left field. Ward came home on Lloyd Lassiter's scratch single through shortstop.

The Aces finished their scoring in the fourth. Cobb led off with a walk and again stole second. He chalked up his second run of the day on Carroll Forehand's single to center.

Forehand, who struck out two, walked six and hit one batsman, was the loser. Bucky Johnson struck out six, walked one and hit three men on his way to victory. He was relieved in the sixth by Norman.

Plymouth had five hits. Cobb led the Aces' seven-hit attack with two singles and a triple in three official trips for a perfect day at the plate. Harrell made four of the Aces' seven errors.

## RETURNS FROM ANTARCTIC

James E. Hyman, ship's serviceman first class, returned to Norfolk, Va., April 27, aboard the attack cargo ship USS Arneb after participation in this year's "Operation Deep Freeze '60" in the Antarctic.

The trip home will bring to a close five months of operating under the control of the Antarctic Support Force, and a tour of duty that took the Arneb and her crew over 28,000 miles and through three oceans and three seas.

Designed mainly for resupply missions, the Arneb was credited with delivering over 6,000 tons of vitally required material to U. S. and New Zealand bases on the Antarctic Continent.

## Chosen For Lost Colony Part

In Manteo on Roanoke Island this week dancers and actors were auditioned for roles in The Lost Colony. With the great stage of Waterside Theater, where the Paul Green drama will begin its 20th season on June 25 this year, Choreographer Walter Stroud of Fredericksburg, Va., interviews Brenda Mooney of Edenton, who sought a dancing role in the show. Since she was a member of the cast last year with a good record, she got the part.—(Aycock Brown Photo).
