

Frances Winslow Weds Willis Byrum Ceremony Performed In Baptist Church Sunday, June 12

Mr. and Mrs. Thomas Exum Winslow announce the marriage of their daughter, Miss Frances Enola Winslow to Willis Ray Byrum, son of Mr. and Mrs. Eli T. Byrum.

The wedding took place Sunday, June 12, at 4 o'clock in the Edenton Baptist Church in the presence of relatives and close friends. The Rev. R. N. Carroll officiated.

A program of wedding music was presented by Earl Harrell, organist.

The bride and bridegroom entered the church together in the traditional Wedding March. The bride wore a dress of dior blue French lace made over taffeta. It was a sheath styled dress with short sleeves and scooped neckline that dipped to a V-shape in the back. Full sheared side panels were added to the skirt to give it the bouffant effect. Her headpiece of matching color was a sweetheart hat with a shoulder-length blusher. She carried a white Bible on which an arrangement of pink cymbidium orchids, sweetheart roses, carnations and stephanotis was placed.

Mrs. Arthur Stephens of Jacksonville, N. C., was her sister's only attendant. She was attired in a sheath dress of dusty pink with a wide satin cummerbund and a half hat of matching color. She carried a bouquet of pink roses, blue delphinium and pink carnations.

Alvin Byrum of Carrsville, Va., was his brother's best man. Ushers were Edwin Byrum of Carrsville, Va.; Donald Bartel of Rockville, Md.; Guy Russell Byrum and Wilbur Ray Bunch of

Edenton. The bride's mother wore a dress of lodan green lace and a shoulder corsage of yellow cymbidium orchid. Miss Mattie Byrum, oldest sister of the bridegroom, acted as his mother in her absence. She was dressed in a powdered blue dress with a shoulder corsage of Hollywood carnations.

For her going away dress the bride wore a light blue all-over embroidered ensemble with white accessories and an orchid lifted from her bouquet.

Following the ceremony the couple received in the church vestibule.

After a wedding trip to Myrtle Beach, S. C., the couple will be at home in Edenton.

Mistress of ceremonies was Mrs. Percy Smith.

Friday afternoon Mrs. Charlie Vann, Mrs. William Bagley and Mrs. Carroll Privott entertained at a tea for the bride at the home of Mrs. Privott.

Saturday evening Mrs. Henry Cuthrell was hostess at a pre-rehearsal dinner for the bridal party at the Edenton Restaurant.

Following the rehearsal Mrs. Arthur Stephens and Mrs. Donald Bartel entertained for their sister at a rehearsal party, also at the Edenton Restaurant.

Sunday Mr. and Mrs. Eli T. Byrum entertained the wedding party, members of the families and out-of-town guests at a luncheon.

McLAUGHLIN PROMOTED
Friends will be delighted to learn that Jerry McLaughlin, stationed at Shaw Air Force Base in South Carolina, has been promoted. McLaughlin has been promoted from Airman Third Class to Airman Second Class.

ROTARIANS MEET TODAY
Edenton Rotarians will meet this (Thursday) afternoon at 1 o'clock at the Edenton Restaurant. The program will be in charge of H. A. Campen and President Jimmy Earnhardt urge every Rotarian to be present.

Town Councilmen Consider Assessment

Continued from Page 1, Section 1
make a further study and familiarize themselves with the program which will be considered later.

Joe Stone appeared at the meeting to register a complaint relative to construction of a sewer line to the industrial site.

Present plans call for the line to continue in front of the Colonial Motor Court, recently acquired by Mr. Stone which he claims will greatly interfere with his business which he is now trying to develop. He asked if the line could not cross the highway at a point further south so that it will not prevent tourists and restaurant customers from stopping at his place.

The Board of Public Works previously rejected the suggestion on the basis that it would be too expensive. Mr. Stone stated that the only extra expense would be for another manhole costing about \$650 and that he would agree to pay half of that cost.

The Councilmen were in sympathy with Mr. Stone's request in that everything possible should be done to help business but they realized they have no jurisdiction in the operation of the Board of Public Works. However, it was decided to meet with the Board of Public Works Wednesday at noon to see if anything can be worked out to help Mr. Stone.

A resolution was passed accepting the assessment role for street paving on Albania Street.

The Councilmen also considered what is to be done with the Willis warehouse, recently purchased by the town. It is generally agreed that the warehouse will eventually be torn down, but for the present it will be rented if anyone desires to do so. Any interested party is requested to contact George A. Byrum, chairman of the Finance Committee.

R. E. Aiken was awarded a contract to audit the town's books at a cost of \$250.

Coastland Oil Company was awarded the contract to furnish the town kerosene and fuel oil and the gasoline and automobile products contract was divided six months each to Bridge Turn Service Station and Bunch's Gulf Service Station.

The Councilmen accepted a bid of \$500 for an old motor grader. The bid was submitted by William R. Chappell of Windsor.

Appropriations for the District

Mental Health Clinic and for a supervisor at the colored playground were also considered but no definite decision was reached.

A feature of the meeting was a "birthday party" with William Cozart taking the role of toastmaster. Mr. Cozart interrupted a discussion to say that he had an important matter to present.

He then went on to say that Wednesday Mayor John Mitchener will be 46 years old. A beautiful birthday cake lighted with candles was presented to the mayor by Sgt. Leo Lavoie.

The group sang "Happy Birthday," after which the mayor cut the cake and the meeting was held up for refreshments.

Mayor Mitchener was much surprised and said he appreciated the cooperation of his fellow Councilmen and that it has been a distinct pleasure on his birthday anniversary to round out his first year as mayor of Edenton.

Mayor Mitchener before adjournment called a special meeting for Thursday night, June 23, when the 1966-67 budget will be considered.

Woodland Field Day Scheduled On July 1

Plans have been completed for the Woodland Field Day, July 1, sponsored by the Chowan Unit, Albemarle Soil Conservation District.

L. C. Bunch, chairman of the district, met with representatives of the N. C. Extension Service, N. C. Forest Service, and Soil Conservation Service last Wednesday, June 8. Other agricultural agencies were invited but were unable to attend. They will take part in the program.

The district supervisors feel that the most neglected of natural resources is farm woodland.

In North Carolina, over 50 per cent of the total farm area is woodland. This woodland provides less than 6 per cent of the state's total farm income.

In the Albemarle Soil Conservation District between 55 and 60 per cent of the area is in woodland. Income from these woodland acres is very low with many acres completely cut-over and in hardwood brush.

"These are the acres we want back into production," says L. C. Bunch.

MRS LILES BREAKS HIP

Friends of Mrs. D. B. Liles will regret to learn that she recently had the misfortune to fall at her home on Broad Street and as a result a hip was broken.

Mrs. Liles is now a patient in Albemarle Hospital at Elizabeth City, where she is progressing as well as can be expected.

Legal Notice

State of North Carolina
State Stream Sanitation Committee
State Department of Water Resources
Raleigh, North Carolina
LEGAL NOTICE

Notice is hereby given, pursuant to Section 143-215, General Statutes of North Carolina, that a public hearing concerning pollution of the waters of the Pasquotank River Basin and the assignment of classifications to said waters will be held in the Federal Courtroom, second floor, U. S. Post Office Building, located on Main Street, Elizabeth City, North Carolina, beginning at 10:00 A. M., EST, Friday, July 15, 1966.

The waters to be considered for classification during this hearing include Albemarle

Sound, North River, Pasquotank River, (Big) Flatty Creek, Little River, Perquimans River, Yeopim River, Kendrick Creek, Scuppernon River, Alligator River, Croatan Sound, Roanoke Sound, Pamlico Sound north of a line extending from Sandy Point to the northeast tip of Ocracoke Island, and all of their tributaries within the State of North Carolina comprising the Pasquotank River Basin. These waters border on or flow through the counties of Camden, Chowan, Currituck, Dare, Gates, Hyde, Pasquotank, Perquimans, Tyrrell and Washington.

All persons interested in the classification of the waters in the

district are invited to attend and take part in the discussion. Persons desiring to be heard should give notice thereof in writing to the committee on or before the date of the hearing. It is requested that, insofar as possible, any person desirous of offering lengthy comments and discussion in regard to the proposed classification of the streams be prepared at the public hearing to offer a written statement to be included in the record of proceedings.

Additional information and copies of the proposed classifications are available in the office of the Division of Stream Sanitation and Hydrology, State Department of Water Resources, Raleigh, and may be obtained upon request.

STATE STREAM SANITATION COMMITTEE.
E. C. Hubbard, Secretary.
