

Marrred In Littleton

MRS. DOUGLAS PERRY LEARY

In the Ebenezer Methodist Church, Route 2, Littleton, N. C., at 4 o'clock Sunday afternoon, June 19, Miss Rebecca Ann Warren, daughter of Mr. and Mrs. Frank Warren of Route 2, Littleton, became the bride of Douglas Perry Leary, son of Mrs. Herbert Lee Leary of Tyner and the late Mr. Leary.

The Rev. William F. Medlin, pastor, officiated at the double ring ceremony. Mrs. John H. Newell of Henderson, N. C., organist, and Mrs. Marvin White of Hobbsville, soloist, presented wedding music.

Vows were spoken before basket arrangements of yellow mixed summer flowers, flanked with spiral candelabras and palms.

The bride, given in marriage by her father, wore a wedding gown of chantilly lace over taffeta. The fitted bodice was designed with a scoop neckline accented by iridescent sequins and seed pearls, and long sleeves extending into tapered points at the hand. The skirt was fashioned with tiers of lace from the waistline in the back extending into a full chapel train.

Her fingertip veil of silk illusion was attached to a matching crown of pearls and sequins. She carried her Testament centered with white orchids and valley lilies.

Mrs. Andrew Thomas Neville of Enfield, N. C., was matron of honor. Bridesmaids were Mrs. Donald Warren, sister-in-law of the bride, and Miss Janet Harlow, cousin of the bride, both of Route 2, Littleton; Miss Betty Ralph of Corapeake, niece of the bridegroom, and Miss Eleanor Jones of Halifax.

They were dressed in street-length sheath dresses of mint green silk organza and Venice lace over taffeta, styled with a full sweep detachable overskirt. They wore matching circular veils attached to half-crown hats of silk organza petals trimmed in sprays of seed pearls. The matron of honor carried a cascade bouquet of yellow majestic daisies. The bridesmaids carried identical bouquets.

Mrs. John Branham was mistress of ceremonies. Lewis Leary of Edenton, brother of the bridegroom, served as best man. Ushers were Stuart Warren and Donald Warren, brothers of the bride, both of Route 2, Littleton; Bobby Ralph of Corapeake, nephew of the bridegroom, and Stuart Hollowell of Tyner.

Mrs. Warren chose for her daughter's wedding a street-length dress of powder blue silk linen and lace. Her matching hat was a clip half crown of silken leaf petals. She wore a corsage of lavender orchids.

The bridegroom's mother wore

a dress of capri blue trimmed in lace with matching accessories, and also wore a corsage of lavender orchids.

Following the ceremony a reception was held in the fellowship hall of the church.

The couple left later for a wedding trip to the western part of the state. For traveling the bride wore a mist blue sheath Thomat Cotton with a matching halo hat of horsehair and straw. Her corsage of white orchids was taken from her Testament.

The bride is a graduate of East Carolina College. She has taught one year at Holland High School, Holland, Va.

The bridegroom is a graduate of Chowan High School and East Carolina College. He served two years in the U. S. Army. At present he is associated with the Carolina Telephone and Telegraph Company.

20 YEARS AGO

Continued from Page 1, Section 1 which was sent to members of Congress in which it was stated that "the women of Edenton most heartily endorse the pronouncement of great President on June 10, 1940, that we should promptly give all possible aid to the allies now desperately fighting to uphold those ideals for which America stands and without which our lives would seem all in vain."

According to the report of the 1940 census, Chowan County showed an increase of only four farms since the 1930 census. There were 1,007 farms listed in 1940, compared with 1,027 in 1935 and 1,103 in 1930.

Edwin Bufflap were appointed on a committee to make an investigation. They learned that complaints were justified regarding the use of a shed on Water Street. They were instructed to secure figures for the project and report back to Town Council.

Little Activity For Firemen In May

Fire Chief W. J. Yates reports that only two false alarms in Edenton and one woods fire called out Edenton firemen during May. For the two false alarms the firemen were out one hour and an hour and five minutes for the woods fire.

The firemen were on the air 10 seconds in Edenton and 10 seconds out of town. They traveled four miles in Edenton and 22 miles out of town. For the out of town fire 300 feet of hose were laid.

For the Edenton alarms 38 volunteers responded and 20 out of town.

During the month the firemen held one drill, answered four still alarms and refilled two fire extinguishers.

"...the most vital issue..."

WILLIAM T. JOYNER SPEAKS OUT FOR SANFORD

In the first primary I did not plead the cause of any candidate. I gave some counsel to John Larkins.

In the second primary I expect to support and vote for Terry Sanford. These are my reasons.

For the past six years, two special committees, four attorneys general, and practically all of the State's legislators and administrative leaders have prepared and have worked for a North Carolina plan which would enable our public schools to stay open and to receive public support. The plan has worked. Not a school has been closed. Not a court order has directed a change of pupil assignment. Not a single dangerous emergency is now faced—except the Primary of June 25th.

I have lived in an atmosphere of devotion to public schools for more than half a century. I have studied the North Carolina special school problem for hundreds of hours since May 1954. I have worked for and lived with the North Carolina Plan. I have studied the speeches, and the acts of the two candidates for the Democratic nomination for Governor.

Colonel Joyner is one of North Carolina's leading attorneys and was keynote speaker at the last State Democratic Convention. Son of J. Y. Joyner, pioneer educational leader, Col. Joyner was a member of Governor Umstead's school study commission which helped originate the North Carolina plan for keeping our schools open—a plan which has withstood every court test.

1. That the continued operation of our public schools and the welfare of our State will be served best by the continuation of the North Carolina Plan under a Governor favorable to that Plan.

2. That interference with the operation of the Plan by act or by speech at the State level would dangerously incite the Federal Courts to move to take charge of pupil assignments over all of the State.

3. That Mr. Sanford will cooperate fully in the continued operation of the North Carolina Plan which works at the local level.

4. That Dr. Lake is not favorable to the whole North Carolina Plan and will seek to change its framework or to shape its operation, and that this will bring disaster.

I hold these carefully considered and strong opinions:

5. That the school issue facing the Democratic voters on June 25th is the most dangerous, the most vital issue which has ever arisen in a Democratic Gubernatorial Primary in North Carolina.

6. That the nomination of Terry Sanford will best assure the continuance of the peaceful operation of all of our public schools.

THOSE ARE THE REASONS WHY I SHALL VOTE FOR TERRY SANFORD.
