

Aces Win Opener Downing Camden Friday Night 38-0

Hopkins, Tolley, Forehand, Sexton Play Roles In Touchdown Parade

In a game featured by long runs and fumbles, Edenton Aces won their opening game of the 1960 football season Friday night on Hicks Field by trouncing the Camden Rebels 38-0.

The Rebels received to start the game and during the greater portion of the first quarter it appeared as though the Aces were in for a tough scrap. Three plays netted the visitors two first downs, when they lost the ball by a fumble. Both teams were afflicted with a case of fumblyitis with the ball changing hands several times. Late in the quarter, however, the Rebels kicked. Forehand fumbled the ball, picked it up as Rebel tacklers were swooping down upon him, reversed his field and with good blocking raced 80 yards for a touchdown. Hopkins, fullback, who had been sidelined during practice sessions due to injuries, was able to play and he scored the second touchdown from two yards out after Britton caught a pass from Forehand that carried to the 2 from the 31.

Shortly thereafter, when the Rebels were forced to punt, Forehand returned to his own 24 and on the next play Hopkins rammed through the line and raced 76 yards for the score. On this play he had superb blocking with Fred Britton taking out three Rebels who could have pulled Hopkins down. About midway of this quarter Tolley snagged a Camden pass and raced 4 yards before being tackled. Spivey picked up 6 and on the next play Tolley got loose and ran 44 yards for a touchdown. At this point Coach Billings sent in a group of reserves and no more scoring was made.

The third period went scoreless, but the Aces narrowly missed another touchdown when Jimmy White intercepted a pass and rambled 48 yards before he was caught from behind on the Camden 35.

Tolley made his second touchdown about midway the fourth quarter when he received a Camden punt and outran the Rebel tacklers for a 63-yard touchdown sprint.

The Aces' final touchdown was made by Douglas Sexton, a freshman, who cracked through the line from 8 yards out.

Aside from fumbling, the Aces looked very good in their first appearance. Considerable speed.

Mayo Well Pleased With Outlook At Local High School

Principal Is Proud of School and Those Interested In Making Improvements

Hiram Mayo, principal of the John A. Holmes High School, early this week expressed his pleasure with the prospects of a very successful school term and said he never worked with a more cooperative and appreciative group of teachers, school board members and students.

In a conversation this week with some of last year's graduates Mr. Mayo was able to compile the following facts and figures:

Twenty-eight per cent of the Edenton graduates are attending a four-year college or university. An additional 14 per cent are furthering their education by attending nursing, beautician and business schools. Twenty-four per cent are in military service and 34 per cent are engaged in work.

Four of the graduates received scholarships to attend college. Patricia Waff was awarded three scholarships of \$100 each. They were given by the Edenton PTA, Albemarle Schoolmasters Club and East Carolina College. Ida Smyer was awarded the Belk Foundation scholarship of \$500, and the Woman's College scholarship of \$300. Zackie Harrell received a 4-H scholarship for \$250 at State College and Edwin Byrum has a \$500 scholarship to Wake Forest College.

He did, however, collect a total of \$301.01 in delinquent taxes for the years 1950 to 1958. Up to his report delinquent taxes in Chowan County for the years 1950 to 1969 amount to \$69,028.67.

Aces Prepare For Roanoke Rapids

Second Game of Season on Hicks Field Friday Night

With their first victory of the season tucked under their belts, Edenton's Aces are this week getting ready to meet much stubborn opposition Friday night.

The Aces' second game will be with Roanoke Rapids, which will be played on Hicks Field Friday night at 8 o'clock. Coaches Bill Billings and Billy Hardison are busy this week trying to iron out the wrinkles which they observed in last week's game with the Camden Rebels.

The coaches, as well as the Aces, realize that Roanoke Rapids will offer stronger opposition, so that every effort is being made to get the Aces in tip-top shape for the fray.

Little is known about the strength of Roanoke Rapids, but the general opinion prevails that it will be a much stronger outfit than last year when the Aces won by a score of 25-6.

The band, majorettes and cheerleaders are also practicing in anticipation of providing first class entertainment for the large number of fans expected to attend the game.
