quarterback and with Britton on the receiving end should cause considerable trouble to future opponents by way of the air route.

The Aces scored their first touchdown early in the first quarter after the Jackets were forced to kick. Tolley returned to his own 33, from where they marked to pass dirt when Forehand passed to Britton when the ball was on the Jackets' 15. In the drive, including a 5-yard penalty, Hopkins lugged the leather 42 of the yards. Jimmy White's placement kick went wide.

The Aces scored two touchdowns in the second quarter. With the ball on the Edenton 23, Hopkins, Tolley and Spivey alternated and with a pass from Forehand to Britton good for 13 yards the ball was on the Jackets' 37. Hopkins then dashed through a hole in the line, switched to his right and was brought down just inside the goal line. Jimmy White's kick for the extra point went under the bar. The other touchdown came shortly thereafter when Forehand's kick rolled to the 4-yard line. The Jackets were forced to kick. Tolley fumbled but managed to return to the 50-yard line. On the next play Britton snagged a Forehand pass behind the Jacket defenders and scampered over the goal line. This time Jimmy White's kick went through the uprights.

The fourth touchdown was scored early in the third quarter when Hopkins returned a Jacket punt to the 49-yard. Hopkins picked up 9 yards and then Tolley spied a small hole, cut to his right and in a sensational piece of broken field running covered 40 yards, scoring before the Jackets could catch up with him.

The fifth and final touchdown of the game came shortly after the fourth. The Jackets returned Forehand's punt to their own 30. On the third place Jack Sawyer broke through to cause a 10-yard loss and the Jackets kicked with Forehand returning to the Roanoke Rapids 42. Hopkins picked up 6 and Dixon made it to the 31 for first down. After Spivey picked up 4 yards Tolley again wiggled through for 26 yards and the touchdown. Hopkins crashed through the line and scored the point standing up.

The Jackets scored their lone touchdown near the end of the second quarter. They returned Forehand's kick to their own 35. Two completed passes for short gains, a 10-yard sprint by Pruett, an Edenton penalty and short gains on three plays put the ball on the Aces' 34, from where Hevay passed 34 yards to Davis in the end zone. The kick for the extra point went wide.

First Quarter

Carroll Forehand kicked for the Aces to start the game with the ball rolling out on the Roanoke Rapids' 18-yard line, so that it was the Yellow Jackets' ball on their own 40. Two attempted passes were broken up. Story was held to 3 yards and

ended. Third Quarter Davis kicked and in a beautiful run Hopkins returned to the Jackets' 49. Hopkins picked up 9, after which Tolley found an opening, cut right and romped 40 yards for the fourth Aces' touchdown. Hopkins cracked the line for the extra point, putting the score at 26-6. Cooke returned Forehand's kick to his own 30. A pass was broken up. Pruett picked up 3 and Jack Sawyer and Jimmy White broke through to throw Cooke for a 10-yard loss, after which the visitors kicked, with Forehand returning to the Jackets' 42. Hopkins picked up 6 and Dixon made it to the 31 for a first down. Spivey picked up 4, after which Tolley again in a beautiful play wiggled his way through for a touchdown. Hopkins rammed through the line standing up for the extra point, putting the score at 33-6. Pruett returned Forehand's kick to the Jacket's 28. On the first play Pruett lost a yard and Cooke was thrown for a 7-yard loss. Pruett picked up and the Jackets kicked. Tolley fumbled but recovered on the Aces' 38 and the Aces were penalized 5 yards. Boots Lassiter picked up a yard and Wayne Ashley 3. Jimmy Dail fumbled and the Jackets recovered on the Aces' 42. In three plays the Jackets lost 4 yards and on fourth down Tolley intercepted a pass and reached the 40 before he was hauled down. Douglas Sexton pounded through the line for 5 and Ashley gained 2 as the quarter ended.

Second Quarter

Hopkins gained 5 and Dixon was stopped for no gain, after which Tolley found a hole and wiggled his way to the 40 for a first down. In two plays Hopkins picked up 4, after which Forehand connected with a pass to Britton good for 13 yards. Spivey picked up 6 and Hopkins was stopped for no gain. Tolley fumbled but recovered and added 2. Hopkins then bulled his way to the Jackets' 37 for a first down. On the next play Hopkins pushed aside the Jacket tacklers, found a hole and ran for the second touchdown. Jimmy White attempted kick again went wide, so that the Aces took a 12-0 lead. Forehand's low rolling kick was downed on the Jackets' 4-yard line. Pruett and Story were held a 8 yards, so that Roanoke Rapids kicked. Tolley fumbled the ball but recovered on the 50-yard stripe. On a beautiful pass play Britton snagged Forehand's pass behind the Jacket defenders and raced untouched for the third Edenton touchdown. This time Jimmy White's kick split the uprights for the extra point and the Aces went ahead 19-0. Forehand's kick was brought back to the Jackets' 35. Gregory picked up 2 and Fields 4, with Wayne Baker being hurt on the play. A 7-yard pass was completed giving the Jackets a first down on their own 47. Pruett was held to 2, but on the next play he made it to the Aces' 43 for first down. Another short pass to Davis was good for 5. A pass to Cooke was broken up but the Aces were penalized 5. On the next play Davis snagged Hevay's pass in the end zone for the Jackets' only touchdown. The kick for the extra point went wide, so that the score went up to 19-6. Spivey fumbled the Jackets' kick but recovered on the Aces' 19. A pass to Britton was broken up and on the next play Pruett intercepted Forehand's pass and raced to the Aces' 23 before he was hauled down. Tolley then intercepted a Jacket pass in the end zone which was brought out to the 20. Hopkins added 4 yards as the first half

Fourth Quarter

In two plays Sexton picked up 8 and Spivey then broke through to the 5-yard line but the play was nullified due to an Edenton penalty. Ashley then plowed his way to the Jackets' 37 for a first down. Spivey added 3. Ashley was stopped and Sexton picked up 5. Spivey lacked only inches of a first down so that the ball went over to the Jackets on their own 39. Fields lost 5, a pass was good for 5 and another pass was broken up, so that the Jackets kicked, with it being the Aces' ball on their own 44. Sexton added 3. Ashley and Dixon was held for no gain, so that the Jackets took over at midfield. The Jackets were unable to gain in three plays, so they kicked with Forehand returning to the Aces' 25. Ashley hit the line for 5 yards and Spivey broke through to the 38 for a first down. Spivey picked up 2 and Sexton 2, after which Spivey fumbled as the game ended.

While the Aces played a bang-up game, the band and cheerleaders were equally impressive as they performed prior to the game and presented a very interesting program at half time much to the delight of the spectators.

SUNDAY SCHOOL LESSON

Cont'd. from Page 6—Section 2

considered; and we must ask ourselves: What are the qualities of a good leader?

Micah, in the verses we are studying today, gives us excellent examples of bad leadership. Therefore, looking for exactly opposite qualities, we realize that a good leader is a compass, not a weathervane. In the conflicting winds of prejudice and opinion, self-interest and self-seeking, he stands undeviated and unwavering from his course. He sees man's affairs and his own life in the light of eternal values, and he acts in obedience to them. Such a man is delivered from the immorality of expediency. He is neither a creature of circumstance nor a puppet to be manipulated by the crowd. He follows the right road, as he sees it, and scorns the consequences. He puts the common good above and beyond matters of personal advantage. He is sensitive to the needs of the people, and serves them faithfully, even at cost to himself. He, like our Lord, comes not to be ministered unto, but to minister. He is the proverbial good shepherd, giving his life for the sheep.

He is a living example in the practice of righteousness. His own personal life is above reproach. A man, of necessity, leads by what he is and does as a person. If evil has him in its sway, he corrupts and destroys the people.

And having reviewed the qualities required in a good leader, we must be alert to our responsibility to recognize and support good leaders. The tragedy of Israel, as recounted in the Bible, was caused, not only by false leaders and prophets, but also by the lamentable failure of the people to recognize, appreciate and support good leadership.

We are, alas, inclined to resent and oppose a good leader for the simple reason that he is good. He disturbs us. We are inclined to settle ourselves down

comfortably and make our peace with mediocrity. We do not want to be unduly disturbed; we want to spend the rest of our days "as is." But the good leader actively disturbs our conscience and our peace. He point-blank refuses to be our echo.

As good Christians, and as good Americans, when such a leader appears among us, we must be alert to his inestimable value, and seize upon him with rejoicing. We must keep, and treasure, our perspective, and so be worthy participants in both democracy and Christianity.

Colored Playground Is Very Successful

Last week the Blue Jays and the Dodgers were at each other's throat at the colored playground battling for the championship of the International League. These teams attracted a great deal of interest because of their improved sportsmanship and skill in playing the game.

The teams, fitted out in new jerseys, was made possible by the P & Q Super Market, Bill Perry's Texaco Service Station, Edenton Cotton Mill, Hughes-Parker Hardware Company, the Junior Woman's Club, the Gale Street Baptist Church, Providence Baptist Church, Civic League, St. John's Episcopal Sunday School, Bill Collins' Service Station and Woman's Club.

The splendid effect of the summer program has accomplished much in the way of reducing juvenile delinquency and building morale, so that those in charge of the program feel that the efforts paid off in full. Special mention is made for contributions received from friends and the support given by the City Fathers, John A. Holmes and Hiram Mayo. Thanks is also extended to the Negro Woman's Club, which sponsored the program and to Coach Walter

Hunter and his faithful helpers. The playground closed in a glorious manner on Wednesday, August 24 with the approach of school opening. The Blue Jays of the All-American League was winner of the crown in the Little World Series and the Giants of the International League won the crown in that series.
