Edenton Aces Romp Over Williamston For Fourth Victory

Gradually Wear Down Stubborn Defense to Win 34 to 0; Hopkins Outstanding Star

Faced with an early stubborn defense, Edenton's Aces gradually pounded away at Williamston's Green Wave Friday night on Hicks Field to outclass the visitors in a 34-0 trouncing. It was not until late in the first quarter that the Aces were able to reach pay dirt. They put on a sustained drive and aided by a 15-yard Williamston penalty, marched 52 yards for the first score with Hopkins cracking through the line 3 yards out.

The Aces' second counter was made early in the second quarter when Jimmy White fell on a Williamston fumble on the 41-yard line as the first quarter ended. With Tolley, Hopkins, Forehand and Dixon alternating in carrying the ball, Hopkins drove through the line from 8 yards out to score his second touchdown. He also cracked the line for the extra point. There was no more scoring in the second quarter with the ball changing hands four times.

On the second play of the third quarter Fred Britton snagged a Williamston pass and in a thrilling piece of running galloped 39 yards for the third touchdown, and Hopkins crashed through the line for the extra point. That settled the scoring for the third quarter, although the Aces have from their own 40 to the Williamston 15 where the Green Wave took over.

The fourth touchdown followed a pass interception by Jimmy White on the Aces' 49. From that point the Aces pounded away at the Williamston line with Hopkins, Dixon and Tolley alternating in chalking up four successive first downs which carried the ball to the 4-yard line. From there Dixon rammed through the weakening Green Wave line for the score. Spivey also went through the line for the extra point.

The final touchdown was made near the end of the game after Tolley intercepted a Williamston pass. Due to a penalty it was the Aces' ball on their own 15 and they moved 85 yards to score. The big gun in this drive was Spivey, who ripped

Bloodmobile Will Be In Edenton On Friday, Sept. 30th

Citizens of Chowan County are reminded that the Red Cross bloodmobile will be at the Edenton armory Friday of this week, September 30. The county's quota is 105 pints of blood, and those connected with the bloodmobile visit are hopeful that the quota will be realized.

It has been pointed out that time and again Chowan has come up short in meeting this quota and at various times the blood program was hanging in the balance.

According to actual figures about 90 per cent of previous blood donations were made by people living in Edenton and also that about 90 per cent of the blood used was for patients living in the rural section of the county and Negroes.

An appeal has been made for more people in the county, together with more Negroes, to participate in giving blood so that it will be on hand when needed at the hospital.

It is also pointed out that to donate a pint of blood is painless and that it requires very little of one's time, so that there is little reason why Chohan County should not easily reach the quota of 105 pints.

The bloodmobile will be at the armory from 11 A. M., to 5 P. M.

Last week The Herald carried a story to the effect that the Norfolk Southern Railroad decided to discontinue the switch engine between Elizabeth City and Edenton. However, T. J. Wood, local Norfolk Southern freight agent,

Edenton's Aces, sporting a 4-0 record thus far this season, will make an attempt to maintain their perfect record Friday night. On Hicks Field, beginning at 8 o'clock, the Aces will face Scotland Neck in the second Albemarle Conference game of the season.

On paper, the Aces should be a decided favorite. They had very little trouble in trouncing Williamston 34-0 Friday night, while Scotland Neck earlier defeated the Green Wave 7-6.
