

Aces Win Fifth Straight Game By Defeating Scotland Neck

(Continued From Page 1, Section 1)

White were especially thorns in the side of the Scots as they pulled down runners with very hard tackles for no gains and even losses. White was a wheel-horse for the night, for aside from playing guard on the first time, he also filled the fullback slot for the reserve team, and did a splendid job at each position. Also playing exceptionally well on defense were Richard Dixon, Ronald Forehand, Jack Sawyer, Alex Kehayes, Erwin Griffin, Bubba Hopkins, Fred Britton, Jerry Tolley and Carroll Forehand, the latter again demonstrating his splendid ability at quarterback.

The Edenton band delightfully entertained the spectators with a special and interesting program at half time.

First Quarter

Forehand kicked for the Aces and Braddy returned to Scotland Neck's 30. Bryant and Walston in three plays were a yard short of first down and Liverman kicked. Forehand received the ball on the Aces' 28-yard line, and slipped it to Tolley, who raced 72 yards for a touchdown even before the game got started good. It was a very sensational run on the part of Tolley, who headed for the north side of the field, wiggled away from two or three Scotland Neck defenders, was aided by two effective blocks and then outran several Scotland Neck players eager to get their hands on him. Hopkins was prevented from cracking the line for the extra point so the Aces held an early 6-0 lead. The Fighting Scots returned Forehand's kick to their own 28. Bryant was thrown for a 3-yard loss and Braddy got loose for 10 yards. On the next play Tolley intercepted a pass and lateraled to Britton, who made it to the Scots' 19. Hopkins cracked the line for 4 yards but the Aces were penalized 15. Tolley was stopped for a 2-yard loss, after which Dixon clipped off 20. On the next play Tolley, on a reverse play, skirted end for his second touchdown before the quarter was half over. Hopkins on a line thrust was stopped cold, but the visitors were off-sides and on the second attempt Hopkins plunged through the line for the extra point, putting the score at 13-0. Bryant returned Forehand's kick to his own 21. Walston was held for 2 yards and on the next play Baker tore through to throw Bryant for a loss. Bryant fumbled and Baker fell on the ball on the Scots' 15. Hopkins picked up 2 and Tolley 6, after which Hopkins rammed through the line to the 3-yard line and first down. On the next play he bulled through the line for the third touchdown of the game. The try for the extra point failed, so the score moved up to 19-0. Bryant returned Forehand's kick to his own 25. Bryant was held to a yard and Allsbrook picked up 5. A jump pass was broken up and the Scots kicked, with Forehand returning to his own 46. Dixon fumbled and Scotland Neck recovered on the Aces' 48 as the quarter ended.

er tore through to throw Bryant for a 5-yard loss. Bryant picked up 6, a pass was broken up and the visitors kicked with Forehand returning to his own 45. White picked up 2 and Dixon 6. Ashley made it first down but the Aces were penalized 15. White bulled his way through the line for 10. A pass to Hopkins was good for first down on the Scots' 42. Britton then snagged another pass and lateraled to Tolley who raced 24 yards for a touchdown but the play was called back due to a penalty. Dixon then made it first down on the Scotland Neck 14. He picked up 2 yards but the Aces were penalized 5. The Aces then fumbled and the Scots recovered on their own 27. Walston was stopped for no gain, two passes were broken up and Liverman kicked, with Tolley returning to the Scots, 40, but the Aces were penalized 15. With the ball on the Aces' 32, White gained 6 through the line and the visitors were penalized 5 yards. Ashley then clipped off 13 yards for first down at the Scots' 45. Dixon added 2 and Ashley clipped off 11 for first down. He added 5 more yards as the quarter ended.

Fourth Quarter

Dixon picked up 3 and then made it first down on the 12. Dixon added 4 and Ashley was stopped for no gain. Dixon picked up 3 but the Aces were penalized 5. Boots Lassiter's pass was broken up so the Scots took over on their own 9. Two plays netted only 4 yards, a pass was broken up, so Liverman kicked, with Tolley signaling for a fair catch on the Scotland Neck 39. Spivey picked up 2 and the Scots were penalized 5. White made it to the 29 for first down. Herbert Adams

Third Quarter

Allsbrook kicked and Forehand returned to his own 47. Jimmy White rammed the line for 3. Adams was stopped for no gain and White added 4 more. Forehand uncocked a beautiful 57-yard punt which rolled out in the end zone, and was brought out to the 20. Baker

fumbled but recovered after losing 4 yards. Spivey picked up 8 yards in two plays, a pass was broken up and the Scots took over on their own 26. Braddy picked up 3 and a pass to Allsbrook was good for first down on the 38. Braddy was thrown for a 5-yard loss and a pass was broken up. Jimmy White then intercepted a pass on the Scotland Neck 33. Spivey was stopped for no gain, in two plays Dixon added 8 and was then held for no gain. The Scots took over on their own 25 as the game ended.

the house of God, and with no preparation. The wonder is not that we get so little out of our church services, but that we get anything at all! The Jewish liturgy and this processional psalm are the results of long efforts for effective worship preparation. The requirements for worship as laid down in this psalm are moral and ethical. By one's acts and inner motives is his worthiness to worship judged by God. Of course, obvious sins found in the Ten Commandments, such as murder, theft and adultery, are automatically excluded and unmentioned here. But the requirements named in

this psalm: as obligatory to acceptable worship extend to the more refined and subtle sins of falsity and deceit. We must have hands clean of evil-doing, and an inward spirit of complete sincerity—a most difficult and truly not-too-common virtue.

Man is a creature of the earth. He has the body of an animal and can sustain and reproduce himself as an animal. But man has a spiritual nature, also. There is about him an intangible quality that makes him more than an animal. He is capable of self-awareness, imagination, and prayer. He is also able to make moral decisions. Therefore, when man is fully a man, he is not content with the things of the earth only. He has a deep, irrepresible yearning for something more, something above and beyond. He is made for God and cannot find peace apart from God.

Adoration is the normal response of a human being to the awareness of God's presence and power. It is the most selfless emotion of which our nature is capable—and therefore the chief remedy for that self-centeredness which is our original sin. Worship is God's redemptive dealing with the fact of man's sin. It is man's confession of sin, his plea for pardon, and his acceptance of divine forgiveness. Who can come into the presence of a Christlike God and be unaware of his own sins? Nothing can be hidden. In awareness of our sins we ask God's forgiveness. We know it is his law we have transgressed, his trust we have violated, his love we have betrayed. We cannot forgive ourselves, but we can, in

faith, accept God's forgiveness. And so we go forth from worship cleansed, restored, uplifted and empowered for goodness.

Born of space-age developments, Rambler announces on all 1961 models a new Ceramic-Armored muffler and tail-pipe guaranteed against defects for the lifetime of the car while in the hands of the original owner. This covers total replacement cost including parts and labor. Every '61 Rambler muffler and tail-pipe is completely covered with a special ceramic coating—similar to that used in rockets and missiles—to give lasting protection against rust and corrosion caused by water, salt and acids. Another Rambler first!

12-MONTH, 12,000-MILE WARRANTY EXTENDED TO ALL NEW RAMBLER OWNERS

Now Rambler extends to all new Rambler owners its comprehensive full-year or 12,000-mile warranty, whichever occurs first. In fact, this liberal warranty, announced to dealers more than a year ago, also covers total replacement cost including parts and labor. It applies to all 1961 Rambler models and to 1960 Ramblers still within the warranty period. The normal industry warranty covers only 90 days or 4,000 miles.
