

## Edenton Aces Down Arch Rivals Yellow Jackets Of E. City

### Edenton Outfit Turns On Steam In Second Half to Win Game By 28-6 Score

An inspired Elizabeth City High School football team held the high-flying Edenton Aces to a single touchdown during the first half in Elizabeth City Friday night in the annual clash of these two arch rivals. In fact the calibre of play exhibited by the Yellow Jackets in the first half discounted the pregame opinion of the strength of Coach Honey Johnson's 1960 football machine. The Jackets played the Aces on about even terms during the first half, so that there was considerable apprehension on the part of many Edenton fans that the outcome might easily develop into another major upset. However, the Aces came back strong in the second half and finally defeated the Jackets twice in succession and for only the second time on their home field by a score of 28-6.

The Aces were held scoreless in the first quarter with neither team threatening to score. It was about midway of the second quarter that the Aces in a 61-yard march scored when Bubba Hopkins crashed through the line from three yards out. Hopkins bore the brunt of the drive for he carried the ball 10 times and registered gains through the line on every play.

On the second half kickoff, Jerry Tolley, to a great extent, relieved the pressure for Edenton fans when he pulled in the ball on the 22-yard line and in a beautiful piece of ball-carrying scampered 78 yards for a touchdown to put the Aces in the lead 14-0.

The Aces' third touchdown came about midway of the third quarter when Tolley, who was about to be tackled, lateraled to Fred Britton, who went the distance. The final quarter was made in the fourth quarter when Forehand passed to Tolley, who was far out in the open and merely trotted across the goal line.

R. P. Badham was re-appointed Chairman of the Chowan County ABC Board.

In an executive session Town Council discussed changing the town charter with overtures made to eliminate the Board of Public Works bringing the enactment on Page 6—Section 1
