

Miss Linda Spivey Weds Danny Nixon

Wedding Is Solemnized In Rocky Hock Church Oct. 9

Miss Linda Spivey and Danny Nixon were married Sunday, October 9, at 4 P. M., at Rocky Hock Baptist Church.

The bride is a daughter of Mr. and Mrs. Alphonso Spivey of Rocky Hock. Mr. Nixon is the son of Mrs. Levy Nixon, and the late Mr. Nixon, also of Rocky Hock.

The Rev. T. W. Allred, pastor, performed the double ring ceremony in a setting of palms, baskets of white chrysanthemums, glads and lighted cathedral candles.

Mrs. Lynn Perry played the traditional wedding music and accompanied Miss Becky Harrell in singing "The Sweetest Story Ever Told" and "The Wedding Prayer".

The bride, given in marriage by her father, wore a floor length wedding gown of white satin and lace, fashioned with fitted lace bodice, scalloped bateau neckline, long sleeves ending in wedding points at the wrists and buttoned up the back with self-covered buttons. The bouffant skirt was trimmed with a lace panel in front and back. Her finger-tip veil of imported illusion was arranged from a demi-bonnet studded with pearls. She carried a lace covered prayer book topped with a white orchid.

Miss Nancy Spivey, sister of the bride, was maid of honor. She wore a street length dress of aqua taffeta, fashioned with low neck, short sleeves and full skirt. The fitted bodice had a front trim of matching velvet with bow at center front. She wore matching velvet headpiece and mitts and carried a cascade of yellow chrysanthemums and fugi mums.

Bridesmaids were Miss Joyce Nixon, Miss Loretta Bunch, Miss Judy Haste and Miss Kathryn Tynch. They wore dresses and headpieces like that of the maid of honor and carried cascades of yellow chrysanthemums and fugi mums.

Honorary bridesmaids were Miss Patricia Bunch, Miss Ruby Lee Bunch, Miss Betty Bunch, Miss Kay Lowe, Miss Faye Ober, Miss Janet Parrish, Miss Mary Alice Perry and Miss Emily Leary. They carried a long-stem yellow rose.

Murray Tynch, Jr., was best man for the groom. Groomsmen were Shelton Nixon, Zackie Harrell, Joseph Layden and Sammy Morris.

The bride's mother wore a dress of moss green wool crepe and matching hat. The bridegroom's mother wore a dress of blue wool. They both wore pink glamelia corsages.

Miss Belva Ashley, daughter of Mr. and Mrs. Thurman Ashley, was miniature bride. She wore a dress designed identically to that of the bride and carried a miniature bouquet of white chrysanthemums. Allen Spivey, brother of the bride, was ringbearer. He wore a suit like his father's. Mrs. Thurman Ashley was mistress of ceremonies.

The couple greeted the guests in the vestibule of the church. Later they left for a wedding trip to the mountains of North Carolina and Virginia. On their return, they will reside in Rocky Hock. For traveling the bride wore a dress of teal blue wool, matching hat, black accessories and a white orchid corsage lifted from her prayer book.

The bride was honored at a Coke party given by Mrs. Milton Bunch, Mrs. Henry Bunch and Mrs. Eleanor Haste, aunts of the bride, on October 6, at the home of Mrs. Haste. The bride was presented a gift of china.

A rehearsal party was given Saturday night following rehearsal at the home of Mrs. Thurman Ashley. Punch was served by Mrs. Milton Bunch and Mrs. Lester Bass. Mrs. Henry Bunch and Mrs. Gilbert Harrell cut the cake. Mrs. Willie Saunders and Mrs. Roland Ashley served the table.

What Kind Of Programs Are Carried On?

The Edenton Chamber of Commerce is devoting its major efforts and programs to four areas:

- (1) Industrial development, helping local industry and obtaining new industry.
- (2) Recreation and tourist promotion.
- (3) Retail and general business development.
- (4) Special projects.

Who Does The Work In The Chamber?

A Board of Directors comprising seventeen community leaders determines the general policies of the Chamber and decides which projects shall be carried on. All approved projects are assigned to one of the Chamber's fourteen standing committees, or to a special committee, for action. Over 100 members serve on committees.

Supporting the Board of Directors, officers and committees are a full-time professional manager and an office secretary who coordinate and expedite the activities of the Chamber.

How Much Money Is Required?

In order to carry on activities in the four areas discussed above, the Edenton Chamber of Commerce requires \$15,000. The Chamber has gotten along with less, but activities have been correspondingly reduced. Industrial development and tourist promotion, the two areas which most members say are more important than any other activity, require more money than many other Chamber activities.

How Does The Chamber Spend Its Funds?

Income from memberships is

accurately recorded and allocated by the Board of Directors for each activity to be undertaken. Monies thus budgeted are disbursed throughout the year on approval of the treasurer. A monthly financial report is submitted to the Board of Directors and once a year the books are audited. The entire procedure is handled in an efficient and businesslike manner to make every dollar go as far as possible.

Does The Chamber Work For Me?

Yes, the Edenton Chamber of Commerce is the best employee a business firm, professional person or individual has. Who else will look after your interests so well for so little?

A phone call or a visit to the Chamber office makes its services, investigations, business counselling and action available to you.

The Chamber of Commerce is the best business stimulant in town. Support it strongly and it will pay off the same way.

Beulah Perry, chairman of Finance Committee, reported a profit of \$52.00 to date from the sale of Christmas cards by her committee. Also reported was \$60.70 made from the Octo-

ber and September dinner meetings. The next meeting will be held November 17, at the Barker house with the Legislation Committee, with Bertha Bunch as chairman, in charge of the dinner and program.

Edmund Harding, due to the entertainer's particularly heavy schedule which has taken him as far away as Texas during the past 10 days.

Also speaking at the banquet will be William P. "Spec" Jones, immediate past president of the Edenton Chamber of Commerce, who will cover the highlights of Chamber progress during the previous year. The current president, Bruce F. Jones, will propose important projects to be considered in the forthcoming year under the leadership of the appropriate committee chairmen. "With an Industrial Park ideally situated between the transportation facilities of Norfolk-Southern Railway and U. S. Highway 17 and with all utilities now available at the site, a concerted drive for new industry will receive high priority in the Chamber's program," Jones stated. "The Edenton Chamber of Commerce can also look to the Edenton Development Corporation of which J. H. Conger, Jr., is president, for assistance and cooperation efforts to satisfy the needs of new industrial prospects. We also expect to put forth renewed effort on finding suitable prospects for

utilization of the former Marine Air Base and cooperate with town governmental authorities to obtain the hangar, maintenance building and runway facilities for a municipal airport if at all possible. Other projects will be outlined at the banquet meeting," Jones added, "the success of which would continue to add to Edenton's advancement in the immediate future."
