Edenton Aces Trim Wallace-Rose Hill 32-0 To Win Class 2-A Eastern Championship

Local Outfit Forced to Put on Steam In Second Half to Overcome Stubborn Bulldogs

Edenton's Aces continued their winning streak Friday night in Greenville when they defeated a strong Wallace-Rose Hill aggregation 32-0 to win the Eastern Class AA football championship.

During the first half the Bulldogs threw a big scare in the Edenton camp when they held the Aces to a 7-0 score and seriously threatening to score twice themselves, but the threats were knocked out by pass interceptions. During the first half the game sort of took on the aspects of a major upset, but the Aces came back strong in the second half, unleashed their fuel power and scored a touchdown in the third quarter and pounded the Bulldogs for three more in the final quarter.

The Aces' first touchdown was set up when Jerry Tolley intercepted a pass on the Aces' 15. The Aces were penalized half the distance to the goal, so they took over on their own 8. They negotiated the 92 yards in nine plays with Bubba Hopkins and Tolley adding the most yardage. Leroy Spivey and Richard Dixon also made contributions in the drive. With the ball on the Bulldogs' 42-yard line, Tolley sliced around left end and with good blocking raced for the first touchdown. Hopkins crashed through the line for the extra point.

The Aces scored another touchdown in the second period when Richard Dixon plunged through the line from one yard out. The play was nullified, however, due to the Aces being

Holmes High School, has announced that tickets in advance of the game can be purchased at Mitchener's Pharmacy and Hollowell's Drug Store. He urges local people to buy their tickets in advance so that they might not be disappointed by entering the park after the game is started.

Mr. Mayo stated that the price of tickets is set by the State Athletic Association and that they will be \$1.50 for adults and

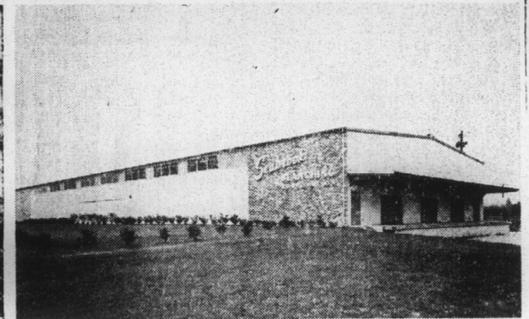

Edenton Chamber of Commerce and W. P. "Spec" Jones, its chairman during the original negotiating period. Edenton can thank those civic minded citizens for this new industry who really rolled up their sleeves and contributed their collective energy which determined the final location choice for this new industrial facility. Their perseverance promoted the plant for Edenton to the very last minute when failure seemed inevitable but which kept it from rising on a competitive location in another county. Industry and business leaders from Chowan County, County Commissioners, Edenton town officials, North
