May 7-14 is being observed as Soil Stewardship Week.
Edenton's Parent-Teacher Association will meet Tuesday night, May 16 at 8 o'clock in the auditorium of John A. Holmes High School.

William H. Coffield Jr., Post No. 9280, Veterans of Foreign Wars, will meet Tuesday night at 8 o'clock.
A dance will be held at the VFW post home Saturday night, March 25, beginning at 9 o'clock.

Official Family Given Oath Office Tuesday

Continued from Page 1, Section 1
in the election for Mayor and expressed the opinion that during his administration he could depend upon the support and cooperation of every member.
Mayor Mitchener then officially opened the meeting with a prayer petitioning the Almighty for guidance in every undertaking. He stated that the decision made 23 months ago when he was appointed Mayor to succeed the late David Holton was confirmed by Edenton voters and that the responsibilities he assumed cannot be taken lightly.

habit. I believe we should not break that habit in Edenton. I know that you are aware of your responsibilities to balance the benefits and the burdens of our fair city and that you will solve the problems confronting us and that new ones will not be created for the Town of Edenton.

The agenda for Town Council was very lengthy and despite the fact that the meeting lasted until almost 12:30 A. M., the business was not completed, so that an adjourned meeting was called for Wednesday night of this week at 8 o'clock.

A considerable amount of time was devoted to consideration of purchasing a garbage compact unit and a crawler loader tractor to be used in connection with the land fill for disposing of trash and garbage. A film was presented showing the units in operation. Luther Parks presented a detailed report regarding both units, pointing out that the new equipment will cost in the neighborhood of \$20,000. While no definite action was taken, a motion was made and passed to advertise for bids for the necessary equipment.

The Councilmen also considered a request from the local National Guard Unit and Edenton Jaycees. The National Guard desires a portion of the base for a bivouac area and firing range, while the Jaycees have requested the use of a side asphalt apron of the north-south runway to install and operate a Go Kart race track. The purpose, it was stated, is to provide more recreational facilities and bring more people into Edenton. No action was taken pending consultation with the Industrial Committee relative to possible interference with industrial prospects.

Some time was also devoted to the charter and ordinances in an effort to bring them up-to-date. However, the time involved in reviewing the ordinances will be great, so that the Councilmen were instructed to read over the charter and ordinances, take notes as to possible deletions or changes to be considered at a subsequent meeting or meetings. The charter and ordinances are on display in the Municipal Building, where any interested citizen may look them over.

James Edward Privott was granted a permit to drive a taxicab.
Cecil Barnett, representing the local Tasty Freeze, appeared before the Councilmen relative to complaints in connection with operating a truck to sell his products. The complaints had to do with the noise caused by playing records and ringing a bell. The Councilmen arrived at a decision that Mr. Barnett would be allowed to operate the truck from 10 A. M., to 8 P. M., but that no solicitations for business be made by the truck on Sundays.

Fire Chief W. J. Yates presented a request to include in his Fire Department budget an item for a unit of communication for the Fire Department

which would greatly increase the efficiency of the department by putting it in direct touch with the new department at Cross Roads or any other branch which might be organized later. Mr. Yates hoped some of the expense would be borne by Civil Defense and that the cost to the department would be somewhere between \$800 and \$1,000. He was authorized to proceed with the figures which, of course, would depend upon the condition of the new town budget for 1961-62.

Edenton Wins Track Meet For Conference

Continued from Page 1, Section 1
Greenville Saturday afternoon, Tolley was second in the 220 and third in the century. Forehand placed third in the broad jump and discus. Edenton had 12 points to stand sixth behind New Bern, Jacksonville, Tarboro, Rocky Mount and Greenville. Phillips, who was second in the mile at Greenville, raced around the track on Hicks Field in the conference meet in record time of 4:55.8. Forehand's discus throw of 126 ft. 10 in. was a record, as was Plymouth's Billy Hall's shot put of 45 ft. 4 in. Hall was third in his event in the regional meet.

Tolley's performance in the 100, 220, and 440 was a duplicate of Leroy Spivey's feat of two years ago when he won all three events. Tolley was also second behind Forehand in the broad jump. This gave Tolley 18 points for the individual high of the two nights.

Also scoring for Edenton were Spivey in the 100-yard dash, Jimmy White in the shot put, Richard Dixon in the discus and Dickey Cobb in the half mile. Edenton was second behind Hertford in the mile relay. Run-

ning for the Aces were Dixon, Fred Britton, Ashley and Forehand.

The results were as follows: 220—Tolley (E), Sessoms (W), Spivey (E), Capps (A). 23.7. Shot put—Hall (P), B. Williams (A), White (E), Forehand (E), 45 ft. 4 in.

High jump—Manning (P), Beaumont (A), and Williams (H), tie, Tolley (A). 5 ft. 4 in.

100—Tolley (E), Sessoms (W), Capps (A), Tolley (A). 10.4. Discus—Forehand (E), Dixon (E), Mathews (H), Winslow (H), 126 ft. 10 in.

Broad jump—Forehand (E), Tolley (E), Madre (H), Robinson (H). 18 ft. 9 1/2 in.

440—Tolley (E), Tolley (A), Madre (H), Robinson (H). 54.9. 880—Ashley (E), Phar (P), McGooan (H), Cobb (E). 2:15.5. Mile—Phillips (E), Williams (H), Winslow (H), Martin (W). 4:55.8.

Mile relay—Hertford, Edenton, Plymouth, Ahoskie.

Poppy Day Will Be Observed May 27

Continued from Page 1, Section 1
The unit voted to contribute \$10.00 to the Red Cross drive.

The Ways and Means Committee reminded the members of several money-making projects to be held in the near future. In the absence of the Memorials Chairman, Lorraine Rogerson called attention to the placing of flags on veterans' graves for Memorial Day.

The unit voted to pay expenses for the incoming president, Mrs. Annie Lee Chestnutt, who is also delegate-at-large to the Department Convention to be held in Charlotte in June. Delegates and alternates were elected.

Officers for the new year were elected as follows: President, Mrs. Annie Lee

Chestnutt; vice president, Mrs. Johnetta White; recording secretary, Mrs. Agnes Hollowell; corresponding secretary, Mrs. Louise Pratt; treasurer, Mrs. Iris Mills; chaplain, Mrs. Mary Leary; sergeant-at-arms, Mrs. Lillian Holoman; historian, Mrs. Helen Perry. Date of installation of officers will be announced later.

There being no further business the meeting adjourned. The Auxiliary will hold its June meeting with Mrs. Agnes Hollowell.

Sanford Favors Soil Stewardship Week

Continued from Page 1—Section 1

God and one of man's most priceless possessions. The bounty of our land is shared by all people, urban and rural alike. We also share the responsibility of keeping it forever fruitful. Not only are our natural resources fundamental to successful farming, but our entire society is dependent on soil, water, forests and wildlife. Together they form the foundation of all civilization. Without them our state and nation would weaken, our way of life disappear.

"It is gratifying indeed to recognize that the people of North Carolina are moving steadily toward the kind of Soil Stewardship which insures a productive future for our land and the people who depend upon it."

4-H Strawberry Show And Sale On May 12

The 4-H strawberry chain sponsored by the Chowan County Farm Bureau will hold its first show and sale Friday afternoon, May 12, at 4:30 o'clock. The sale will be held at the Sinclair station on the corner of Broad and Queen Streets.

The 4-Hers received 500 strawberry plants each from the Farm Bureau. The money from the sale of these berries will be used to buy plants for other 4-Hers

and so the chain will continue. The public support is asked for this worthwhile project. Berries for the table and for the freezer will be auctioned off. Friends are urged to help these boys "learn by doing."

To The Citizens Of Edenton

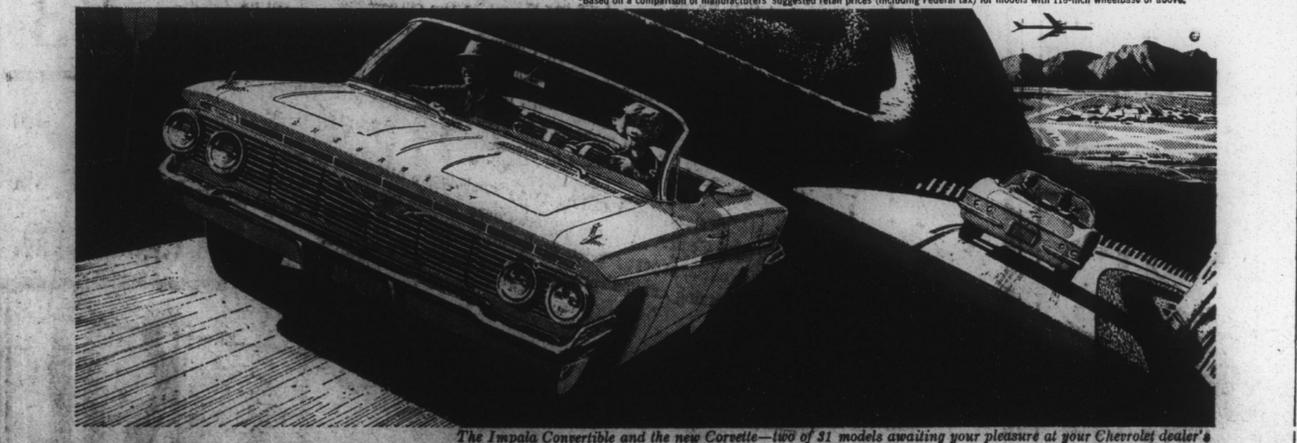

I wish to express my sincere gratitude to one and all, for your moral and physical support during the past election. Thank you.
