

### Chowan Home Demonstration Club Women Visit Tryon Palace

A tour of Tryon Palace in New Bern was part of Chowan County's celebration of National Home Demonstration Club Week. Thirty-seven Home Demonstration Club members went by chartered bus to New Bern.

Among the interesting things pointed out to the club members by the guides, who were dressed in costume, were beautiful rugs and carpets in the palace and the library which contains all but 100 of the original books in the palace at the time Governor Tryon lived there. Many of the furnishings and formal gardens proved most educational and interesting.

Attending the tour were Mrs. T. J. Wood, Mrs. Shelton Moore, Mrs. Jim Swindell, Mrs. E. L. Ward, Mrs. W. D. Harris, Mrs. Herbert Dale, Mrs. A. M. Spencer, Mrs. A. D. Ward, Jr., Mrs. E. E. Harrell, Mrs. E. S. Morris, Mrs. B. P. Monds, Mrs. Gladys Smith, Mrs. R. E. Leary, Mrs. Pete Layton, Mrs. Guy Hobbs, Mrs. Lester Harrell, Mrs. Mona Hofer, Mrs. L. E. Davenport.

Mrs. Marvin Jackson, Mrs. Gilbert Harrell, Mrs. W. A. Mills, Mrs. Jimmy Parrish, Mrs. H. T. Hollowell, Mrs. Kermit Perry, Mrs. Graham Byrum, Mrs. Lewis Harrell, Mrs. M. T. Barrington, Mrs. C. W. Overman, Mrs. Rodney Harrell, Mrs. C. A. Perry, Mrs. Curtis Chappell, Mrs. A. C. Boyce, Mrs. Yates Parrish and her mother, Mrs. Gib Perry, Mrs. J. L. Chestnut, Pauline Calloway and Catherine Aman.

Mr. and Mrs. Henry Bunch, Mrs. Stillman Leary, Mrs. Cora Harrell and Mrs. Albert Bunch drove to New Bern and met the group as they toured the palace.

The group had lunch at the Ambassador Room of the Governor Tryon Hotel, had a tour of the hotel, which has been recently re-decorated and renovated, left by chartered bus to tour some of the interesting sights in New Bern and then returned to Edenton.

To accept good advice is but to increase one's own ability.

sisting in local and national emergencies, including search and rescue, and (2) developing and conducting a series of aviation educational courses as part of a nation-wide cadet training program.

Entirely voluntary and having no effect whatsoever on draft status, membership in the Civil Air Patrol is open to all U. S. citizens of good character.

Neither military nor aeronautical experience is required, Jones said. At present, CAP roles are divided almost equally between seniors (men and women 18 years of age and older) and cadets (boys and girls of high school age).

Thousands of VAP seniors contribute to the success of the program as cadet instructors, chaplains, communications officers and in scores of other important assignments. "Lawyer, mechanic, doctor, teacher, housewife or salesman, no matter what your occupation," Jones added, "there's a place for you in the CAP team."

CAP cadets may spend two weeks of their summer vacation on one of Uncle Sam's Air Force bases. Those especially qualified will find thrills aplenty at one of two jet orientation courses. And cadets who learn to put the right foot in the right place at exactly the right time may find themselves competing for national honors as members of one of CAP's crack drill teams. For a limited number of outstanding male cadets, CAP's International Air Cadet Exchange program offers trips to Europe, the Middle East, Canada and South America.

Almost every Civil Air Patrol unit includes one or more family groups in some 1,900 local units scattered throughout the 50 states, it was learned.

"I expect to see a good turnout at this meeting," Jones said, "to which all those interested are cordially invited and hope that many prospective cadets of high school age will be present."

### Improvement Drive For Mail Boxes To Be Held May 15-20

According to Postmaster J. L. Chestnut, the annual mail box improvement program will be observed this year the week of May 15 to 20 and will as heretofore include mail boxes on rural and mounted city routes with collection and delivery service.

The Department wishes to encourage patrons to provide suitable mail boxes erected and maintained for easy and safe accessibility, presenting a neat appearance and affording protection to the mail. Boxes which no longer are serviceable must be replaced.

Patrons of rural routes are required to provide mail boxes of the standard approved type. Mail boxes on rural routes must be located on the right side of the road in the direction of travel of the carrier.

Mail carriers and Postmaster Chestnut will appreciate it if boxes needing attention are corrected.

### Minstrel Tonight At Hobbsville School

The Rocky Hock troupe will present "The Oriole Minstrel of Cottontown" in the Hobbsville School auditorium on Thursday evening, May 11, at 8 o'clock. The play has been given in a number of places with a great success and on several occasions has had requests for a repeat of the play.

The play offers lots of comedy with skits, dances, jokes and a laugh in every line. The troupe promises an evening of fun which will long be remembered as one of the funniest minstrels ever to be given by amateur players.

A small admission will be charged for the evening's entertainment.

### Slides Of Edenton Being Edited To Be Used In Lectures

Edenton's position as an historic site and as the unofficial capital during the colonial period will be further promoted by the N. C. Department of Archives and History, according to Richard W. Schuman, chairman of the Advertising and Promotion Committee of the Edenton Chamber of Commerce.

Schuman said that a letter written to Haughton Ehringhaus, a member of the Chamber committee, indicated that more than 100 color slides on Edenton were being edited with the best of them to be used in slide lectures throughout the state. "This is additional good publicity for Edenton," Schuman said, "and will pay off in the future with in-state tourist business."

Ehringhaus took the pictures, it was learned, on film supplied by Nicholas B. Bragg, historic site specialist of the N. C. Department of Archives and History.
