

## Edenton Aces Trim Camden High 33-0 In Season Opener

**Large Crowd of Fans  
Turn Out for Game  
Despite Very Warm  
Night For Football**

Edenton's Aces opened the 1961 gridiron season Friday night on Hicks Field when they easily defeated the Camden Rebels 33-0. A large crowd of fans filled the seats and lined the field along the sidelines, presenting proportions of a mid-season game despite the very warm weather.

Despite the big question mark about the Aces this year, their play was very gratifying to the large number of fans. The Rebels, though made up of good sized boys who didn't give up, were outclassed in every department of the game by the Aces. The visitors were held to only 38 yards on the ground, 7 yards on a pass and were able to penetrate the Edenton defense for only two first downs. The game provided some needed experience for some of the boys on the squad, for Coach Bill Billings used practically every boy during the game.

The entire team played a very creditable game despite the warm weather, so that while the Aces will meet much stronger opposition, fans feel certain they will be able to hold their own, especially with conference foes.

Richard Dixon and Carroll Forehand were the big guns in the Edenton attack, each one bringing fans to their feet by thrilling runs. Wayne Ashley and Johnny Alexander also were key figures in Edenton's scoring, both registering a touchdown. Ashley scored about midway the first quarter from the 2-yard line and Alexander snaggd one of Boots Lassiter's passes which was good for a 31-yard touchdown. On the first play of the second quarter Dixon broke loose for a 62-yard run to score. He also raced 31 yards later in the quarter for a touchdown, but the play was nullified by an Edenton penalty.

Forehand was a consistent gainer all night and added yardage setting up the other touchdowns.

The Edenton defense also looked good, holding back the onslaughts of Rebel runners and breaking through to pull down Rebels before they reached the line of scrimmage. Charles Cuthrell, Richard Dixon, Boots Lassiter, Johnny Alexander, Joe Mitchener and Mac Wright were leaders in the defense department while Ronald Forehand, Donald Forehand, Jack Ashley, Sam Wright, Richard Welkel, Walter Small, Cecil Fry, Doug.
