Bonner Introduces Bill For a Bridge Over Oregon Inlet

Representative Herbert C. Bonner on Friday introduced a bill to authorize the Department of the Interior to pay one-fourth of the cost of the construction of a bridge across Oregon Inlet. Mr. Bonner had met with of-

Jim Turner Inscow of Cashtalia, N. C., was best man and ushers were the bride's brother, Henry Raines, Lyn Smith of Liberty, N. C., Bernie Baker of Durham, Donald Howard of Shelby, Walter Baker of Edenton and David Durill of New Orleans, La.
 Nancy Brown and Keith Raines, cousins of the bride, were flower girl and ring bearer.
 The mother of the bride wore grey French lace over rose with matching accessories and a corsage of roses.
 The bridegroom's mother wore an embroidered silk organza sheath dress in petal pink with accessories to match and a corsage of pink sweetheart roses.
 The bride's parents entertained at a reception in the church parlor. Afterwards the couple left for a wedding trip and for traveling, the bride wore a brown linen tailored dress with beige accessories. She wore the orchid lifted from her bouquet.
 The bride attended Meredith College. She was a member of the Phi Society and the chosen sophomore attendant to the May Queen in the May Court. She is a rising junior at the University of North Carolina.
 The bridegroom is a graduate of the University of North Carolina and is a second year law student. He is a member of Delta Upsilon social fraternity and Delta Theta Phi legal fraternity. The couple will reside in Glen Lennox, 3 Berkeley Road, Chapel Hill, N. C.
 ble, the National Seashore Park area. He had also contacted Merrill Evans, chairman of the North Carolina State Highway Commission, who is enthusiastic in his approval.
 Under the plan being effectuated by Mr. Bonner, the cost to the State will be only one-fourth of the total cost of the bridge, the remaining three-fourths being paid by the Government. Of the Government's share, two-thirds will be paid by the Bureau of Public Roads, and one-third by the Department of the Interior.
 The National Seashore Park, which was brought into existence primarily through the efforts of Mr. Bonner, has proven so successful that five other similar parks are now being planned in various parts of the United States—the first of these at Cape Cod, Mass., is presently under development and will be followed by other seashore recreational areas on the other three coasts of the United States.

Wage - Hour Law Effective Sept. 3rd

Tar Heel employers are reminded that amendments to the Fair Labor Standards Act, generally known as the Federal Wage Hour Law, became effective on Sunday, September 3.
 The reminder came from State Labor Commissioner Frank Crane, who administers the Federal Wage-Hour Law in North Carolina under a 22-year old cooperative agreement between the N. C. Department of Labor and the U. S. Department of Labor's Wage and Hour Division. North Carolina is the only state having such an agreement for local enforcement of the federal law.
 Commissioner Crane said that employees who are now covered by provisions of the Wage-Hour Law will be entitled to a minimum wage of at least \$1.15 an hour starting September 3rd. The law continues to apply to employees engaged in interstate commerce or the production of goods for interstate commerce, unless specifically exempt.
