

## Edenton Aces Win 15th Consecutive Game Friday Night

Take Measure of Big  
Roanoke Rapids Yellow  
Jackets By 14-6  
Score

Chalking up their 15th consecutive victory, Edenton's Aces in Roanoke Rapids Friday night wore down a much heavier Yellow Jacket outfit and walked off the field clinging to the long end of a 14-6 score. The Yellow Jackets drew first blood when, aided by a recovered fumble on the Aces' 25-yard line, they scored a touchdown early in the second quarter. On the second play Cooke grabbed a pass and got away for the score. The Aces, however, dominated the play the remainder of the quarter and near the close drove 53 yards to score when Wayne Ashley crashed through the line from about the 1-foot line.

During the third quarter the ball saw-sawed back and forth, though the Aces were in possession the majority of the time. The Aces put the game on ice about midway the fourth quarter. With Carroll Forehand, Richard Dixon and Wayne Ashley alternating in carrying the ball, the Aces drove 58 yards to add the clincher touchdown. The trio tore the big Roanoke Rapids line to shreds and when at the 5-yard line Forehand found a hole, jumped over a Yellow Jacket and reached the end zone untouched. Forehand also had a perfect average for booting extra points, with both attempts sending the ball through the uprights.

Facing a stronger outfit than in the opening game against Camden, the Aces showed considerable improvement. Of course, some costly mistakes were made, but on the whole it appears that the Billings-coached team will again be able to hold its own, especially in the Albemarle Conference.

In the offensive department Carroll Forehand was easily the star. He carried the brunt of the ball carrying, but was assisted by Richard Dixon who also picked up considerable yardage and was hard to stop by the big Yellow Jackets. Wayne Ashley, too, was a hard man to stop, and contributed to the Aces' yardage. Joe Mitchell almost got away on a pass and he was a thorn in the side of Jackets runners, one time breaking through to chalk up a 10-yard loss. Douglas Twiddy also played a good game, connecting with a pass which set up a touchdown on the 7-yard line.

## Commissioners Release Papers To Dept. Archives And History

Admiral A. M. Patterson, assistant state archivist in Raleigh, has again sent a request to the Chowan County Commissioners for release of old papers now stored in the Peoples Bank & Trust Company building and the Clerk of Court's office. The request is to release the papers to the Department of Archives and History, where they will be sorted, laminated and indexed for preservation purposes.

Admiral Patterson in a letter to the Commissioners stated that the longer these old records are retained in their present location and condition, the less the department will be able to salvage what is important when they are finally released. In fact, he stated, many have already deteriorated beyond repair.

Some time back a local committee went over the old papers, but they are in such shape that it is practically impossible to find any information which might be desired.

The Commissioners, after conferring with the committee, arrived at the conclusion that the old papers are not of any special value to the county, so that they agreed to release them to Admiral Patterson.

In fact, the Commissioners are of the opinion that it would require less time to go to Raleigh after the papers are indexed, and find any information that might be desired than to thumb through the stack of papers in their present condition.
