Frankly Speaking By FRANK ROBERTS

Media Notes: Let's start with an item that'll surely bring a tear to your eye. Only two weeks after his untimely death. the American Broadcasting Company obtained a court order to attach more than \$124,000 in assets of a corporation headed by the late Ernie Kovacs. The money, according to ABC, is for production services in connection with four of Kovacs programs. The attachment goes against the E and E K enterprises, of which Mrs. Kovacs, Edie Adams, is listed as vice president.

Television news from West Germany: A television station there zation designed to maintain the had been carrying an English true traditions of the old west, mystery story in weekly in- gave out these awards: To stallments for about six weeks. Interest became so great that night-life came to a virtual standstill and an operetta performance was cancelled. Then a well-known Berlin comedian took an ad in the paper announcing who the murderer was and suggested everyone go to the movies.

NBC is unnappy over the temporary disbarment of its Paris Bureau chief, John Rich. The French authorities objected to some of Rich's remarks in a speech he made in Washington.

Latest news from the Federal Trade Commission is against Coty, Incorporated, the famous perfume manufacturer. The FTC has now barred Coty from representing, through usage of

A few columns ago I mentioned that a test Conelrad alert wasn't received by many stations due to telephone equipment failure. Frighteningly enough, the same thing happened again last week, this time on a nationwide schedule.

Other notes: A Los Angeles newspaperman recently carried 10 A-bombs through customs, from Mexico to California. On top of that, and there are pic tures to prove it, these bombs were planted in broad daylight in full view of hundreds of spectators in such important places as right on the Golden Gate Bridge and the Oakland Bay Bridge. One bomb was planted at Parker Dam, where guards warned them not to take pictures. Another was planted at Hoover Dam, which was crawling with guards, so the bomb was left in the men's rest room. Another bomb was planted at an important highway junction. Another was put in the air-conforeign words, phrases or brand ditioning unit of the Los Angeles airport. THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his sake, (2) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Book Chapter Verses Sunday Matthew 24 36-44 Matthew Tuesday Romans Wednesday Colossians Thursday Colossians 9-14 II Corinthians 4 Saturday Hebrews

HOW I used to hate to practice the piano when I was a child! Yet, today, how I wish I could play well - and that I had the time to practice!

So often, we turn our back on opportunity, only to find, when we want it, that it's too late.

Not so with the Church. The Church gives you no reason for regrets. If, long ago, you gave up going to church, there is no reason why you can't start again now. Even if you've never gone to church, you'll find a warm welcome awaiting you this and every Sunday. For God's love is constant and everlasting.

In the Church it is, literally, never too late.
