As Found In 1 of Files Of The Chowan Herald

Dr. J. W. Warren in a letter to The Herald explained an incident which brought about charges of "professional jealousy."

Mrs. John F. White, cancer crusade chairman, reported that \$185 had been collected, which exceeded the county's quota of \$75.

In response to a request from Congressman Herbert Bonner, an examination was made of drainage conditions along Bear Swamp Canal in Chowan and Perquimans counties.

An Error

In the list of delinquent taxpayers which was published in The Herald last week two names were listed which should not have appeared.

The names of J. F. Ward and Anthony Hathaway, Sr., appeared among the delinquents when, as a matter of fact, their taxes had been paid and should not have been published.

The Herald is very sorry that this error occurred and makes its apologies.

Richard Atkinson Resigns As Vice President Of Local Branch Peoples Bank & Trust Company

Announcement was made last week by the First Citizens National Bank of Elizabeth City that Richard S. Atkinson, Jr., has been employed as senior vice president. He, therefore, has tendered his resignation as vice president of the Edenton branch of Peoples Bank & Trust Company as of Thursday, May 30th.

Mr. Atkinson came to Edenton in 1958 as vice president of the

local bank when the Bank of Edenton consolidated with Peoples Bank & Trust Company of Rocky Mount where he was named assistant cashier in 1953 and was promoted to cashier the following year. He became associated with the Rocky Mount bank in 1951, before which he served as field auditor with the State Department of Revenue.

Born in Greenville, Mr. Atkinson

District Meeting To Consider Hunting Regulations Planned In Edenton Friday, May 25

Tar Heel quail, rabbit and wild turkey hunters will get a four-day bonus for hunting this year if sportsmen throughout the state go along with a proposal by the Wildlife Commission to open the season on these species November 17 instead of the traditional Thanksgiving Day opening that would fall on November 22.

The reason given for the proposed earlier opening date is that hunters would get a chance to hunt on these species before the season ends on February 15.

The proposed opening date is November 17 instead of the traditional Thanksgiving Day opening that would fall on November 22.

Colored High School Band And Choir Concert Sunday, May 27

The Edenton High School Band and Choir will present their annual spring concert on Sunday, May 27, in the school gymnasium at 5:00 P. M.

The band, under the direction of Richard L. Satterfield, has made many appearances during the year. Their selections will include: "Tchaikovsky's Fifth Symphony," "Great Gate of Kiev" by Moussorsky, "El Conquistador" (Spanish march), "Go Down Moses," "Roll, Jordan, Roll" and "Misty" featuring as soloists Charlie Jerigan, baritone saxophone and Rudy Robbins, alto saxophone. "Trumpets

Ole" by Cofield and other selections.

The choir, under the direction of Miss T. J. Summey, is an A capella choir that has made many local appearances. Some of the compositions that will be sung are as follows: "Now Is The Month of Maying" by Morley, "Now Let Every Tongue Adore Thee" by Bach, "The Orchestra" by Simeone, "Ezekiel Saw De Wheel" by Dawson, and "Summertime" by Gershwin, featuring Herman White as soloist. The public is cordially invited to attend. There is no charge for admission.

Membership Drive For Golf Club Will Close On May 19

Considerable Progress Made on Prospects For Course and Club House

The membership drive for the Edenton Golf and Country Club is scheduled to close at noon Saturday, May 19. It is emphasized that all those who have not paid by that time will not be admitted as charter members. After Saturday those who are admitted will be charged an initiation fee and will have no equity in the club.

Dr. A. F. Downum reported late Tuesday afternoon that 111 have already paid their fee but about 20 or 25 who have not yet paid. He also pointed out that the quota for charter members is 150. Continued on Page 5, Section 1

Masons Will Observe Past Masters' Night

Unanimity Lodge No. 7, A. F. & A. M., will hold a stated communication tonight (Thursday) at 8 o'clock. J. C. Parks, master of the lodge, announces that past masters' night will be observed and for that reason all Masons are especially urged to be present.

Peppy Day Scheduled To Be Observed Saturday, May 26

Sponsored by the American Legion Auxiliary, Poppy Day will be observed in Edenton Saturday, May 26. Mrs. E. L. Hollowell is Poppy Day Chairman this year and she hopes the entire stock of poppies will be disposed of during the day, urging everybody to "wear a poppy," America's silent tribute to her heroes.

Mrs. Hollowell points out that accepting one of these poppies aids the living victims of the past three wars while honoring the dead. The poppy grew in the battlefields of France and Belgium where American servicemen have fallen during two world wars. In the years following the first World War the poppy came to be recognized as nature's tribute to the war dead and it was soon adopted as the Legion and Auxiliary's official memorial flower.

Funds from Poppy Day enable the American Legion and Auxiliary to meet the need for relief work by way of rehabilitation and child welfare programs of these organizations. Not one cent is retained by either of these service organizations which administer the program on a voluntary basis. Mrs. Hollowell points out that the government has done much for disabled veterans and families of deceased servicemen, but that much also remains to be done, which can be accomplished in part by generous purchasing of poppies on Poppy Day.

Peoples Bank & Trust Company Installs Electronic Equipment To Improve Customers' Service

The Peoples Bank & Trust Company is now doing its bookkeeping with space age electronic equipment. The statement of customers' checks and deposits will remain the same in appearance, but with the installation of the electronic equipment, the bank will be giving the customer much more "Behind The Scenes" service.

For example, now as each check or deposit is posted the machine "asks" the operator to keep with space age electronic equipment. The statement of customers' checks and deposits will remain the same in appearance, but with the installation of the electronic equipment, the bank will be giving the customer much more "Behind The Scenes" service.

This and many more automatic functions are made possible by three magnetically encoded stripes on the back of the ledger card. Stripes are binary encoded with the balance, check amount, the customer's assigned code, and other information that enables the bank to give better service. This information is also recorded in reverse so that posted is going to the correct account. Continued on Page 5, Section 1

RICHARD S. ATKINSON, JR.

Effective June 1, Richard S. Atkinson, Jr., will sever his connection as vice president of the Edenton branch of Peoples Bank & Trust Company. He has accepted a position with the First & Citizens National Bank at Elizabeth City as senior vice president.

Fireworks Display Also Feature of Big Event Scheduled For Wednesday, May 30

Aerial salutes from 9-inch shells, "with detonations and icy sprays heard and seen for miles" will start Edenton's Water Carnival's mammoth fireworks display scheduled for the evening of Wednesday, May 30, at the foot of Broad Street. Actual firing of the 9 and 12-inch shells, says H. A. Campen, in charge of the fireworks display, will be from a barge anchored out from shore.

The Edenton Water Carnival is co-sponsored by the Edenton Jaycees and the Edenton Chamber of Commerce. Festivities will begin on Pamboke Creek promptly at 1 P. M. at the former fish hatchery property now owned by Col. Cullin Capehart, according to Joe Conger, Jr., president of the Edenton Chamber of Commerce.

Another peep at things to come as reported by Scott Harrell and Bill Easterling, general chairman of the Water Carnival, is a very comical aerial shell to be fired from a mortar during the fireworks show, known as the "Devil and the Tailor." An old favorite with
