present that "Membership is the life blood of the American Legion. We must increase our membership so that our lawmakers will heed us and our veterans will receive a little better treatment."

It was Brady's first official duty since his installation as department commander. The Newton resident spoke to Boys' State last week and took office shortly before that.

A. E. DeBlois was sworn into office as commander of the local Legion post. In accepting the position, DeBlois thanked the membership for the trust placed in him and promised to "do my fullest in each and every effort in my position as commander."

Mrs. J. L. Chestnutt was installed as president of the Auxiliary, and also thanked the members and promised to do her best during the coming year.

The posts also heard brief talks by Wayne Ashley, Jimmy Allred and Richard White, all of whom attended Boys' State, and Judy Haste and Jo Ann Leary, who attended Girls' State.

All of the students agreed that the highlight of the two events was when Girls' State journeyed from the Woman's College campus in Greensboro to visit Boys' State at the University of North Carolina in Chapel Hill.

Auxiliary officers installed were Mrs. Morris Bunch, recording secretary; Mrs. James Bond, corresponding secretary; Mrs. W. A. Perry, treasurer; Mrs. W. J. Yates, chaplain; Mrs. Jessie Porter, sergeant at arms, and Miss Mary MacDonald Holmes, historian.

Sign-Up Period For ACP July 16-31

Continued from Page 1, Section 1
"We are visiting farms that have made requests for remeasurement or disposition," says Mr. West. "This year we had 117 excess peanut farms, 32 excess tobacco farms and 32 excess cotton farms."

"Due to excessive rain the job of remeasuring and disposition is behind somewhat. However, we hope to have the work complete soon."

Mr. West also says his office has prepared the 1962 tobacco marketing cards. Cards will not be mailed out until a week before the local market opens. In the event a producer needs his card before it is mailed, he may pick it up at the ASCS office.

Shorn wool payments for 1961 marketing year will amount to 44.5 percent of the dollar returns each producer received from the sale of shorn wool during the year. This means that the producer

who signs up at the ASCS office to participate in the wool program will receive \$44.50 for every \$100 received from the sale of shorn wool, and 76 cents per hundred weight of live unshorn lambs sold during the wool marketing year, which ended March 31, 1962.

Chowan County wool growers will be paid within the next few days.

All feed grain participants will be notified when they can receive final payments which are expected to be made within the next three weeks.

ATTEND FURNITURE MARKET

Mr. and Mrs. J. P. Partin were among those who attended the Summer Furniture Market held at High Point July 9-13.
