

## Farm Bureaus Of Gates, Chowan And Perquimans Have Office In Hertford

### Groups Combine In An Effort to Expand Service to Members In Three Counties

The Farm Bureaus of Chowan, Gates and Perquimans counties will combine their efforts and open a central office in Hertford August 1.

Clifford Winslow, president of the Perquimans Farm Bureau, announced last week that the central office would open in the J. C. Blanchard & Company building beside the Perquimans County Court House.

Walter Humphlett, Jr., has been named office manager and Mrs. Fannie Hurdle secretary.

Winslow explained that the three bureaus had met on several occasions and discussed the possibility of combining their offices. The decision was made at a recent meeting in Hobbsville.

The purpose of the combining of the three counties farm bureaus is to expand the service to the 600 members in the three counties, according to Winslow.

Directors of the Tri-County Farm Bureau are Rollo White, Dan Berry and Clifford Winslow of Perquimans; Marvin Wiggins, Frank Russell and Alfred Stallings, Jr., of Gates, and Woodrow Lowe and Winslow is David Bateman of Chowan.

Chairman of the group is Woodrow Lowe and Winslow is secretary-treasurer. The directors met Monday night, July 30, in the new bureau office in Hertford.

## Goodyear Offering List 119,220 Prizes

### First Prize Provides For Free Vacation In Paris

Know your auto license plate number? It may be the ticket to a free vacation in Paris or make you the owner of your own swimming pool or boat.

These are among the 119,220 prizes to be offered by the Goodyear Tire & Rubber Company during its six week "Million Dollar Lucky License Sweepstakes," August 6 through September 15.

During the sweepstakes, weekly list of the "lucky license numbers" will be posted at the Goodyear Service Store at 412 S. Broad Street.

"There's nothing to write or fill in," said Tom Ford, the manager. "The only qualification to win a Paris vacation or one of the many other prizes is to own a registered car."

Nearly 20,000 "lucky license numbers" will be selected every week during the sweepstakes. Prizes, with total retail value of \$1 million, range from six vacations for two persons in Paris, steel swimming pools and all-aluminum boats to color television sets, wrist watches and major appliances.

## 20 Years Ago

As Found In The Files Of The Chowan Herald

In view of the ever-increasing demands made on the three principal members of the Chowan County Rationing Board, A. G. Byrum, W. W. Byrum and Dr. W. S. Griffin, eight others were appointed to assist at permanent deputies. The appointees were G. B. Potter, Leroy H. Haskett, W. J. Berryman, Marvin P. Wilson, W. J. Taylor, John A. Holmes, Ralph Parrish and Hector Lupton.

Eighteen white men left Edenton for Fort Bragg to be examined for military service.

Eleven Chowan colored boys who passed their physical examination and enjoyed a 14-day furlough, returned to Fort Bragg to be inducted into the U. S. Army.

Landowners were ordered to vacate the Marine Glider Base. (Continued on Page 5, Section 1)

## Jaycees Sponsor Sale Of Football Tickets For Aces

### Group Anxious to Get Coach Jerry McGee Off to Good Start For His First Season

Edenton Jaycees this week began selling season tickets and program advertisements for the 1962 home football games of the Edenton Aces.

Pete Dai, chairman of the ticket committee, announced this week that season tickets are available from all Jaycees. Reserved seat tickets are \$7.50 and regular passes are \$5.00.

The 1962 Edenton schedule will consist of ten games, six of which will be played on Hicks Field. Local Jaycees are anxious to get Coach Jerry McGee's first season in Edenton off to a good start, and they emphasize the savings available with the season tickets.

Richard Dixon is chairman of the program committee, which is now active selling advertisements to local merchants for the colorful programs sold at all Edenton home games.

The Jaycees urge all reserved seat holders to buy their tickets as soon as possible if they wish to get the same seat they held last year.

## Congressman Herbert Bonner Is Grateful Chowan County Is Included For Emergency Loans

With the announcement last week that Chowan County had been declared an emergency loan area as a result of the crop loss caused by excessive rains and flood water during the period June 27 through July 5, Congressman Herbert C. Bonner this week sent the following letter to The Herald:

"I am grateful that the Farmers Home Administration has included Chowan County among the counties in Eastern Carolina eligible for emergency loans pursuant to Section 321(a) of Public Law 87-128, through June 30, 1963."

Congressman Bonner further advised that the farmers of Chowan County who desire information with respect to emergency loans and other types of assistance should contact Donald W. Norman, County Supervisor, Farmers Home Administration, Davenport Building on Market Street in Hertford. Mr. Norman said some individual farmers in Chowan County received up to 50 per cent damage and loss to their tobacco crops as a result of the excessive rains and flood water. Excessive water also caused substantial damage to other crops in the area.

Emergency loans bear a 3% interest rate and may be made to eligible farmers in the area for the purchase of feed, seed, fertilizer, replacement of equipment and livestock, for other essential farm and home operating expenses and for the replacement or repair of buildings, fences, drainage and irrigation systems on individual farms that were damaged or destroyed by the disaster.

Loans may not be made for refinancing existing debts or to compensate applicants for their losses.

Loans for production purposes are expected to be repaid from crops and livestock as sold but (Continued on Page 5, Section 1)

### Office Moved From Bank Building to N. Broad St

Effective early this week the Edenton office of the North Carolina Employment Security Commission moved to its new offices at 709 North Broad Street.

The local office will occupy a new building built expressly for the ESC by John A. Mitchener, Jr. The facility was built by specifications set by the State Commission, which will rent it from Mitchener.

The local office opened at its new location early Tuesday morning. All of its business will be carried on at the new site.

## Revival At Center Hill Begins Aug. 5

The annual fall revival services at the Center Hill Baptist Church will begin Sunday morning, August 5, and continue through Sunday, August 12.

Guest speaker for this revival will be Dr. Stewart A. Newman, professor of theology and philosophy at the Southeastern Baptist Seminary at Wake Forest.

Services will be held each evening at 8 o'clock, including Saturday. At 10 o'clock each morning there will be a special fellowship prayer hour led by the pastor of the church, the Rev. Henry V. Napier.

## Dangerous Corner Again Scene Of Accident Saturday Morning

The corner of West Queen and Mosley Streets was the scene of a third accident in a month Saturday morning of last week when a truck failed to stop, entered the intersection, and struck a car carrying a group of Chowan County 4-H members.

Floyd Davis, Jr., 23, of Wendell, was charged with failure to yield the right of way after the 1959 Ford truck he was driving struck a 1959 Ford station wagon driven by Harry Venters, assistant county agricultural agent from Tyner.

Venters was returning with a group of 4-H'ers from Raleigh when the accident occurred. In the group were Leon Evans, Gene Harrell, Johnny Winborne and Lester Ray Copeland. Davis' truck entered the intersection from the north, crashed into the front and left side of Venters' car, turned over once and came to an upright halt 75 feet from the impact point. The Venters' car was spun around. Police estimated damages to the truck to be \$400, while Venters' automobile absorbed \$500 in damages. There were no serious injuries resulting from the crash. ## Local Jaycees Abandon Go-Kart Racing As Well As Livestock Show-Sale

### Deadline Is Past For Dog Licenses

### Police Ordered to Pick Up Dogs Without License Tags

Chief of Police Leo LaVoie reported early this week that dog and bicycle licenses should have been purchased by Wednesday, August 1.

Chief LaVoie especially warned dog owners that all dogs without license tags will be picked up by the Police Department. Dog licenses are still available at the Town Office and bicycle tags may be secured at the police station.

### Lack of Interest Results In Action Taken at Meeting Held Last Week

The Edenton Jaycees have decided to discontinue their go-kart racing program and the Chowan County Livestock Show and Sale. The action came during their regular meeting at the Edenton Restaurant Thursday night of last week.

President Carlton Jackson told the club that there had been a gradual deficit of income because of the lack of interest shown in the races. He told The Herald last week that neither spectators nor workers had shown up at the races.

The Jaycee go-kart track on the former Marine Air Station was opened last summer and enjoyed a very successful season during 1961. Crowds have been scarce this year, however, and only 18 karts turned out for the races last Sunday afternoon to constitute the biggest racing card at the local track this season.

The Livestock Show and Sale was discontinued for a number of reasons, the main one of which was the fact that it had not created interest in the raising of livestock in the county.

In other action, the Jaycees gave official approval of the Jaycee program for Edenton and opened their campaign to sell season tickets and program advertisements for the Edenton Aces home football games.

## Bridge And Tunnel Over Chesapeake Third Completed

### Estimated That 5,000 Vehicles Daily Will Cross Span In First Year of Operation

Word has reached the Chamber of Commerce that approximately one-third of the tunnel sections for the Chesapeake Bay Bridge-Tunnel will be in place within the next few days. Joe Conger, Jr., president, reported. Tunnel sections are being laid in trenches dredged under major shipping channels at the mouth of the bay. This will be the sixth tube placed under the Baltimore Channel. Six others are in position under Thimble Shoal Channel, Conger said.

The trench-type tunnels are similar in design to the Baltimore Harbor Tunnel and the Hampton Roads Tunnel, it was learned. They will provide a two-lane roadway 24 feet wide for vehicles using the new 17.5-mile crossing between the tip of the Delmarva Peninsula and the Virginia mainland, to be readied by early 1964.

Traffic engineers estimate more than 5,000 vehicles per day will use the new crossing the first year and double this amount by 1970, Conger stated.
