Hollowell Speaker At Lions Meeting

In May of 1959 the Chowan Veneer Company was incorporated with a lease agreement with the Edenton Veneer Mill with an option to purchase. The officers of the Chowan Veneer Company were E. L. Hollowell of Edenton and Robert B. Spivey and Thomas J. Holden of Windsor.

No change in operation was made until 1961, when E. L. Hollowell and his wife, Agnes Hollowell, and M. A. Horner of New Bern purchased all of the stock owned by Holden and Spivey. The new owners exercised the option and purchased all equipment and buildings from the Edenton Veneer Mill.

Mr. Hollowell during his address presented very interesting figures pertaining to wages paid in 1949 compared to present wages as well as changes in operation, securing logs, etc. He pointed out that the concern now has 56 persons on the payroll with wages of about \$187,200 annually.
