

"Izzy" Campen Honored At Halloween Party In Edenton Wed. Night

Tribute Paid to Man Who Was Instigator Of Popular Event In Edenton For Kiddies

H. A. "Izzy" Campen was surprised Wednesday by having Halloween designated as "Izzy" Campen Day in his honor.

As the originator of the Edenton Halloween Party, which has become the largest free Halloween party in the State, it was appropriate that this occasion was chosen to pay tribute to "Izzy" for his years of service to the community.

In proclaiming the day "Izzy" Campen Day recognition was given to a man who has employed his artistic talents for the pleasure of others rather than financial gain. His inventive genius for capturing the fantasy of fairyland has brought delight to all ages and most especially the children.

Edenton's special Halloween celebration is the result of this devoted father's desire to give a Halloween party for his daughters in 1944, which was reported in The Chowan Herald as "being one of the most elaborate Halloween parties held in Edenton in many a day."

Edenton Aces Experience Worst Gridiron Defeat In Nine Years At Hands Of Ahsokie 41 To 6

Edenton's Aces experienced their worst defeat since 1953 Friday night when they were swamped by the Ahsokie Indians in Ahsokie by a score of 41-6. The Aces were outplayed in every department of the game and found it very hard to stop the onslaughts of a trio of Ahsokie runners as well as break up a well-oiled passing performance.

The Aces' lone touchdown was made in the first quarter when they took possession of the ball on their own 40-yard line. Sexton carried the brunt of the attack in carrying the ball to the 25, from where Dickie Cobb connected with a pass to Hiram Mayo which was good for the Aces' touchdown.

Barrow, Howerton, and Park, a trio of Ahsokie backs, were hard to stop and tore the Edenton line to shreds and easily skirted end for considerable gains.

Though the score at the end of the first quarter was 7-6 in favor of the Indians, it was not very old until the outcome became very apparent. During the one-sided game the Indians gained 309 yards on the ground and 180 yards by the air route. The Aces were held to 22 yards rushing and 60 yards passing. Ahsokie registered 17 first downs to five for the Aces. The Indians were not forced to put a single time during the game.
