

Organization Effected For Mobile Chest X-Ray Unit In Edenton For Four Days

Unit Will Be Stationed In Front of Betty Shoppe From 11 A.M. To 5 P.M.

The mobile X-ray unit is scheduled to be in Edenton Saturday, November 24; Tuesday, November 27; Wednesday, November 28 and Thursday, November 29. The unit will be stationed in front of the Betty Shoppe on Broad Street from 11 A. M., to 5 P. M., each day.

An organization has been effected through which it is hoped practically every person in Chowan County over 15 years of age will be X-rayed during the visit.

Graham White is president of the Chowan County Tuberculosis Association; Mrs. Frank Holmes is chairman of publicity for the mobile X-ray unit survey and seal sales; Mrs. Jack Leary is chairman of hospital auxiliary hostesses; Miss Pauline Calloway, Mrs. Onnie Charlton, C. W. Overman and Fletcher Lassiter will contact county clubs; Mrs. Elton Forehand will furnish information to women's clubs; Herbert Hollowell, Jr., will furnish information to men's clubs; the Rev. Thurman W. Allred and James F. Willis will provide information to churches; Jack Habit will enlist the Boy Scouts; Hiram Mayo and W. J. Taylor will inform the schools and Kenneth Copeland will furnish information through the Ruritan Clubs.

It is pointed out that Tuberculosis remains a problem in Chowan County where the rate per 100,000 population was 43.0 in 1961 compared with a rate of 23.8 for North Carolina. During the past five years most of the new cases of tuberculosis were not diagnosed until they had reached the far advanced stage.

Through the use of X-rays, Tuberculosis can be detected in the earlier stages of the disease. If the disease is diagnosed in the earlier stages, treatment is better assured and recovery time is shortened.

Everyone over 15 years of age should be X-rayed and particularly older citizens.

This survey is being sponsored by the County Health Department and Chowan County Tuberculosis Association in cooperation with the N. C. State Board of Health.

Edenton's Aces Fall Prey To Plymouth Panthers; Score 19-0

A trio of fleet and hard-hitting backs, supported by a stonewall defensive line proved too much for Edenton's Aces Friday night on Hicks Field, when they were defeated 19-0 by the Plymouth Panthers.

Bobby Hall, Eugene Waters and Mac Allen tore the Edenton line to shreds and registered yardage almost every time they carried the ball. And on the other hand Edenton ball carriers had very much difficulty in breaking through the big and strong Plymouth line.

During the night the Panthers chalked up 285 net yards rushing, as compared with 118 by the Aces. Hall was credited with 114 yards of the Plymouth yardage. Only
