 The above games will be played in the Parish House and everyone is urged to come out and join in playing.

**Christmas Parade Very Successful**

**Continued from Page 1, Section 1**  
 for the occasion which added to the spirit of the season.  
 The parade started about 4 o'clock at Hicks Field and proceeded south on Broad Street to the corner of Broad and Water Streets.  
 Leading the parade was Mayor John Mitchener who was kept busy throwing candy out to the youngsters who lined the street.  
 Next was the Edenton High School Band, followed by the Lions Club float. Next was a group of Cub Scouts, Girl Scouts and Brownies, after which was the Edenton Woman's Club float.  
 Next in order was a Southern Bread truck, Smokey, the Bear, entered by the N. C. Division of Forestry, the Advance-Enterprise float, Western Gas Service float, Ryland 4-H Club float, Chowan High School float, Jaycees and Jaycette float, Western Fuel Oil Service float, the Elizabeth City High School Band, Merita small car and truck, Center Hill float, Bouquet Shop float, homecoming king and queen and princess at John A. Holmes High School, Nolia Lowe; Jay Ross, Mary Jo Wozelka and Ronnie Harrell, little majorettes, junior band, John A. Holmes High School Band, new model automobiles, Mike and Henry Circus featuring the dog Hansy, pony and cart, jowns, horses and bringing up the rear was Santa Claus and his reindeers.  
 The Ryland 4-H Club won first prize of \$25 for the floats. Second prize of \$15 went to Edenton Woman's Club and \$10 as third prize was won by the Chowan High School PTA float. A \$5.00 prize went to the Mike and Henry Circus for the best displayed pet.  
 Recognition was also given to the Bouquet Shop, Western Gas Service and Western Fuel Oil Service.  
 Members of the BPW Club filled 2,500 bags with candy and fruit. There were about 300 left which was sent to Chowan Hospital and charities.

**LIONS MEET MONDAY**

Edenton Lions will hold their weekly meeting Monday night, December 10, at 7 o'clock at the Edenton Restaurant. Herbert Iollowell, Jr., president urges every member of the club to be present.

**Aces And Acelets Win Opening Games**

**Continued from Page 1, Section 1**  
 accounted for the victory and with the desire to win. These boys were tremendous and they could not have done it without each other's help.  
 The Aces' defense was the key to the win, holding big 6' 5" sharpshooter Joey Asbell to a mere 14 points, far below his average of nearly 30 points per game.  
 Bootwright, Ross and Cobb were leaders in this category.  
 Statistically the individual honors for the Aces, big 6' 7" Jay Ross led in two departments and placed second in another. He was the Aces' leading scorer with 14 points, shot a highly respectable 70% from the floor and grabbed 10 rebounds, besides starting on defense. Bill Bootwright, the Aces' 5' 8" playmaker, also hit a respectable 40% from the floor. 6' 2" Bill Ervin, a transfer from William R. Davie High School near Roanoke Rapids was rough and aggressive under the boards as he hauled down 12 key rebounds.  
 The Aces' team statistics were impressive also, hitting 39% from the floor and grabbing a total of 47 rebounds. Their only weakness was at the foul line, shooting a dismal 12.5%.  
 The Aces will journey to Elizabeth City this week to play in a non-conference game. The Acelets don't return to action until December 11, when they again will face Chowan at Chowan.

**Joe Bass Champion 4-H Peanut Grower**

**Continued from Page 1, Section 1**  
 the peanut growing contest. By comparing the yields of the boys, he stated that their fathers and other peanut growers might benefit greatly by following the practices put into effect by the 4-H boys.  
 Ten 4-H Club boys participated in this year's peanut growing contest with the average yield amounting to 2,923.4 pounds per acre. Joe Bass, son of Mr. and Mrs. Murray Bass, was the champion for the year. His yield was 3,640 pounds of peanuts for his acre of land. He was presented a beautiful trophy. Young Bass was also state 4-H peanut growing champion

and shortly before Friday night's meeting returned from Chicago, where he attended the National 4-H Club Congress.  
 Carroll Tynch, son of Mr. and Mrs. C. S. Tynch, came in second with a yield of 3,520 pounds for his acre. He was given a \$5.00 cash prize.  
 Thomas Peele, son of Mr. and Mrs. Charlie Feele, was third. His yield was 3,000 pounds for the acre and received a \$2.50 cash prize.  
 Gene Harrell, son of Mr. and Mrs. I. Lester Harrell, came in fourth with 3,160 pounds for the acre. He, too, received a \$2.50 cash prize. He was also state 4-H corn growing champion and returned Friday night from the national 4-H Club Congress in Chicago.  
 Other boys, who participated in the contest, their parents and yields follow:  
 Lewis and Don Evans, sons of Mr. and Mrs. Marvin Evans, both with a yield of 3,137 pounds.  
 Bobby Bass, son of Mr. and Mrs. Graham Bass, 3,000 pounds.  
 Jerry White, son of Mr. and Mrs. Sidney W. White, 2,240 pounds.  
 Tommy Castelleo, son of Mr. and Mrs. Fred Castelleo, 2,200 pounds.  
 Peggy Mond, daughter of Mr. and Mrs. Preston Mond, 2,000 pounds.

**James Boswell To Return To Edenton**

**Continued from Page 1, Section 1**  
 WCDJ is also very pleased to announce that Frank Roberts, current program director, will accept the position of sales manager for Colonial Broadcasters. Mr. Roberts, who's been with WCDJ for many years, will take on the job formerly held by R. W. Schuman. Like Mr. Boswell, Mr. Roberts also worked in television and radio in Virginia, as

announcer with WVEC-TV in Norfolk and WBOF in Virginia Beach. He was also chief announcer for Miners Broadcasting, a three-station chain in Pennsylvania. Mr. Roberts also conducted the morning show on KWBU-TV, Corpus Christi, Texas, world's largest independent daytime radio station. He also worked in television and radio in Iowa, New York and Maryland.  
 His professional career also included work with Armed Forces Radio in Nome, Alaska, and work on soap operas in New York City. He's married to the former Valeria White of Hertford and they have one son, David. The Roberts live on Route 2, Windsor highway.  
 Pat Flanagan, co-owner and manager of WCDJ, believes that the addition of Mr. Boswell, the promotion of Mr. Roberts, the constant addition of new techniques and equipment, will go a long way in bringing better radio to WCDJ listeners and better service to its host of advertisers.

**Modification In Loan Program**

 movable conventional farm-type facilities such as bins, cribs, or buildings, Mr. Boyce said oxygen free silos or similar facilities also will be eligible under the program. Loans will not be available for immovable facilities located on railroad property.  
 In another change, facilities which are purchased as a complete unit must be obtained from vendors who have been approved under a Supplier's Agreement. Supplier's Agreements will be entered into by vendors with county Agricultural Stabilization and Conservation (ASC) office.  
 Department officials said that many of these changes are being made to focus the program's operations to assure its more effective employment in meeting present-day farm storage needs. Farm storage plays an important role in providing storage for farm commodities particularly at harvest time when distribution channels and commercial storage are apt to be at capacity. However, the tremendous increase in storage capacity both in commercial warehouses and on farms in recent years is lessening the need for continued heavy ex-

panion. Since 1949, when the farm facility loan program was started, 165,703 loans have been made on more than 700,000,000 bushels of farm storage capacity.  
 In Chowan, 19 loans have been made on 124,204 bushels of farm storage capacity.  
 Most other major provisions of the program are unchanged. The loans run for not more than five years from the date the loan is disbursed. Loans may be repaid in not more than four annual installments with the first installment due on the first anniversary of the loan. Interest is charged at the rate of 4 percent per annum on the unpaid balance.
