

156,315 Books Circulated In Pettigrew Regional Library

(Continued from Page 1, Section 1)

libraries prefer selecting their books in the libraries. In addition to books there are many valuable and interesting magazines in all the libraries. Newspapers may also be found. There are three libraries and two branch libraries in the region. During the school terms, bookmobiles serve 7 schools.

High school students in the region find much of their reference material in the public libraries of Tyrrell, Washington and Chowan Counties.

The members of the regional board and the staff in each county urge the English teachers to visit the libraries and examine the book collections before making their assignments for reference material. Friends of the Library Organizations have been formed in the 3 counties. These groups have done much to assist in promoting library service in the region, especially during National Library Week.

State aid to Public Libraries provides funds for the purchase of books, for the libraries in Tyrrell, Chowan and Washington counties.

"Are you now wondering why we need local funds from each of the counties?" asks Mrs. Campbell. "The answer is simple, for state and federal aid may be used only for a library director, who holds a degree in library science, other professional librarians, also holding degrees in library science, the purchase and operation of bookmobiles, the audit, for books, periodicals and binding.

"Most of the staff members in the region are non-professional librarians and must be paid from local money. Then there are substitutes, lights, heat and telephone bills, rent for library buildings, insurance for these buildings, insurance on books, Social Security, Workmen's Compensation, maintenance of buildings, library supplies, equipment, and other operating expenses. All of these bills must be paid from local money donated by the counties of Washington, Tyrrell and Chowan. Travel must be paid from local money except for the director and for the bookmobiles.

"Memorial books and memorial funds are occasionally donated to the libraries.

"Books are interchanged between the three libraries, and often books are borrowed for patrons from the State Library.

"Pettigrew Regional Library, comprised of Tyrrell, Chowan and Washington counties, was formed in October, 1955, with headquarters in the Washington County Library in Plymouth. Do you know why?

"The answer is a simple one. In order to give adequate library service to the people of these counties, not one of the three counties had sufficient funds to employ a professional director, to purchase two bookmobiles, to buy books to meet the need, in addition to financing all of the other expenses. By combining all funds and by sharing the bookmobiles and a director, more adequate service could be rendered.

"Since that time there has been real progress each year in every phase of service to the patrons.

"Each county has its local board to transact business of a local nature.

"The success of Pettigrew Regional Library with a population of 29,737 has been due to our director who resigned two years ago, and to the untiring efforts and dedication of the regional staff, the regional board, the commissioners of the three counties, the city aldermen and friends. I may also add that the State Library Consultants have supported us and have helped us in so many ways.

"This report would not be complete without including thanks to Plymouth Radio Station WPNC, the Edenton radio station, The Chowan Herald, The Roanoke Beacon of Plymouth and The Daily Advance of Elizabeth City for the fine publicity they have given the Regional Library during the past year."

Shepard-Pruden and Brown-Carver Librarians in Edenton have librarians holding degrees in library science.

All books in the regional libraries are selected from lists recommended by the State Library in Raleigh.

The regional board members are: Jack Davenport, Mrs. W. A. Basnight and Mrs. C. Earl Cohoon, secretary, Tyrrell County; Tom Shepard, vice chairman, Mrs. George Mack and Mrs. David Warren, Chowan County; E. E. Harrell, treasurer, T. Reynolds Spruill and Mrs. J. Robert Campbell, chairman, Washington County; Mrs. Ted Pinner, bookkeeper; Mrs. Bryan Harris, bookmobile librarian; Mrs. Verdine Alexander, bookmobile librarian; Mrs. W. V. Reynolds, librarian; Mrs. C. E. Ayers, librarian; Miss Marion L. Robertson, librarian; Miss Hattie Jenkins, branch librarian, Mrs. Maytor Simon, branch librarian.

Have Fun, Make Popcorn Treats

With the new hybrid popcorns and better methods of popping it, the ritual of popping corn is not limited. Any time is popcorn time. This time, we suggest popcorn treats. Popcorn balls and chocolate covered popcorn are two for a start.

Quick Popcorn Balls And Bars

- 1/2 cup dark corn syrup
- 1/4 cup coarsely chopped red candied cherries
- 1/2 cup sugar
- 1/4 cup coarsely chopped green candied cherries
- 1/2 teaspoon salt
- 10 to 12 cups popped corn.

Combine corn syrup, sugar and salt in a heavy saucepan; cook over moderate heat for 2 minutes or until sugar is dissolved, stirring constantly. Mix popcorn and cherries; add popped corn and cherry mixture and stir over medium heat 3 to 5 minutes or until corn is evenly and completely coated. Remove from heat. Mold into balls or press into lightly greased pan (8 x 8 x 2-inches). When cool and set, turn out of pan and cut into squares. Makes 16 squares or about 10 balls.

Quick Chocolate Coated Popcorn

- 1 (6-ounce) package semi-sweet chocolate pieces
- 1/2 cup light or dark corn syrup
- 5 cups popped corn

Place chocolate pieces and corn syrup in top of a double boiler and heat over hot water until chocolate is melted; stir to blend well. Pour over popped corn, stir until corn is coated. Spread onto waxed paper and separate into clusters.

How to Pop Corn

If using an electric popper, fill and use following manufacturer's directions. Otherwise, pour 1/4 cup corn oil in a large heavy skillet or kettle. Heat about 3 minutes. Add 1/2 cup popcorn. Cover, leaving a small air space at the edge. Shake frequently until popping stops. Salt to taste. Makes 2 quarts (8 cups).
