## "Once A Marine Always A Marine"

"Once a Marine always a Marine," as the old saying goes, still holds true. Edenton's Assistant Chief of Police Leo G. LaVoie shows Corporal Fred Harrell, local Marine Corps recruiter, how to set up a Marine Corps recruiting display in the window of Peoples Bank & Trust Company's Consumer Branch office. Chief LaVoie was in the Marines for 12 years, four of which as a regular during the Korean War and eight as a member of the Reserves in Norfolk. The chief was discharged last June from the Marine Corps Air Reserve. Though now a civilian officially, his thoughts are still with the Corps, and when he was talking to Cpl. Harrell the other day, he made the comment that there weren't enough men enlisting in the Marines from Edenton and that Cpl. Harrell should do something about this.—(Ricks Photo).

## March 16 To March 30 Set Up As Clean Up Week In Edenton

Sponsored by the Edenton Woman's Club, a Clean-up, Paint-up, Fix-up Campaign will be held in Edenton March 16 to March 30.

Every citizen is urged to participate in this year's program. It is pointed out that the general health and welfare of citizens depend upon wholesome surroundings arising from good clean living conditions. The lives and property of citizens are endangered by fire and accidents caused by littered and cluttered conditions in homes, factories, places of public assembly, alleys and streets.

A clean and beautiful community is a proud and prosperous one, but unity of effort is required to make the campaign a success.

Mayor John A. Mitchener has issued a proclamation designating March 16 to March 30 as Clean-up Week and most respectfully calls upon all departments of Edenton, its commercial organizations, civic clubs, schools, churches, boys' and girls' clubs and all other associations of our people in general to take an active part in this constructive program of community improvement to insure its success.
