

Federal Grant Approved For \$138,000 To Edenton For Water-Sewer Project

Appropriation Is Earmarked For Priority No. 2 In Improvement Program

Henry Oglesby, Congressman Herbert Bonner's secretary, on Tuesday morning telephoned Mayor John Mitchener and The Herald to relay information to the effect that a federal grant of \$138,000 had been approved for the Town of Edenton under the accelerated public works program.

The grant is earmarked for priority No. 2 of Edenton's sewer and water extension program, the overall cost of which is estimated at \$279,300.

The news was very gratifying to Mayor Mitchener, who is very enthusiastic about a program of improvements in Edenton which not only includes water and sewer extensions, but resurfacing streets, need repairs, hard-surfacing all remaining dirt streets, construction of a new municipal building, remodeling the present municipal building to provide a first class fire station, and providing an adequate storm sewerage system to alleviate flooding of various areas during heavy rain downfalls.

The grant is the first for a project under the accelerated public works program for this section. Mr. Bonner stated that the project calls for 221 man-months of labor.

Seventeen members of the Greater Albemarle Association met at a dinner meeting at Hotel Joseph Hewes after which they adjourned to the grand jury room at the Court House to consider important matters concerning the Albemarle section.

Of principal concern was the realization of the opportunities lost by way of development caused by failure to produce at home the finished product of an abundance of material.

Due to many vacant lots in Edenton being covered with a heavy growth, a deadline was set for owners to cut weeds, after which the Street Department, with some extra labor, was ordered to cut weeds on all lots which had not been given attention.

Chowan Tax Rate Is Held At \$1.58 For Year '63-64 By County Commissioners

Club Woman Of Year Overall Budget Calls For Expenditures of \$595,926 During Fiscal Year

MRS. EDWARD G. BOND Edenton Woman's Club at its June meeting named Mrs. Edward G. Bond as Club Woman of the Year.

Meeting in special session on Monday, Chowan County Commissioners waded through a conglomeration of figures in an effort to prepare the county's budget for the fiscal year 1963-64 and arrive at a tentative tax rate.

The overall budget calls for expenditures of \$595,926.92, with anticipated revenue estimated at \$262,037.65, leaving the remainder of \$333,889.27 to be raised from taxes.

Though most of the budgets for the various county departments were higher than last year, the Commissioners, after juggling figures, came up with a tax rate of \$1.58 per \$100 property valuation, the same rate as last year. Of course, the rate for fire protection outside the city limits will also remain the same as last year—10 cents.

As tentatively compiled Monday, payment for bonds will be \$47,049.96. There is an unexpended balance of \$2,000, leaving \$45,049.96 to be appropriated, which calls for 21 cents of the \$1.58 rate.

For charity \$9,840.36 is budgeted for general assistance and \$10,000 for hospitalization, making a total of \$19,840.36.
