

**Fescue Rotation**  
Tobacco is looking very good behind fescue on Bubba Roberts farm. The fescue grass was seeded in the fall of 1961 in wheat. The wheat was combined in the spring of 1962 and the fescue grass was allowed to grow until late winter of 1963 when it was disked in preparing the land for tobacco. The fescue grass helps build up the organic matter of the land, it is a very good sanitation plant not being a host for the nematodes that attack our tobacco, it helps hold the soil open for wet weather and also dry weather. The research stations have been recommending fescue in a tobacco and peanut rotation for years. Their results show that the average farmer can expect to increase his gross from \$100 to \$200 per acre by including fescue in his tobacco rotation with proper management.

**Wildlife Pond**  
Joseph Crisanti has begun work on his wildlife pond. The pond was planned last year in his conservation farm plan with the Albemarle Soil and Water

**Mrs. Susie E. Parker Dies At Home July 13**

Mrs. Susie E. Parker, 93, died at her home on Court Street Saturday morning at 7:30 o'clock after being in ill health for a long time. She was the widow of S. B. Parker.

Surviving are a son, William H. Parker of Edenton; two daughters, Mrs. Mary Forehand of Edenton and Mrs. Goldie Smith of Elizabeth City; 17 grandchildren and 30 great-grandchildren.

A funeral service was held at Williford Funeral Home Sunday afternoon at 3 o'clock. The Rev. Thurman W. Alfred, pastor of Rocky Hock Baptist Church, assisted by the Rev. Timothy Bailey of Elizabeth City. Burial was in the family cemetery near Valhalla.

Among the out-of-town people attending the funeral were Mrs. Seth B. Parker, Mr. and Mrs. Leslie Harrell of Goldsboro, Mrs. Pennie Mae Stillman and children of Windsor, Mr. and Mrs. Allen Lumpkin and son of Atlanta, Ga., Mr. and Mrs. Craig Haste of Hampton, Va., Mr. and Mrs. Gus Perry of Corapeake, Mr. and Mrs. George Cousins and daughter of Richmond, Va., Mr. and Mrs. Horace Lamb and son of Suffolk, Va., Mr. and Mrs. Dan Williams and children of Williamsburg, Va., Mr. and Mrs. Erie Haste of Hertford, Mr. and Mrs. Dewey Berryman of Hobbsville, Mr. and Mrs. Arthur Hoffler of Sunbury, Mr. and Mrs. Harley Snappell, Jr. of Poplar Branch, Mr. and Mrs. Henry Harrell and children of Gates, Mr. and Mrs. Sanford Forehand and children of Norfolk, Mr. and Mrs. Hoskin Bass and children of Jacksonville, N. C.

**CHRISTIAN SCIENCE**  
The theme of God as eternal Life will be emphasized at Christian Science churches Sunday.

The Golden Text of the Bible Lesson on "Life" is from Psalms (42:8): "The Lord will command his lovingkindness in the daytime, and in the night his song shall be with me, and my prayer unto the God of my life."

Related readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this: "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life" (p. 215).

Conservation District. It is for the purpose of good land use, fish production and waterfowl management. Mr. Crisanti plans to control the water level to raise food for ducks and geese. Also included in his conservation plan was improved pastures. Wildlife food and cover plantings for birds and cropland. He planted about 5 acres of coastal bermuda grass this past spring for summer grazing to supplement his ladino clover and fescue pasture. It will provide summer grazing plus providing good hay for beef cattle. Mr. Crisanti's pond is of a very unusual type for this part of the State, but it should set an example of what can be done if a person has great enough desire.
