

Chairmen Appointed For Standing Committees In Chamber Of Commerce

President West Byrum Predicts an Increased Tempo of Progress For Year

President West W. Byrum of the Edenton Chamber of Commerce, predicting an increased tempo of progress for the coming year, has announced the appointment of the following chairmen of standing committees who will assume the responsibilities in the various areas in the overall program of work.

Agriculture Committee, Tom Shepard; **Aviation, Dr. Richard Hardin;** **Budget, E. L. Hollowell and George Lewis;** **Education,** Hiram Mayo; **Health and Safety,** Dr. Edward Bond; **Hiway, W. P. "Spec" Jones;** **Industrial Development,** George A. Byrum; **Membership, Bill Perry;** **Merchants,** Alton Elmore; **Recreation, Claude Griffin;** **Parking and Traffic Safety, Warren Twiddy;** **Tourist, Jim Earnhardt;** and **Telephone, George Lewis.**

President Byrum also has appointed an executive committee to review the progress of the various working committees. Committee members will have the experience and knowledge to assist the committees as they are all past presidents of the Chamber of Commerce. W. P. "Spec" Jones, Bruce Jones, Joe Conger, Jr., George A. Byrum and the current president and vice president, West W. Byrum and George Lewis respectively.

"The Executive Committee will be available to assist any committee chairmen with their projects," Byrum stated. "We are fortunate to have this fine leadership opposed to the experience in some chambers that once a member has served as president he thinks he has done his share and drops out from active participation."

"Edenton will continue to progress as long as our past leadership stays active and continues to devote time and energy to Chamber of Commerce goals and aspirations."

Slip Cover Workshop Scheduled Oct. 29-30

20 Years Ago

As Found In The Files Of The Chowan Herald

With the arrival of several hundred service men's wives in Edenton and the existing shortage of facilities, the housing situation became very acute. So acute had the situation become that a suggestion was made that cots be placed in the local armory, where a woman's dormitory could be set up to help.

Government Boards Asked To Consider N.C. Civil Defense Law

Murray D. Ashley, director of Civil Defense in Chowan County, calls attention to a bill passed in the 1959 General Assembly known as the North Carolina Civil Defense Law.

Mr. Ashley has recently been asked by Col. David W. Spivey, Civil Defense Director for Area "A" to discuss the law with members of the local government. Mr. Ashley hopes to be able to discuss this law with members of the local government when they convene in order to explain the provisions and an-

Police Department In New Quarters

Now Occupying Red Men Building on Broad Street

Edenton's Police Department this week moved into new quarters. The police moved stock and barrel to the Red Men building on Broad Street opposite the Municipal Building which was formerly occupied by Mrs. Irma Allsbrook's Nu Curl Beauty Shop for a number of years.

The Police Department is expected to occupy the building for approximately a year and moved out of their old quarters at the foot of Broad Street so that the building can be torn down to make room for the proposed new Municipal Building.

Signs Planned To Attract Travelers On Bridge-Tunnel

New Span Is Now Expected to Open For Traffic By April 15, 1964

Contractors and consulting engineers have set April 15, 1964, as the date the giant new Chesapeake Bay bridge-tunnel should be opened to motor traffic, reminds West W. Byrum, president of the Edenton Chamber of Commerce and Edenton should be prepared for an increased flow of tourists.

The prospective opening date was predicted by the consulting engineers, but the actual opening date remains to be set by the Bridge-Tunnel Commission.

In their quarterly report to the commission, the engineers noted that completion of the physical structure between the two shores this month eliminated the chance of future delays being caused by winter storms on the bay.

The time needed to complete and equip the tunnel ventilating building on the northernmost of the four man-made islands is now the determining factor, Byrum said.

"Our Chamber is planning, in cooperation with Elizabeth City and Hertford interests, to erect

Edenton Aces Upset Strong Perquimans Indians 9 To 7 To Maintain Perfect Record

What was estimated to be just about the largest crowd ever to attend a football game on Hicks Field Friday night witnessed what many believe was the most interesting and thrilling game ever played there. The game brought together the highly-touted Perquimans Indians and the Edenton Aces, both of whom entered the game with an impressive 6-0 record for the season.

It was a hard-fought and thrilling game from start to finish with the Aces coming out of the struggle on the long end of a 9-7 score to extend their season's record to seven consecutive victories and now setting their sights on an Albemarle Conference Championship.

It would smack somewhat of unfairness to single out individual stars for either team, for it was a defensive battle throughout with both teams playing a spectacular brand of football.

Aces Prepare To Play Ahoskie On Hicks Field Friday

Edenton Boys Now Optimistic About Being Albemarle Conference Champions

Edenton's Aces will continue their 1963 gridiron war Friday night when they are scheduled to tangle with the Ahoskie High School Indians on Hicks Field.

The Aces are in high spirits, especially following their surprise defeat of the powerful Perquimans Indians last Friday night 9 to 7. They will enter the game with a perfect record of seven victories for the season and are looking forward somewhat optimistically to winning the Albemarle Conference Championship.

Local Boy Pictured In Look Magazine

Edenton relatives and friends will be interested to know that an Edenton boy, A-3C Vern Saunders, son of Mrs. Noah Goodwin, Jr., is pictured in the October 8 issue of Look Magazine.

The magazine devotes almost a full page of a picture of a soldier stationed at Walker Air Force Base at Roswell, New Mexico in connection with the Underground Air Force.

Young Saunders will be remembered as a former outstanding drum major for the John A. Holmes High School Band.

Cutlines under Saunders' picture read: "A young man with a gun guards an Atlas Intercontinental missile, about to be lowered into its underground bombproof silo."

Sale Of U. S. Savings Bonds In County 67.6% Of Year's Quota

R. Graham White, Chowan County's Savings Bonds volunteer chairman, announced early this week that Chowan County's sales for this year amount to \$75,253. This is 67.6 per cent of the county's annual quota of \$111,320.

During September sales in the county amounted to \$10,565.

U. S. Savings Bonds sales in North Carolina during September totaled \$4,420,187, an increase of 22.1 percent over the same month a year ago, a peace-time record. This figure — best for September since 1952 — brought total sales for the nine months of 1963 to \$38,796,885, an eight-year high for the period.

In the first nine months of this year the state's cumulative sales are 7.6 percent ahead of the same period of 1962. This amounts to 76.7 percent of the state's quota for this year of \$50,000,000.

Plans Call For Accommodating 15 Patients; Bids Opened on Tuesday, Nov. 12

Chowan Hospital board of trustees are advertising for bids to furnish all labor, materials and equipment entering into the construction of an addition and alterations to the present nurses' home for a chronic and convalescent unit.

Sealed proposals for this work will be opened in the office of W. P. Jones, hospital administrator, Tuesday, November 12 at 2 o'clock. Complete plans and specifications are open for inspection in Mr. Jones' office at the hospital or in the office of Rowland Simpson & Ferguson at Kinston, architects for the project.

The proposed chronic and convalescent unit (nursing home) will accommodate 15 patients and will be modern and up-to-date in every respect. The unit will have four private rooms with private baths, three rooms which will use a common bath and four semi-private rooms. The unit will be operated by the hospital as part of the hospital. An addition will also be made to furnish a room for air conditioning, heating and storage.

Professional nursing care will be provided at the new unit, which will be the second such unit in the state of North Carolina, operated in connection with a hospital.
