14 More Workers Employed; Output Will Be Doubled In Flooring Mill

Next Monday, March 23, the United States Lumber Company's oak flooring mill at the former air station property near Edenton will put on a second 8-hour shift, adding 14 workers to the present payroll, it is announced in a joint statement by L. L. Lester, Jr., president, and Mayor John A. Mitchener.

The oak flooring mill, in pilot plant operation the past six weeks since March 9, has employed 40 persons. Additional indirect employment would include the hardwood lumber mills supplying the rough boards and a number of truck drivers, Lester said.

Capacity of the flooring mill naturally will be doubled, Lester said, by the second shift, production then totaling 50,000 feet of flooring daily. The entire production of the flooring is being sold to others rather than Lesco Homes, Inc., Martinsville, Va. Buyers of the flooring are in both North and South Carolina, with some on Virginia's Eastern Shore, it was stated.
