Planted Notices Mailed Watch Time Limit Notices of planted acreage were mailed to all Chowan farmers Friday, June 26. Some of these notices require action within a time limit. In order for the different agricultural programs to operate efficiently, "TIME LIMITS" are necessary. We urge all farmers to not let the time as stated on the notice to elapse without contacting this office.

If remeasurement is desired on cotton, peanuts or deficient diverted acreage, a request will have to be filed within 15 days from date of notice. On tobacco a request must be made within 7 days from date of notice. The charge for remeasurement is \$1.00 per acre as measured (with an \$8.00 minimum).

Charges for checking adjustment of acreage in excess of allotment is \$5.00 plus \$1.00 for each additional place on the farm that excess acreage is disposed of. This amount also applies to adjustment of deficient diverted acreage in the case of Feed Grain Farms.

Agricultural Conservation Program Requests for Federal Cost-Share are being accepted in the county office for 1964 ACP practices. The County ASC Committee would like to see some type of conservation practice carried out on every farm in the county.

1964 Cotton Penalty Rate Announced The parity price for upland cotton as announced on May 28, 1964 was \$40.75 cents per pound. This was the price held in determining the penalty rate for excess cotton produced in 1964. The penalty rate thus established for 1964 crop excess upland cotton is 20.4 cents per pound.

Reminders 1. Rye planted on diverted acreage cannot be harvested if diversion payment is received. 2. Drying equipment and bin loans are available through the County ASCS Office. Loans can be made for 85% of the actual cost. Any farmer interested in this type of equipment should contact the ASCS office for further information.

Frankly Speaking By FRANK ROBERTS

First of all, my thanks to the many nice people who took the time to talk to me, favorably, concerning my last column. Also, my apologies to Highway Patrolman McIntyre. I had him listed as McKinley.

The Windsor movie theater finally closed down. It had been operated by the Jaycees of the community at a loss for the last year or so. Plans are already in the offing to auction off the equipment, furniture and so on.

If you don't think Scott Harrell, Jr., is a chip off the old block, here's what happened a couple Sundays ago in the Junior Department of the Edenton Baptist Church. Scotty's mother was taking charge of the group on that Sunday and asked some of the youngsters to name some beautiful or interesting things they would see in other parts of our country that might not be found in North Carolina. One youngster said tall redwood trees, another piped up with snow, another said mountains. Then Scott, Jr., had his answer ready: Eastern Day-

light Saving Time. To quote Mrs. H.: "That's my boy." Had an interesting talk with the charming Mrs. Eleanor Powell regarding her life in Germany, where her husband had been stationed. The interview was heard a couple Saturdays ago and her most surprising answer was when she said that the great majority of Germans didn't like the Americans, Eleanor said life was on the rugged side. In her small town in Germany they lived in one of the better apartments, but still—the kitchen, living and dining quarters were all in one room. And they had to share the bathroom facilities with 12 other families. Cost? \$50 per month. There's one young lady who probably has a deeper appreciation of her country than many others of us.

WCDJ's Jane Holmes is taking a summer hiatus from the air waves, and spending her time at the wonderful Carolinian at Nags Head as a hostess. She's already had the pleasure of talking to two well-known North Carolinians—Secretary of Commerce Luther Hodges and Actor Sidney Blackmer.

Heaviest contributions during the last political campaigns, with contributions of over \$300, were Shelton Moore for Dr. I. Beverly Lake and Gilliam Wood for Richardson Preyer.

The Jaycettes' collections for the Red Cross proved quite fruitful. The gals hustled up several hundred dollars for the cause. One individual contributor donated \$50.

Had a lot of fun at the auction at the Skinnerville Civic Center a couple Saturday nights back. They had many terrific items to auction off. Merchants in the area were most generous. After three hours or so of auctioneering, I began to talk like Andy Devine—but it was all worth it. Those are a wonderful and warm group of people.

Every now and then I like to pay a bit of tribute to some of our merchants and this time hats should be doffed to those who run the many service stations in our area. This gang is thorough in their work—friendly and courteous. The many tourists who pass through, and may see no one but the service station operator, are left with a good impression.

Rev. Dallas Thurston Stallings, Jr. Weds Miss Donna Catherine Raper In Ceremony Saturday At Burlington

MRS. DALLAS THURSTON STALLINGS, JR.

A 6 o'clock ceremony in Front Street Methodist Church at Burlington united Miss Donna Catherine Raper and the Rev. Dallas Thurston Stallings, Jr., Saturday evening.

The bride is the daughter of Mr. and Mrs. Howard David Raper of 606 West Willowbrook Drive in Burlington. She was graduated from Williams High School and Salem College in Winston-Salem, where she received an A.B. degree in English. While at Salem the new Mrs. Stallings was editor-in-chief of Sights and Insights, the college yearbook, and a member of the Order of the Scorpion, an honorary organization. She plans to teach in the fall.

Mr. Stallings is the son of Mr. and Mrs. Dallas Thurston Stallings, Sr., of 813 Johnston Street in Edenton. He is a 1962 graduate of Wake Forest College with a B.A. degree in religion. He

was president of the Cullom Ministerial Conference and a member of the Honor Council and Theta Chi social fraternity. Ordained in August, 1963, Mr. Stallings is currently a third year student at the Southeastern Baptist Theological Seminary at Wake Forest. He is also minister of the Cullen Baptist Church at Cullen, Va., and the Union Grove Baptist Church at Keyesville, Va.

Wedding vows were heard by Dr. R. Eugene Owens, professor at Southeastern Baptist Seminary, in a setting formed by tree candelabra holding lighted white tapers, large standards of woodwardia fern and altar vases of white Majestic and Marguerite doisies and gypsophelia. Reserved pews were marked with sprays of woodwardia fern and white ribbons.

Ray Cooper Euliss, organist, and Davis S. McAdams, violinist,

presented a program of nuptial music which began 30 minutes before the ceremony.

The bride was escorted and given in marriage by her father, Howard D. Raper. She wore an ivory silk gown trimmed with Alencon lace and designed with scooped neckline, short sleeves and high rise waistline. The top of the gown was made of re-embroidered Alencon lace and the soft sheath-like skirt was of ivory silk organza over silk peau de soie. A full cut detachable chapel train was featured with an imported lace Mantilla and the bride carried an arm bouquet of long-stemmed butterfly roses. She also wore a diamond lavalier made into a pin which her father had given her mother on their wedding day.

Miss Glenda Kay Sutton was maid of honor and bridesmaids were Miss Carolyn Faye Stallings of Raleigh, the bridegroom's sister, Miss Virginia Perry Fields of Rocky Mount, Mrs. James Ivan Gilland of Charlotte, Miss Letitia Dabney Johnston of Davidson, Miss Elizabeth Fitchett Kidd of Haw River and Miss Alice Cain Reid of Hartsville, S. C.

They wore floor length dresses of Nile green batiste designed with a high scooped neckline, wide trumpet sleeves and fitted bodice. The sleeves and hem of the A-lined skirt were accented with floral embroidery in green, yellow, orange and red and each wore a headpiece of matching batiste.

Honorary bridesmaids were Mrs. James Samuel Gibbs of Richmond, Va., Miss Bonnie Lynn Hauch of Fort Lauderdale, Fla., Miss Sandra Kay Kimbrell of Waynesville, Mrs. Charles Francis Wilson of Bedford, Va., and Miss Linda Lam-

beth Wooton. Little Miss Jane Holt Bell, daughter of Mr. and Mrs. Felix O. Bell, Jr., of 612 West Willowbrook Drive, was flower girl and wore a replica of the adult attendants' gowns and carried a basket of daisies, marigolds and zinnias.

The bridegroom's father was his best man and his ushers were Jack Webb Bunch of Edenton, Noah Paul Gregory, Jr., of Hertford, cousin of the bridegroom, Lawrence Maury Kimbrough of Davidson, Robert Marsh Phillips of Sanford, Charles Francis Wilson of Bedford, Va., and Howard David Raper, Jr., the bride's brother.

For her daughter's wedding, Mrs. Raper chose a shell pink sheath with Alencon lace top and chiffon overskirt over peau de soie. Her attire was complemented by a corsage of white Phalaenopsis orchids. Mrs. Stallings wore a lace covered dress of sky blue linen with matching accessories and white Phalaenopsis orchid corsage.

For a wedding trip to Williamsburg, Va., the bride chose a cobalt blue linen dress trimmed in bottle green and she carried a long stemmed ivory rose. After their trip the newlyweds will be at home July 19 at 104 Rankin Court, Wake Forest.

The bride's parents entertained at a reception on the lawn of Alamance Country Club following the ceremony. Guests were guided to the party area by hurricane lamps, each entwined with ribbons and ivy and joined together with white ribbons to form a pathway.

The bride's table was decorated with greenhouse smilax of the valley and a silver baby brell of Waynesville, Mrs. Charles Francis Wilson of Bedford, Va., and Miss Linda Lam-

phela and daisies. Wicker baskets of white daisies, zinnias and gypsophelia were suspended from the trees.

A silver compote of mixed white summer flowers and silver candelabra highlighted the buffet table with silver punon bowls used on either end.

A round table covered with white net over white satin draped with five tiers of white satin ribbon held the wedding cake which was topped by lilies cup belonging to the bride.

Among the out-of-town guests were Mrs. Arthur F. Raper, Vienna, Va.; Mrs. Charles Beecher
