20 Years Ago

Edenton and Chowan County felt the fury of a tropical storm and though only the outer edge of the storm struck this section, more debris resulted than during the disastrous storm of 1933 when a great amount of damage was done.

No little criticism developed regarding Town Council's action in allowing a carnival sponsored by Ed Bond Post of the American Legion to appear in Edenton for a nine-day stand and at the same time prohibiting the Red Men from sponsoring a carnival before 30 days elapsed between the two.

Aces Hang Up Third Straight Victory By Defeating Camden

Edenton's Aces had another "breather" Friday night when they ran rough shod over the Camden Rebels and left the field on the long end of a 52-6 score. The Aces started their scoring early when on the first play Hiram Mayo scampered 62 yards for the first touchdown. The Rebels were forced to punt and on the first play Dwight Flanagan made a thrilling catch of a pass from David Holton and raced 35 yards to score.

From then on the Aces scored almost at will with Iky Davis, Wesley Chesson and Mike Phelps logging the pigskin over for touchdowns. Again Coach Jerry McGee used practically every member of the squad during the

Physically Handicapped Week Will Be Observed October 4-10

"This is the 20th anniversary of a historic event first proclaimed by President Truman in 1945 when the nation awaited the demobilization of 15 million men and women from the armed forces," said Mr. Hollar. "Many were combat veterans with war disabilities to whom the nation felt a special moral obligation."
