Beauty is now officially recognized. The Internal Revenue Service says you can make income tax deductions for some contributions designed to help conserve the nation's natural beauty. It's a step in the right direction. Now, how about some consideration for deductions for hairdos, girdles and toupees?

I walked in the Betty Shoppe this week, just in time to see them unpacking some lovely summer cottons in such easy to care for fabrics, such as soft whipped creams and dacrons in shades of pink, blue, green and yellow, in shifts or full skirts. For the Junior Miss, such names as Gay Gibson, Pacemaker, Country Junior and Carol Craig and for Misses, there's Henry Lee, Jerrie Laurie, Jack Mann, Nancy Greer and Country Miss—names which really set the pace for Spring and Summer from the Betty Shoppe.
