To The Voters Of The TOWN OF EDENTON

I hereby announce my candidacy for Councilman of the First Ward in the forthcoming election in the Town of Edenton.

I want to say now that I have no axes to grind and no special cliques to serve, and if elected, I will do my best to represent the First Ward and to serve in the best interest of the whole town.

I further believe that the Town Charter should be protected and that the citizens should know about and approve of any changes in the Charter before it is sent to the Legislature for enactment.

Your support and vote is earnestly appreciated.
