## THE Roundup

Wilborne Harrell

My grandfather had these things by which he ordered his life: The Bible, The Progressive Farmer, The Biblical Recorder and Turner's Almanac. And his faith in the latter publication was just as strong as any of the others. Now, my confidence in the almanac is much, much smaller than a mustard seed; but here comes a lady whose convictions are unshakable in the tenets propounded by said Turner and others. And she said, quoting the almanac, that there would be no real warm weather until mid-July. If there ever was a dire prediction, this is it; and, frankly, considering

the way the weather is going, it somewhat shakes my lack of faith in almanacs.

Something new has been added—the feminine touch to The Chowan Herald. Jane Weikel has joined the Herald's staff, and she has brought with her that indefinable something that always attends the presence of a woman. The lusty speech of the employes has in great measure been curtailed, and manners and courtesies that have almost been forgotten have been brought out and used. A woman's itch to clean and straighten up may be observed in counters and whatnot emerging out of disorder into respectability. And the telephones have no doubt been surprised that a lilt has been added to the gruffness and abruptness of the male voice. Now I'm waiting for the blow-up when she invades the sanctity of ye editor's desk and attempts to bring order out of the organized confusion thereon. Or attempts to hang chintz curtains on the windows. Yep, certainly, something has been added—all this and Jane, too.

### CO. COMMISSIONERS WILL MEET MONDAY

Chowan County commissioners will meet at 9 A. M. Monday in the court house. Chairman W. E. Bond will preside. Routine matters as well as the 1967-68 budget are expected to be discussed.

### Fair Play

The trouble with being a good sport is that you have to lose to prove it. —Flying K., Kingsville, Tex.
