

## News From Holmes High

**By MARTHA BRITTON AND AMY O'NEAL**

The girls' basketball team for 1967-68 has been chosen. Members returning from last year are: Patricia Ashley, Martha Britton, Linda Byrum, Helen Jernigan, Beth Moore, Sue Powell, Janet Sadler, Debra Waff and Joanne Walton. New members are: Harla Ange, Pansy Austin, Sarah Belch, Shelly Etheridge, Debbie Hollowell and Mary Ellen Wheeler. The girls are being coached by Miss Caroline Pond. We wish

the girls much success in their coming games. The Future Teachers of America had a program meeting on Tuesday of last week. Their guest speaker was Miss Minnie Hollowell who spoke to the group about how much she got out of teaching and the amount of dedication one must have to go into the teaching profession. Everyone thoroughly enjoyed Miss Hollowell's informative talk. Though Miss Hollowell has retired, she is still very active and is planning a trip to New Orleans and Mexico very soon. We hope she has a marvelous time.

The Girls' Monogram Club gave a victory party for the football team Wednesday night in the cafeteria. The girls as well as the whole town are very proud of the Edenton Aces. Speaking of the mighty

## Slade Praised By Professor

**GREENVILLE** — Clenton Slade of Edenton made a perfect score on his third test in Physics at East Carolina University here recently. Such an achievement is very rare, according to Professor R. M. Helms.

Helms reports that the last 100 achieved in his classes was in the spring of 1966. The last such perfect test paper in electricity and magnetism was in the spring of 1962. The professor has written the student's parents, Mr. and Mrs. C. W. Slade, Sr., Route 1, Edenton, in which he further illustrates the achievement. Slade made the highest grade (90) of the class of 10 students on the second test in this subject, and was tied with another student for highest grade (95) on the first test. "Finally, your son conducts himself in every respect as a gentleman," he writes. "You are fortunate in him."
