Why not give the family a "change of pace" so to speak, this week and serve them a nice roast of beef from the P & O Super Market? There's an extra good price on choice Western chuck roast of beef for only 35c a pound. I roast most all cuts of beef in a covered baking dish, with absolutely no water, but roasted slowly and you'd be surprised at how tender and juicy they can be. Chickens are also a good buy at 24c, and you can get fresh lean ground beef at 45c. At the produce counter there's three pounds of bananas for 29c; choice tomatoes at 19c a carton and 20 pounds of Maine white potatoes for 69c at the P & O Super Market.

Most everyone knows that with an FM radio, you are able to get long programs of uninterrupted music, so good to relax by. At the Griffin Musicenter you will find just the best in Zenith FM radios to bring you those quiet hours of music. And for fun for the entire family and to bring you closer together with loved ones, why not invest in a tape recorder and use the tapes many times in place of a letter? The Griffin Musicenter thanks each of you for your patronage in 1967 and wishes each of you a Prosperous New Year of 1968.
